State of Peril Lucy Valerie Graham,2015 Considering fiction from the colonial era to the present State of Peril offers the first sustained scholarly examination of rape narratives in the literature of a country that has extremely high levels of sexual violence Lucy Graham demonstrates how despite the fact that most incidents of rape in South Africa are not interracial narratives of interracial rape have dominated the national imaginary Seeking to understand this phenomenon the study draws on Michel Foucault s ideas on sexuality and biopolitics as well as Judith Butler s speculations on race and cultural melancholia Historical analysis of the body politic provides the backdrop for careful close readings of literature by Olive

Schreiner Sol Plaatje Sarah Gertrude Millin Njabulo Ndebele J M Coetzee Zo Wicomb and others Ultimately State of Peril argues for ethically responsible interpretations that recognize high levels of sexual violence in South Africa while parsing the racialized inferences and assumptions implicit in literary representations of bodily violation **Imagining The State** Neocleous, Mark, 2003-09-01 In this book Mark Neocleous explores such questions through a critique of what he describes as the statist political imaginary Unpicking this imaginary while also avoiding traditional approaches to state power the book examines the way that the state has been imagined in terms traditionally associated with human subjectivity body mind personality and home Imagining Adoption Marianne Novy, 2011-05-06 Imagining Adoption looks at representations of adoption in an array of literary genres by diverse authors including George Eliot Edward Albee and Barbara Kingsolver as well as ordinary adoptive mothers and adoptee activists exploring what these writings share and what they debate Marianne Novy is Professor of English and Women s Studies University of Pittsburgh *Imaginary Communities* Phillip E. Wegner, 2002-06-04 Imaginary Communities is a beautiful treatment of utopian narratives as the quintessential genre for figuring social space in the modern nation state Wegner demonstrates a wide ranging yet lightheaded philosophical learnedness an urgent political conscience and a deeply historical sense that narrative utopias are like specters that haunt particular moments of upheaval crisis and contradiction within modernity whether the threshold between the vestiges of feudal agrarian society and early modern English capitalism conflicts between the new oligarchy of industrializing late 19th c United States and the increasing militancy of the labor movement the uneven successes and failures of the Russian Revolution of 1905 or the mid century Cold War struggles Lisa Lowe author of Immigrant Acts On Asian American Cultural Politics In this important book Wegner argues that the historical work done by utopian narratives should be reconsidered interrogated challenged and continued Insightful and provocative Imaginary Communities will prove a valuable contribution to our thinking about the politics of imagination Daniel Cottom author of Cannibals and Philosophers Bodies of Enlightenment Phillip Wegner s Imaginary Communities represents a major intervention in our understanding not merely of utopian literature but the very ways in which we view our world His concept of utopian narrative as both vision and practice as participating in real worlds a force for change rooted in the social world as it is and as it is becoming and is imagined succeeds wonderfully well his notion of the imperative of failure as a resource of hope is deeply humane He provides a body of work worth thinking through and thinking with As a historian I find the historicity of his approach the literary arch spanning from the origins of the European nation state to our global present and future compelling in its ambition and execution Wegner moves well beyond the more tired moves of new historicist literary criticism this is historicist scholarship in a new key James Epstein author of Radical Expression Political Language Ritual and Symbol in England 1790 1850 *Transactions of the Minnesota State Horticultural Society* Minnesota State Horticultural Society, 1874
