that it's so painful. Nonetheless, she is determined to deal with her ongoing grief and to weed out her self-doubts and fear so she can build a new future for her and her grandkids. When a handsome and younger single dad mistakes her for someone who might be interested in romance of all things, she has to laugh. He is so barking up the wrong tree. Or is he? Can Gwen find the bravery, strength, and renewed optimism to let herself hope for and pursue something new? If you enjoy emotionally compelling stories about family relationships, women's friendships, romance for women over forty, and the pets who bring us so much joy, you're going to love *USA Today* bestselling author Ev Bishop's *The Second Chance Shop*, a brand new small town contemporary romance series about overcoming heartbreak starting over later in life and finding home again. **Lush Lives**

J. Vanessa Lyon, 2023-08-01 With beguiling wit and undeniable passion, *Lush Lives* is a deliciously queer and sexy novel about bold, brilliant women unafraid to take risks and fight for what they love. An unabashedly charged love story set in the evocative and high-stakes world of art and auction in New York City, Roxane Gay's second title is a crowd pleaser in the vein of Jasmine Guillory's *The Wedding Date* and Helen Wang's *The Partner Track*. For Glory Hopkins, inheriting her Aunt Lucille's Harlem brownstone feels more like a curse than a blessing. As a restless artist struggling to find gallery representation, Glory doesn't have the money, time, or patience to look after the aging house of an aunt she barely knew. But when she stumbles into Parkie de Groot, a savvy, ambitious auction house appraiser on the verge of a coveted promotion, her unexpected inheritance begins to look more promising. Glory and Parkie form an unlikely alliance and work to unearth the origins of a rare manuscript hidden in the brownstone's attic. In doing so, they uncover not only the well-kept secrets of Lucille's life but also the complex relationships between Harlem and its distinguished residents. Undeniable as their connection may be, complications arise that threaten to tear apart their newly forged relationship. Between Parkie's struggle to overcome the heartache of past romances and professional problems that threaten to end her rising career, and Glory's unbridled and all-consuming ambition, they begin to keep secrets from each other. The deeper they dig into the mysteries of the Harlem brownstone, the more fraught their relationship becomes. *Lush Lives* is an unforgettable novel of queer love, ambition, and the forgotten histories that define us. **Working Mother**, 1993-12 The magazine that helps career moms balance their personal and professional lives. **Shane's Deal (historical western romance)** Ruth Ann Nordin, Madeline Thompson the woman the outlaws were looking for at the beginning of Boaz's Wager. Book 2 in the Montana Collection has finally arrived in Lewistown, Montana, but no one knew she was coming because she had disguised herself as a man. She was only going to stay in town long enough to get more supplies for her trip to Canada. But then fate intervened with a bullet to her shoulder, and now she's not going anywhere. When Marshal Shane Taft discovers Madeline's true identity, he knows only a desperate woman would take such a big risk in traveling through the wild territory of Montana without a chaperone. That alone prompts him to protect her. Finding out she's recently widowed and is carrying a child prompts him to propose marriage. Madeline's first husband left a lot to be desired. Besides thinking women had nothing worthwhile to contribute but

an heir he was cold toward her She would say no to the deal Shane is offering but necessity forces her to marry him Nothing good can come from being under another man's thumb That is of course unless he happens to be the right man Yo La Tengo's And Then Nothing Turned Itself Inside-Out Elliott Simpson,2025-02-06 Hailed as a quiet masterpiece upon release Yo La Tengo's And Then Nothing Turned Itself Inside Out proposed a radical new future for rock music Released at a time when the music industry was changing dramatically thanks to the rise of online file sharing it suggested that the only way for a band to survive was to listen to themselves A delicate and hushed album its songs explore the quiet battles that take place every day and the beauty that can emerge from the ordinary In many ways this is reflective of the story of the band that made it self managed for most of their career and having maintained the same line up since 1992 Yo La Tengo almost resemble a suburbs based nuclear family And Then Nothing argues that great art does not come from suffering but instead steady unglamorous work It is an album that helped forge a new mythology for rock and roll one not built on sex drugs and debauchery but instead the quiet lives of people living in peaceful suburban homes From the nothingness of the everyday something incredible can emerge Crooked House, Book 3: Bloodmoon Cove Spirits Series Karen Wiesner,2018-04-10 Don't close your eyes Some doors once opened can never be closed again Orphan and widow Corinne Zellman is stunned to discover she's the only surviving heir of Edward Buchanan a relative of her recently deceased husband In Bloodmoon Cove she finds Crooked House the family estate which lives up to its disturbing name as does Edward who disappears so frequently she can almost believe he's a ghost It isn't long before Corinne begins to suspect he had ulterior motives for insisting she come But to believe that is to believe that Rafe Yager a hardened soldier and ghost hunter is entirely correct when he says Crooked House is dangerous The longer she stays the less chance she'll ever leave again The Lying Game Sara Shepard,2010-12-07 New York Times bestselling series The first book in the New York Times bestselling series The Lying Game by the author of the bestselling Pretty Little Liars series Sara Shepard Shortly before her seventeenth birthday Emma discovers she has a long lost twin named Sutton Mercer She contacts Sutton who agrees to a rendezvous but never shows up Curious at first Emma slips into Sutton's ultra glamorous life assuming her identity When it becomes clear that Sutton is not coming back that someone made sure she never could Emma plunges in to investigate who could have wanted her sister gone a fairly long list she discovers Unfortunately taking over Sutton's life means innocent little Emma has inherited all that bad blood and then some Perfect for fans of Sara Shepard's 1 New York Times bestselling series Pretty Little Liars The Lying Game has all the juicy plot lines to die for lifestyles and compelling secrets that fans love Witchfall (Year 1 - Book 2) - The Harvest J Clair,2018-10-24 In the distant future humans are an endangered species and witches are royalty Worshipped and revered children and adults alike hone their spells and witchcraft for the approval of the royal family while the remaining powerless humans seek deliverance from the hunt The world now holds its breath for the Harvest has come when the royal family steps out of the shadows to handpick potential heirs to the throne These individuals are given the
