More Than A Store Frederick Nelson:

More Than a Store Robert Spector,1990 **Frederick & Nelson** Ann Wendell,2008-12-08 In 1890 D E Frederick arrived in Seattle and joined soon after by Nels Nelson started what would become one of the Northwests best loved and well regarded stores For more than 100 years Frederick Nelson was much more than just a department store to the people of Seattle it was an icon F N as locals referred to it established the citys retail core led the war bond drive acted as a civic booster and pioneered a high level of benefits for its workers But it was the customer experience that made all the difference at F N Whether it was a fashion show in the Tea Room a visit to Santa or the taste of a Frango the memories of Frederick Nelson still resonate today throughout the Pacific Northwest The Furniture Trade Review and Interior Decorator ,1919

Lost Chicago Department Stores Leslie Goddard,2022-01-31 Within thirty years of the Great Chicago Fire the revitalized city was boasting some of America s grandest department stores The retail corridor on State Street was a crowded canyon of innovation and inventory where you could buy anything from a paper clip to an airplane Revisit a time when a trip downtown meant dressing up for lunch at Marshall Field s Walnut Room strolling the aisles of Sears for Craftsman tools or redeeming S H Green Stamps at Wieboldt s Whether your family favored The Fair Carson Pirie Scott Montgomery Ward or Goldblatt s you were guaranteed stunning architectural design attentive customer service and eye popping holiday window displays Lavishly illustrated with photographs advertisements catalogue images and postcards Leslie Goddard s narrative brings to life the Windy City s fabulous retail past **More Than Petticoats: Remarkable New Mexico Women, 2nd** Beverly

West,2012-03-06 New Mexico has not always been the Land of Enchantment It was shaped into the great state that it is today by remarkable people throughout history More than Petticoats Remarkable New Mexico Women describes the lives of female teachers writers entrepreneurs and artists who helped to create the state of New Mexico and change the face of American history *Camera Craft* ,1922 **1950s American Style: A Reference Guide (hard cover)** Daniel Niemeyer,2012-12 Facets of the Fifties A reference guide to an iconic Decade of Movie Palaces Television Classic Cars Sports Department Stores Trains Music Food Fashion and more *Scandinavians on the Pacific, Puget Sound* Thomas Ostenson Stine,1900

Decorative Furnisher ,1929 Music Trades ,1919 *Dry Goods Merchants Trade Journal* ,1928 Biennial Report Washington (State). Bureau of Labor,1912 **Dear Emily** Louise Thomas,2010-12 Modern Refrigeration and Air Conditioning ,1909 Brazilian Bulletin ,1961 *Weekly Florists' Review* Gilbert Leonard Grant,1927 Nelson John Sugden,2013-06-11 The most authoritative and intimate portrait written of Horatio Nelson In this epic biography of British history s most celebrated naval commander acclaimed historian John Sugden separates fact from myth to offer a powerful portrait of the military hero of Trafalgar As was true of the Sugden s riveting account of Horatio Nelson s early years Nelson A Dream of Glory 2005 this comprehensive life of Lord Nelson is built from largely overlooked primary documents letters and diaries that reach across two centuries to invite us to share Nelson s multifaceted life in the Napoleonic Wars The Sword of

Albion offers the sweep and intimacy of first rate historical fiction revealing the interior lives for example of Lord Nelson's wife Fanny and family and the caring and more passionate Emma Lady Hamilton who nursed the war weary hero back to health in Naples and London after his brilliant victory over the Spanish fleet at Cape St Vincent in 1797 and the stunning defeat at Tenerife that cost Nelson his right arm Today's reader comes to understand that every obstacle in Nelson's path was attacked head on with an Achilles like ferocity and resolve Yet his life was no steady upward trajectory it was instead plagued by injuries and debt for the commoner admiral in a royal navy and English society dominated by lineage and property As Sugden points out His life was a mission with the essence of a tour de force hurrying toward a bloody climax that would change the fate of empires *Rocky Mountain Druggist* ,1918 *The Carpet and Upholstery Trade Review* ,1894

Service and Style Jan Whitaker,2007-04-01 Downtown department stores were once the heart and soul of America's pulsing Broadways and Main Streets With names such as City of Paris Penn Traffic The Maze Maison Blanche or The Popular they suggested spheres far beyond mundane shopping Nicknames reflected the affection customers felt for their favorites whether Woodie's Wanny's Stek's O T's Herp's or Bam's The history of downtown department stores is as fascinating as their names and as diverse as their merchandise Their stories encompass many themes the rise of decorative design new career paths for women the growth of consumerism and the technological ingenuity of escalators and pneumatic tubes Just as the big stores made up their own small universes their stories are microcosmic narratives of American culture and society The big stores were much more than mere businesses They were local institutions where shoppers could listen to concerts see fashion shows and art exhibits learn golf or bridge pay electric bills and plan vacations all while their children played in the store's nursery under the eye of a uniformed nursemaid From Boston to San Diego and Miami to Seattle department stores symbolized a city's spirit wealth and progressiveness Situated at busy intersections they occupied the largest and finest downtown buildings and their massive corner clocks became popular meeting places Their locations became the epicenters of commerce the high point from which downtown property taxes were calculated Spanning the late 19th century well into the 20th their peak development mirrors the growth of cities and of industrial America when both were robust and flourishing The time may be gone when children accompany their mothers downtown for a day of shopping and lunch in the tea room when monogrammed trucks deliver purchases for free the very same day and when the personality of a city or town can be read in its big stores But they are far from forgotten and they still have power to influence how we shop today Service and Style recreates the days of downtown department stores in their prime from the 1890s through the 1960s Exploring in detail the wide range of merchandise they sold particularly style goods such as clothing and home furnishings it examines how they displayed promoted and sometimes produced goods It reveals how the stores grew why they declined and how they responded to and shaped the society around them
