From Boardbook to Facebook Adele M. Fasick, 2011-07-13 Discover new approaches for extending children s library services beyond the library building and learn how to utilize technology to bring learning to children wherever they may be The ways in which we communicate learn and interact have changed drastically in the last decade and this worldwide revolution applies to the youngest members of society as well Today s books and learning materials are being presented and used in new and different ways From the toddler s first boardbooks to the young teen s conversations on Facebook children are interacting with print and media rather than passively listening or viewing Libraries can contribute to this interactive world by inviting children to take an active role in their library collection and library service experiences This book examines the impact of new technologies on children s experiences of books and libraries and demonstrates how librarians can adapt to new technologies and integrate library services into the lives of today s children *From Boardbook to Facebook Children s Services in an Interactive Age* draws on current research to illuminate how children s use of media has changed in recent years and suggests ways in which new technologies can be integrated into library services now and in the future

Youth-Serving Libraries in Japan, Russia, and the United States Lesley S.J. Farmer, N. I. Gendina, Yuriko Nakamura, 2012 In recent years interest in International Librarianship has grown rapidly and will continue to grow as globalization influences education and librarianship In countries around the world public and school libraries have unique roles and their staffs collaborate across types of libraries to varying degrees Library staff preparation training and ongoing learning and organization of youth serving librarians mirror each country s values and priorities The essays in *Youth Serving Libraries in Japan Russia and the United States* address the universal and culture specific aspects of library services to children and

teens in these three countries This collection shows how libraries have developed in light of each country's political educational and social history They examine how government and citizen roles in youth serving libraries also reflect culturally defined social structures The chapters highlight unique collections and services within each country and also show how librarians deal with the challenges they encounter both from within their culture as well as from outside including natural disasters Each country's authors discuss contemporary issues that face youth serving libraries such as information literacy reading in a multimedia world and the overarching influence of technology This book will be of interest to youth serving librarians around the world library educators and for those studying international and young adult librarianship

Make Room for Teens! Michael Garrett Farrelly, 2011-02-18 This collection of thoughtful essays discusses library trends and best practices in creating dynamic effective and enjoyable spaces for young adults Young adult librarians face a wide array of issues when planning spaces for teen patrons At the same time the digital divide has shrunk for many Americans in the past decade and libraries are expected to keep up by providing more open access to mobile technologies digital books and online information certainly a formidable challenge *Make Room for Teens Reflections on Developing Teen Spaces in Libraries* serves as a thought provoking tool for librarians who seeking guidance in creating maintaining and updating young adult spaces in their libraries The essays contained within this book discuss the topic in clear language that is free from jargon emphasizing illustrative and sometimes humorous anecdotes experiential learning and best practices Rather than a how to guide the book provides a comprehensive thought exercise for librarians looking to better understand and create spaces for young adults and teenagers Subjects addressed include important issues like common space collection development and the ways in which teens own a space giving librarians an invaluable understanding of what a library space really says to young adults

Success with Library Volunteers Leslie Edmonds Holt, 2013-12-12 Covering principles practical guidelines and best practices for establishing and operating a successful library volunteer program in any type of library this is a must have resource for the 21st century librarian In these tough economic times librarians must maximize the potential of their volunteer programs This innovative guide not only provides readers with the practical information they need to recruit manage and retain effective volunteers but also demonstrates how to create a dynamic volunteer program one that offers purposeful work and emphasizes rewards rather than rules and forms Illustrated by best practices this book also offers practical guidelines for evaluating the success of a volunteer program in terms of the library's benefit and in terms of the experience from the volunteer's point of view

Library Service to Tweens Melanie A. Lytle, Shawn D. Walsh, 2017-02-13 This comprehensive guide to tween library services begins with a developmental description of this ever changing group and offers practical advice about materials and programming Criteria are provided for categorizing books music movies and magazines as appropriate for tweens with special attention given to the reluctant reader The authors discuss how to determine where tween services fit within the broader spectrum of youth services and how to provide support
