James McBride, 2014-02-11 August 1914 Britain is aflame with war and patriotism Men from all over the country rush to enlist volunteering to fight for King and country Most are young and innocent and cannot possibly foresee the horrors that await them on the bloody battlegrounds of the Western Front How many of them will survive Brothers Tom and David Duke have spent most of their lives playing rugby together With the advent of war however they too choose to enlist each for his own reason Tom has an insatiable lust for adventure and David simply cannot let his brother go to war without him They become soldiers and together will face the untold horrors of the First World War Their innocence and boundless enthusiasm propel them into the infamous Battle of the Somme in 1916 The following year they face the unspeakable horror of Passchendaele a name that would become synonymous with the ineffable futility of the Great War What began as patriotic adventure becomes a fight for survival The brothers cannot escape the brutal reality of war which has unforeseen and tragic consequences for them and the people they love most Based on the official war diaries of the Eleventh Battalion the London Regiment this historical novel tells a gripping story of the true tragedy of the Great War The Blue Jeans Gospel Rob Cruver, 2015-09-08 Are you ready to view faith and Christianity in the same way you would your favorite pair of jeans Comfort is essential and so is joy In The Blue Jeans Gospel author Rob Cruver cuts through misunderstandings and complicated rules and practices of modern Christianity by focusing on its core message of loving living and serving others In this inspiring book Cruver invites you to love live and serve as Jesus did Through scripture and personal stories Rob Cruver shows us how to develop a comfortable relationship with Jesus He teaches us about love and how we should live rationally with forgiveness and humility He also encourages us to do this even when the blue jeans aren t necessarily that comfortable The author s straightforward message of compassion and understanding is both refreshing and uplifting The Writings of Thomas

J. Trafford,2018-08-31 Rome 68 AD Slaughtering hundreds of civilians at the gates of Rome is hardly the best introduction for new Emperor Galba to his city However the aged ruler is determined to get on with clearing up the mess Nero left Assisting him are his three men Vinus Laco and Icelus Also in his entourage one Marcus Salvius Otho Jovial charming and fatally reckless Otho is armed with a killer idea Wouldn t it be marvellous if the childless Galba adopted

him as his heir Appointing old pal Epaphroditus as his campaign manager Otho sets about winning hearts and minds in his own unique cheery way For Epaphroditus it is a harmless way of enlivening his post Nero retirement either Galba makes Otho his heir or he doesn't What could possibly go wrong For once the former Palace manipulator has fatally miscalculated These are paranoid times and Otho's harmless plan is about to bring Rome to its knees **Becoming Half Hidden** Daniel Merkur,2014-03-18 First Published in 1993 This study seeks to analyze shamanism and initiation from the perspective of shamans rather than from the laity's point of view One of the aims of this research has been to get behind the shamans language in order to understand their experiences Italian Foreign Policy Federico Chabod,2014-07-14 Federico Chabod 1901-1960 was one of Italy's best known historians noted for his study of Italian history in a European context This is the first English translation of his most important book Although he carried out his extensive archival research for this work from 1936 until 1943 the fall of fascism and Chabod's active participation in the Resistance delayed its completion When it was published in 1951 it was immediately hailed as a masterpiece Chabod intended to write a new kind of diplomatic history one in which political history is seen as part of a larger historical whole He does not present a detailed chronological account of Italian foreign policy during the period studied but rather the moral and material underpinnings of that policy In fact he crafts a highly developed portrait of an age with the real subjects being the Italian state and society the ruling class and political culture This work offers readers a superb picture of post-Risorgimento Italy and an outstanding example of Chabod's historiographical method Originally published in 1996 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Hijacking Japan** Christopher Hood,2017-02-26 It was meant to be a chance to escape the hustle and bustle of Tokyo Nicola was working hard as an English teacher in Japan she desperately needed a holiday A long weekend with her boyfriend Akira and two other friends Mai and Masashi seemed ideal The four of them would travel by Japan's safest form of transport the shinkansen bullet train before boarding a ferry for the trip across to the quiet island of Sado However Nicola and her friends could never imagine that they would become caught up in a hijacking Why would someone want to hijack this train How would Nicola and her friends respond to being on a hijacked train Would the police be able to catch those responsible Hijacking Japan follows events in a real time format during a dramatic day that threatens to bring the Japanese government to its knees **Stories from the Night Land Revised** William Hope Hodgson, **The Wonderful Life (Christmas Classic)** Hesba Stretton,2015-11-29 This carefully crafted ebook The Wonderful Life Christmas Classic is formatted for your eReader with a functional and detailed table of contents Hesba Stretton was the pen name of Sarah Smith 1832-1911 an English writer of
