*RETURN TO ARROW RIVER* Paul Krebill,2010-06-30 Andrew McEwan had left his home on the Arrow River in New Zealand in the 1880 s to seek his fortune in the gold fields of Montana Now his great grandson has come to Montana from New Zealand to trace the story of Andrew McEwan who having fled from Montana for fear of his life had entered upon a long and perilous journey to return to New Zealand and to his home on Arrow River While this story is a continuation of the lives of Max and Bronwyn of *A PLACE CALLED FAIRHAVENS* as well as a further account of those who played a part in *HARRY S LEGACY* this is a complete story in its own right and can be enjoyed without having read the previous novels *U-Turn* Paul Krebill,2012-06-27 Two young friends in love separate unhappily after high school graduation One to pursue his dream of wealth and prestige as he seeks the glitter of big city America The other to remain in her beloved hometown on the banks of the Yellowstone River in southern Montana Almost a lifetime later their divergent pathways come together surprisingly in

connection with the homestead cabin in which they had played as children The struggles and twists in their life journeys eventually bring about a convergence of their two pathways But can this convergence after so many years bring the changes in values and goals needed to align their lives once again What will come of these U turns in their roadways And incidentally what happened to the homestead cabin     Sylva Paul Krebill,2008-12-17 A young woman living under the tight control of a radical cult in Indiana is abducted by a man claiming to be her uncle He forces her to flee with him across the country in a series of stolen vehicles This act of evil which turned violent broke the bonds of her imprisonment within the abusive religious cult of her childhood While on the road her abductor wanted for murder becomes desperate Suddenly this accident of fate turns fortunate and releases Sylva to freedom in the forest and farmland of central Montana This surprising turn of events is both fortunate for her and fortunate for the town of Harrington into whose bosom she is thrust With the help of new found friends she becomes established as a much respected member of the community Both she and Harrington will be the better for the act of evil and the accident of good fortune which brought her to Montana But who is this newcomer who seems to do so much to make Harrington a better place to live for a diversity of people Just where had she come from Her new neighbors cannot quite comprehend And yet the good she does deeply affects Harrington and transforms the lives of many of its citizens in ways which no one could have predicted     **Biblical Project Management** Kenrick H.
