More Than Meets the Eye Thomas L. Larry, 2023-06-12 Misunderstandings of biblical creation texts have resulted from a lack of appreciation of the cultural context of the inspired writers Views of nature have changed greatly over history At the time of ancient Israel people gazed up to the star-studded firmament that separated the waters above from the waters below and the land Land was bounded by sea which merged with the waters above at the horizon The universe was close and intimate Pagan peoples believed gods occupied this realm and accounted for much of observed cause and effect Biblical

writers also viewed nature in this context However they were distinctly monotheistic writing of a supreme God who made and gave meaning to everything God chose a covenant relationship with a select people This relationship was based on belief in God faith Fast forward through many twists and turns of intellectual history and we come to the modern scientific age We picture our home as a spherical planet rotating once a day and orbiting the sun yearly We gaze out at a vast space seeing distant suns the stars and enormous collections of stars galaxies Light travels at a known speed thus astronomers peer back to times billions of years in the past We need to avoid concordism conflating modern views with the biblical text The concordism error has occurred throughout church history up to the present The book addresses this as well as some discoveries of modern science that were unknown to ancient people Such discoveries give us good reason to bow in awe before the Creator Even though mankind's views of nature have greatly changed with time the message of the Bible is the same We come to God through faith as did Abraham who saw more than meets the eye *More Than Meets the Eye* Yvette Adams,2006 Frederick William Adams battled his whole life with a severe sight disability and people who did not want to see him achieve his dreams to be one of the best wrestlers New Zealand has ever had In an era where wrestling enjoyed unwavering popularity Bill wrestled his way to the top of the pile in an exceptionally long lasting and eventful sporting career which included winning the national title in the highly contested lightweight division nine times beating a heavy weight on more than one occasion competing in a national championship aged 61 and being selected for the biggest sporting event New Zealand had ever seen the 1950 Empire Games in Auckland only to be dropped amid allegations and controversy *More Than Meets the Eye (A Patchwork Family Novel Book #1)* Karen Witemeyer,2018-06-05 Many consider Evangeline Hamilton cursed Orphaned at a young age and possessing a pair of mismatched eyes one bright blue the other dark brown Eva has fought to find her way in a world that constantly rejects her Yet the support of even one person can help overcome the world's judgments and Eva has two Seth and Zach two former orphans she now counts as brothers Seeking justice against the man who stole his birthright and destroyed his family Logan Fowler arrives in 1880s Pecan Gap Texas to confront Zach Hamilton the hardened criminal responsible for his father's death Only instead of finding a solitary ruthless gambler he discovers a man not much older than himself with an unusual family When Zach's sister Evangeline insists on dousing Logan with sunshine every time their paths cross Logan finds his quest completely derailed Who is truly responsible for his lost legacy and will restoring the past satisfy if it means forfeiting a future with Evangeline *MORE THAN MEETS THE EYE* Alyssa Day,2024-11-30 A small town mystery with laughter kissing mayhem and magic When private investigator and tiger shapeshifter Jack Shepherd has to make the biggest decision of his life everybody in Dead End the quirkiest town in Florida wants to offer their advice But when Jack's girlfriend pawnshop owner Tess Callahan discovers a dead body in her garage all decisions are on hold until Jack and Tess with the help of their friends and family can solve the mystery And did we mention the werewolves Because nothing will stop justice in Dead End and sometimes it takes a Tiger's Eye to see the truth
