Teaching with the Common Core Standards for English Language Arts, Grades 3-5 Lesley Mandel Morrow, Karen K. Wixson, Timothy Shanahan, 2012-11-29 Nearly every state has independently adopted the Common Core State Standards (CCSS), making this practical guide an indispensable resource for grades 3-5 teachers and teachers in training. Leading authorities explain each of the English language arts (ELA) standards and vividly show how to implement them. The book is filled with grade-specific classroom vignettes, instructional strategies and activities, sample lesson plans and discussion questions. Chapters cover the major ELA strands: reading literature, informational texts and foundational skills; writing; speaking and listening; and language. Issues of assessment and technology integration are also explored. An appendix includes thematic units for each grade level demonstrating ways to embed CCSS ELA standards into content area instruction. See also *Teaching with the Common Core Standards for English Language Arts PreK-2* *English Teaching Forum*, 2006 *Teaching Modern Languages to Young Learners* Marianne Nikolov, European Centre for Modern Languages, 2007-01-01 This book is targeted at modern languages teachers of primary school children and focuses on curricula and syllabi as well as on teaching materials and methodology. The first six papers focus on teacher education, curricula and teacher development in pre-service and in-service programs, whereas the last four papers examine curricula, teaching materials and projects in primary schools.
