

The background of the book cover is a sepia-toned illustration of a grand building entrance. The scene is dominated by large, fluted columns. In the foreground, several people in period clothing are visible: a man in a top hat sits on the left, a woman in a long dress and hat sits in the center, and a group of people stands on the right. A large, ornate chandelier hangs from the ceiling. The overall atmosphere is one of historical grandeur.

isolation but firmly within the context of Italian society against the backdrop of unfolding crises famine plague popular unrest and religious schism Indeed Hawkwood s life and career offer a unique vantage point from which we can study the economic social and political impacts of war John France The Month ,1907 **British Books** ,1904
