,1982     **Cello Practice, Cello Performance** Miranda Wilson,2015-05-27 What does it mean to perform expressively on  
the cello In Cello Practice Cello Performance professor Miranda Wilson teaches that effectiveness on the concert stage or in  
an audition reflects the intensity efficiency and organization of your practice Far from being a mysterious gift randomly  
bestowed on a lucky few successful cello performance is in fact a learnable skill that any player can master Most other  
instructional works for cellists address techniques for each hand individually as if their movements were independent In  
Cello Practice Cello Performance Wilson demonstrates that the movements of the hands are vitally interdependent  
supporting and empowering one another in any technical action Original exercises in the fundamentals of cello playing  
include cross lateral exercises mindful breathing and one of the most detailed discussions of intonation in the cello literature  
Wilson translates this practice room success to the concert hall through chapters on performance focused practice  
performance anxiety and common interpretive challenges of cello playing This book is a resource for all advanced cellists  
college bound high school students undergraduate and graduate students educators and professional performers and teaches  
them how to be their own best teachers     [Violin Sonata No.2 by Ludwig Van Beethoven for Piano and Violin \(1798\) Op.100](#)
