Scotland: Edinburgh, Glasgow and the Highlands as far north as Aberdeen, Inverness, Gairloch and Stornoway [with a description of the various approaches by land and sea from the south] Mountford John Byrde Baddeley, 1908

The Hebrides Peter Edwards, 2015-03-19. This inspirational guidebook describes 50 varied walking and backpacking routes on the Scottish Hebrides islands, set out in a larger format and illustrated with a range of stunning photographs. The 50 walks are spread across both well-known and remote islands, from Skye, Mull, Rum, the Uists and Barra, Ulva, Iona, Eigg and Muck, and more besides. Most of the walks provide a full day for experienced walkers, with a few multi-day backpacking adventures as well as some shorter routes. The walks also include Hebrides classics like the Trotternish Ridge, Ben More Skye and Rum, Cuillins, the Paps of Jura, and full circuits of smaller islands. Each walk combines clear route description with mapping and spectacular photography, while also advising on the route's facilities, public transport access, length, and terrain. The result is a collection of the very best walks with which to uncover the wild and rugged beauty of the Hebrides. **Facts and fallacies relative to Scottish churches and schools, 12 tracts by 'Free Lance'.** Alexander Richardson (journalist.), 1871. **The Edinburgh Literary Journal**, 1830. **Proceedings RMRS.**, 1998.
