Ahlquist,2007-07-03 Get an after life A belief in the afterlife is common to almost every faith and culture around the world Even people who don t consider themselves spiritual share a fascination in life after death In this powerful guide author and intuitive Diane Ahlquist shares her own knowledge of the subject as well as the views of such religious and spiritual leaders as Edgar Cayce and the Dalai Lama The Heretic's Guide to Doctrine Daboniel Hereticus,2020-03-19 This book is intended to open Christians minds up to other Christians and to help improve dialog between them It deals with where a lot of them are coming from doctrinally and the problems to be dealt with on both sides There is a core to all true Christians that should bind us but we cannot do that as long as we cannot be open with our differences and open minded enough to understand why some people believe what they do Mature Christians should be able to talk about the elephant in the room I am of the firm belief that if everybody was coming from the Bible with what they believed we would have a lot more agreement And the world would hate us all the more I certainly do not expect every Christian to agree with me on everything It is not for nothing I call myself Hereticus Books in Print ,1991 The Young Lady's Guide to the Harmonious Development of Christian Character Harvey Newcomb,1846 Subject Guide to Books in Print ,1997 **The Naked Christ** Dan Le,2012-08-22 The cross of Christ is undeniably central to the Christian faith But how can the cruelty and brutality of a two thousand year old Roman cross touch base with a hedonistic world that has been so desensitized towards violence Within the postmodern setting of a body obsessed culture Christianity urgently requires an innovative and stimulating way of understanding the cross and its atoning significance At the heart of this book is the Naked Christ an emblem through which the author draws on the rich resources of the Christian tradition in its portrayal of the cross He explores how the metaphors of nakedness and clothing can encapsulate aspects of atonement and enable them to be understood within a variety of contemporary contexts The Naked Christ is a useful resource for anyone seeking fresh ways to express what the cross of Christ means to contemporary culture **Paperbound Books in Print** ,1991 *The New Ideal* James Harcourt West,1890 *The Epic of God* Michael Carr Whitworth,2012 Genesis is a book of beginnings It introduces us to several biblical themes including God s authorship of life In a world that blames the Creator for disasters and credits luck or karma for life s blessings God s people need reminding that he is crafting a wondrous story of redemption and grace Within Genesis we are called to play the part of faithful children so that we might overcome this world and inherit the one to come In God s story we discover how to live out our own The Epic of God will guide you passage by passage through the book of Genesis in hopes of deepening your trust in the God of Abraham Isaac and Jacob cover of book The Bible With and Without Jesus - Participant Guide Dr. Marc Zvi Brettler,Amy-Jill Levine,2025-06-03 Scholars show how Jews and Christians read the same texts differently This participant guide introduces the main text and further Scripture commentary and reflection questions It along with the leader guide and
