## Lucy Audubon A Biography:

Lucy Audubon Carolyn E. DeLatte, 2008-09-01 Wife of the great naturalist John James Audubon Lucy Bakewell Audubon 1788 1874 was a powerful and extraordinary woman who coped resourcefully with the demands of a difficult situation and worked tirelessly to aid her husband in his landmark work In *Lucy Audubon A Biography* Carolyn E DeLatte focuses on the early life of Lucy Audubon her birth in England and youth in eastern Pennsylvania her courtship and marriage to the eccentric young Audubon their wanderings along the western fringe of the country the birth of their children and the preparation and publication of *The Birds of America* Throughout DeLatte emphasizes Lucy Audubon s own experiences concerns and point of view She tells of Lucy s often stormy relationship with her brilliant but unreliable husband her place at the head of their small family and her crucial role in the creation and publication of her husband s magnum opus Intelligent adaptable and strong willed Lucy was DeLatte shows the partner Audubon needed for his life and for his work As noted Audubon expert Christoph Irmscher says in his foreword When DeLatte slips into her character s skin she does so unobtrusively and to great effect thus we are right there with Lucy

**Lucy, M'Amie** Nollanne O'Hair, 2011-04-26 Lucy Audubon lived and died in the shadow of her husband the famous American artist and naturalist John James Audubon Few people today know her name or that she made it possible for Audubon to complete much of his work In *Lucy Mamie* author Nollanne OHair captures the spirit of Lucy Audubon and vividly portrays the era in which she lived Timeless and enduring this fictionalized account explores the life of an indomitable woman who struggles to maintain her family through continual hard times yet always provides the encouragement her talented idealistic husband so desperately needs Lucy Mamie follows Lucys life beginning 1802 when her family moves to America from Derbyshire England and to her marriage in 1808 at the age of twenty It depicts the details of Lucys life as she watches her husband transform from a peculiar artist and naturalist to a world famous figure This portrait not only recounts Lucys struggles and adventures it unveils her heart and mind brings her out of her husbands shadow and gives rich insights into the life and times of a capable resourceful pioneer woman

Carolyn Merchant,2016-08-23 In 1887 a year after founding the Audubon Society explorer and conservationist George Bird Grinnell launched Audubon Magazine The magazine constituted one of the first efforts to preserve bird species decimated by the women s hat trade hunting and loss of habitat Within two years however for practical reasons Grinnell dissolved both the magazine and the society Remarkably Grinnell s mission was soon revived by women and men who believed in it and the work continues today In this the only comprehensive history of the first Audubon Society 1886 1889 Carolyn Merchant presents the exceptional story of George Bird Grinnell and his writings and legacy The book features Grinnell s biographies of ornithologists John James Audubon and Alexander Wilson and his editorials and descriptions of Audubon s bird paintings This primary documentation combined with Carolyn Merchant s insightful analysis casts new light on Grinnell the origins of the first Audubon Society and the conservation of avifauna The Life of John James Audubon Lucy Audubon,2023-02-25 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **Biography by Americans, 1658-1936** Edward H. O'Neill,2016-11-11 This volume is the most comprehensive bibliography of purely biographical material written by Americans It covers every possible field of life but by design excludes autobiographies diaries and journals *Under a Wild Sky* William Souder,2014-07-21 In this Pulitzer Prize finalist biography the author of Mad at the World examines the little known life of the man behind the well

known bird survey John James Audubon is renowned for his masterpiece of natural history and art *The Birds of America* the first nearly comprehensive survey of the continent's birdlife And yet few people understand and many assume incorrectly what sort of man he was How did the illegitimate son of a French sea captain living in Haiti who lied both about his parentage and his training rise to become one of the greatest natural historians ever and the greatest name in ornithology In *Under a Wild Sky* this Pulitzer Prize finalist William Souder reveals that Audubon did not only compose the most famous depictions of birds the world has ever seen but he also composed a brilliant mythology of self In this dazzling work of biography Souder charts the life of a driven man who despite all odds became the historical figure we know today A meticulous biography and a fascinating portrait of a young nation *San Francisco Chronicle* As richly endowed and densely packed as the forests of Audubon's day *Minneapolis Star Tribune* Deftly weaves together the story of the self-taught artist and naturalist with the development of scientific inquiry in the early years of the republic and the lives of ordinary Americans as the new nation spilled westward over the mountains from the Eastern seaboard *Los Angeles Times* [The History of the Desloge Family in America](#) Christopher Desloge, 2013-07-18 The Desloge family in America is known as a great industrialist philanthropic religious and naturalist family spanning 200 years in America and is one of the oldest French families in Missouri and St. Louis It has taken the vital force and verve of great families to build great business in America and build a country of increasing middle class consumers as well Tycoons like Carnegie Rockefeller Guggenheim Gould and Morgan greats of the gilded age have made a real impression on industry and the increase in the human condition from those industries Other families have made their mark in much the same way such as Kellogg and Wrigley Steel railroads finance cereal chewing gum In lead the name is Desloge Starting with entrepreneurial zeal by wildcatting in mining in Missouri and also in the California Gold Rush among these famous names the Desloge family became and today represents industrial and social titans in Missouri and American history **Early American Nature Writers** Daniel Patterson, 2007-11-30 At a time when the environment is of growing concern to students and general readers nature writing is especially meaningful This book profiles the literary careers of 52 early American nature writers such as John James Audubon Ralph Waldo Emerson Caroline Stansbury Kirkland Thomas Jefferson Henry David Thoreau and Mabel Osgood Wright Each entry is written by an expert contributor and discusses the writer's life and works Entries close with primary and secondary bibliographies and the encyclopedia ends with suggestions for further reading Global warming pollution and other issues have made the environment a topic of constant discussion these days Many environmental concerns were treated by early American nature writers who recognized the beauty of the natural world in an age of commercial expansion Some of the most famous writers of the 18th and 19th centuries wrote about nature and their works are stylistic masterpieces At a time when students are being encouraged to read and write about nonfiction these masterworks of early American nature writing are all the more important This book gives students and general readers a welcome introduction to early American nature writers *The*
