Lodesky,2019-07-10 This book contains the early history of Warren Township High School from its beginnings as Gurnee s two year high school The two year high school evolved first into a three year township high school and finally into a four year township high school in 1917 The book also includes an early history of Warren s sports teams

experiences of its students and descriptions of life at Warren There are also stories about notable students teachers coaches and prominent citizens in the area If you are wondering why I named the book The Revised Early History of Warren Township High School I'll explain Originally I only intended to write a history of Warren's football teams While researching football I occasionally ran across articles about the school's early history I saved what I found and filed it away Then the Warren Township Historical Society asked me to write an account of Warren football for their newsletter While writing about the football team I decided to add all the other information about Warren's history that I found earlier calling it the Early History of Warren Township High School Six months after writing the article I noticed a couple of mistakes that needed correction and decided to do a more in depth study of the high school's history I ended up with enough Warren history that I was able to write this book and correct my mistakes as well

American National Pastimes - A History Mark

Dyreson,Jaime Schultz,2016-04-14 When the colonies that became the USA were still dominions of the British Empire they began to imagine their sporting pastimes as finer recreations than even those enjoyed in the motherland From the war of independence and the creation of the republic to the twenty first century sporting pastimes have served as essential ingredients in forging nationhood in American history This collection gathers the work of an all star team of historians of American sport in order to explore the origins and meanings of the idea of national pastimes of a nation symbolized by its sports These wide ranging essays analyze the claims of particular sports to national pastime status from horse racing hunting and prize fighting in early American history to baseball basketball and football more than two centuries later These essays also investigate the legal political economic and culture patterns and the gender ethnic racial and class dynamics of national pastimes connecting sport to broader historical themes American National Pastimes chronicles how and why the USA has used sport to define and debate the contours of nation This book was published as a special issue of the International Journal of the History of Sport

The History of Loyola Basketball

Fred Mitchell,2019-03-12 Only a seasoned journalist like Fred Mitchell could uncover the fascinating stories behind the Ramblers glorious journey to the NCAA championship Mitchell details surprising behind the curtain events which carry the reader on a breath taking trip to an unexpected hard fought victory Robert Jordan Jr Ph D Loyola University Retired Anchor Reporter WGN TV Chicago Loyola has become a national brand led by a pragmatic genuine and unassuming head coach Porter Moser is known for doing things the right way and encouraging his players to buy in to the culture of the program that stresses building character and encourages good sportsmanship teamwork and respect for the process The over arching national narrative of the 2017 18 NCAA men's basketball tournament became the valiant and totally unexpected run made by the Loyola Ramblers to the Final Four What a refreshing Cinderella Run that fans nationwide appreciated after a college basketball season overloaded with negative headlines The fabric of the team was woven from the initial threads of the 1963 NCAA championship Loyola squad that not only captured a national title but also made historic strides for college basketball and the nation with regard to civil rights

and racial integration While the nation was admiring the grit maturity and determination of Loyola s relatively unheralded players they also fell in love with the sincerity of Sister Jean the ninety nine year old team chaplain and pop culture sensation now featured on bobbleheads and memes across the country This unique and colorful story is properly told through the voices of those who actually took part in the joyful games without shying away from the painful incidents that represent a significant part of our country s history
