**Housing Policy and Finance** John Black, David Stafford, 2018-10-24 This book provides a comprehensive introduction to housing policy and finance in Britain. It describes changes in the condition and tenure of housing in the post war period and contrasts the massive investment in house building and improvement with allegations that housing conditions are deteriorating. It describes the rise of the public housing sector and the slight decline in the face of the Thatcher government's policy on council house sales which followed. The book thus provides a background for the development of housing policy over the next decade.

**Managing Infrastructure Projects (Second Edition)** Willie Tan, 2023-11-06 This book is about managing the infrastructure development cycle from project initiation to the end of the operation and maintenance phase. It focuses on the public private partnership contract and from this perspective private and public sector procurement are variations. The book presents general principles that are applicable in different countries particularly in the developing world where markets and other institutions are less developed and uses examples to clarify ideas. In this second edition each chapter has been expanded and updated. The treatment is more balanced between pre tender and post tender stages of infrastructure development. Designed for students from different backgrounds such as information technology business architecture quantity surveying urban planning project management engineering construction facilities management transport finance economics and law the book provides a structured guide to these diverse students as well as researchers public officials project sponsors lenders developers contractors subcontractors suppliers investors infrastructure fund managers insurers facilities managers non government organizations and consultants such as designers engineers environmental specialists legal advisors and brokers.
