Benjamin E. Park

Mormon Americana:

Mormon Americana David J. Whittaker, 1995 The Mormon People Matthew Bowman, 2012-01-24 From one of the brightest of the new generation of Mormon studies scholars comes a crisp engaging account of the religion's history The Wall Street Journal With Mormonism on the nation's radar as never before religious historian Matthew Bowman has written an essential book that pulls back the curtain on more than 180 years of Mormon history and doctrine He recounts the church's origins and explains how the Mormon vision has evolved and with it the esteem in which Mormons have been held in the eyes of their countrymen Admired on the one hand as hardworking paragons of family values Mormons have also been derided as oddballs and persecuted as polygamists heretics and zealots The place of Mormonism in public life continues to generate heated debate yet the faith has never been more popular One of the fastest growing religions in the world it retains an uneasy sense of its relationship with the main line of American culture Mormons will surely play an even greater role in American civic life in the years ahead The Mormon People comes as a vital addition to the corpus of American religious history a frank and balanced demystification of a faith that remains a mystery for many With a new afterword by the author Fascinating and fair minded a sweeping soup to nuts primer on Mormonism The Boston Globe A cogent judicious and important account of a faith that has been an important element in American history but remained surprisingly misunderstood Michael Beschloss A thorough stimulating rendering of the Mormon past and present Kirkus Reviews A smart lucid history Tom Brokaw **Mormon History** Ronald Warren Walker, David J. Whittaker, James B. Allen, 2001

American Universities and the Birth of Modern Mormonism, 1867-1940 Thomas W. Simpson, 2016-08-26 In the closing decades of the nineteenth century college age Latter day Saints began undertaking a remarkable intellectual pilgrimage to the nation's elite universities including Harvard Columbia Michigan Chicago and Stanford Thomas W Simpson chronicles the academic migration of hundreds of LDS students from the 1860s through the late 1930s when church authority J Reuben Clark Jr himself a product of the Columbia University Law School gave a reactionary speech about young Mormons search for intellectual cultivation Clark's leadership helped to set conservative parameters that in large part came to characterize Mormon intellectual life At the outset Mormon women and men were purposefully dispatched to such universities to gather the world's knowledge to Zion Simpson drawing on unpublished diaries among other materials shows how LDS students commonly described American universities as egalitarian spaces that fostered a personally transformative sense of freedom to explore provisional reconciliations of Mormon and American identities and religious and scientific perspectives On campus Simpson argues Mormon separatism died and a new modern Mormonism was born a Mormonism at home in the United States but at odds with itself Fierce battles among Mormon scholars and church leaders ensued over scientific thought progressivism and the historicity of Mormonism's sacred past The scars and controversy Simpson concludes linger **Americana** , 1910 **The Americana** , 1923 The Mormon People Matthew Burton Bowman, 2012 A

religious historian explores the 180 year history of Mormonism discussing the church's origins and development its position as one of the fastest growing religions in the world and its connection to American life **Americana** National Americana Society,1909

The Oxford Handbook of Mormonism Terryl L. Givens, Philip L. Barlow, 2015-10-01 Winner of the Best Anthology Book Award from the John Whitmer Historical Association Winner of the Special Award for Scholarly Publishing from the Association for Mormon Letters Scholarly interest in Mormon theology history texts and practices what makes up the field now known as Mormon studies has reached unprecedented levels making it one of the fastest growing subfields in religious studies In this volume Terryl Givens and Philip Barlow two leading scholars of Mormonism have brought together 45 of the top experts in the field to construct a collection of essays that offers a comprehensive overview of scholarship on Mormons The book begins with a section on Mormon history perhaps the most well developed area of Mormon studies Chapters in this section deal with questions ranging from how Mormon history is studied in the university to the role women have played over time Other sections examine revelation and scripture church structure and practice theology society and culture The final two sections look at Mormonism in a larger context The authors examine Mormon expansion across the globe focusing on Mormonism in Latin America the Pacific Europe and Asia in addition to the interaction between Mormonism and other social systems such as law politics and other faiths Bringing together an impressive body of scholarship this volume reveals the vast range of disciplines and subjects where Mormonism continues to play a significant role in the academic conversation The Oxford Handbook of Mormonism will be an invaluable resource for those within the field as well as for people studying the broader ever changing American religious landscape **Mormons and Popular Culture** J. Michael Hunter, 2012-12-05 Many people are unaware of how influential Mormons have been on American popular culture This book parts the curtain and looks behind the scenes at the little known but important influence Mormons have had on popular culture in the United States and beyond Mormons and Popular Culture The Global Influence of an American Phenomenon provides an unprecedented comprehensive treatment of Mormons and popular culture Authored by a Mormon studies librarian and author of numerous writings regarding Mormon folklore culture and history this book provides students scholars and interested readers with an introduction and wide ranging overview of the topic that can serve as a key reference book on the topic The work contains fascinating coverage on the most influential Mormon actors musicians fashion designers writers artists media personalities and athletes Some topics such as the Mormon influence at Disney and how Mormon inventors have assisted in transforming American popular culture through the inventions of television stereophonic sound video games and computer generated animation represent largely unknown information The broad overview of Mormons and American popular culture offered can be used as a launching pad for further investigation researchers will find the references within the book's well documented chapters helpful **Americana, American Historical Magazine** ,1906

Mormons and Mormonism Eric Alden Eliason, 2001 The ideal introduction to what many historians consider the most

innovative and successful religion to emerge during the spiritual ferment of antebellum America

The Encyclopedia Americana, 1920

American Zion Benjamin E. Park, 2024-01-16 New Yorker Best Books of 2024 The first major history of Mormonism in a decade drawing on newly available sources to reveal a profoundly divided faith that has nevertheless shaped the nation The Church of Jesus Christ of Latter day Saints was founded by Joseph Smith in 1830 in the so called burned over district of upstate New York which was producing seers and prophets daily Most of the new creeds flamed out Smith s would endure becoming the most significant homegrown religion in American history How Mormonism succeeded is the story told by historian Benjamin E Park in American Zion Drawing on sources that have become available only in the last two decades Park presents a fresh sweeping account of the Latter day Saints from the flight to Utah Territory in 1847 to the public renunciation of polygamy in 1890 from the Mormon leadership s forging of an alliance with the Republican Party in the wake of the New Deal to the Mormon moment of 2012 which saw the premiere of The Book of Mormon musical and the presidential candidacy of Mitt Romney and beyond In the twentieth century Park shows Mormons began to move ever closer to the center of American life shaping culture politics and law along the way But Park s epic isn t rooted in triumphalism It turns out that the image of complete obedience to a single earthly prophet an image spread by Mormons and non Mormons alike is misleading In fact Mormonism has always been defined by internal conflict Joseph Smith s wife Emma inaugurated a legacy of feminist agitation over gender roles Black believers petitioned for belonging even after a racial policy was instituted in the 1850s that barred them from priesthood ordination and temple ordinances a restriction that remained in place until 1978 Indigenous and Hispanic saints the latter represent a large portion of new converts today have likewise labored to exist within a community that long called them Lamanites a term that reflected White centered theologies Today battles over sexuality and gender have riven the Church anew as gay and trans saints have launched their own fight for acceptance A definitive character driven work of history American Zion is essential to any understanding of the Mormon past present and future But its lessons extend beyond the faith as Park puts it the Mormon story is the American story

A Guide to Mormon Family History Sources Kip Sperry, 2011-01-01 Never before has the wide array of Mormon family history sources been gathered into one comprehensive and easy to use guide In A Guide to Mormon Family History Sources author professor and lecturer Kip Sperry explains electronic databases websites microfilm collections indexed and more all relating to the Latter day Saint family history Whether you are taking your first step into your Latter day Saint ancestry your fiftieth or your five hundredth A Guide to Mormon Family History Sources will lead you to something new

International Dictionary of Library Histories David H. Stam, 2001-11-01 Following the format of Fitzroy Dearborn s highly successful International Dictionary of Historic Places and International Dictionary of University Histories the International Dictionary of Library Histories provides basic information for each institution location and holdings followed by an extensive 1 000 5 000 word essay on its history as well as a Further Reading list In addition the dictionary includes introductory articles on the

history of various types of libraries and a library history in various regions of the world The dictionary profiles more than 200 institutions from around the world including the world's most important research libraries and other libraries with globally or regionally notable collections innovative traditions and significant and interesting histories The essays take advantage of the growing scholarship of library history to provide insightful overviews of each institution including not only the traditional values of these libraries but their innovations as well such as developments in automated systems and electronic delivery The profiles will emphasize the unique materials of research in these institutions archives manuscripts personal and institutional papers The introductory articles on types of libraries include topics ranging from theological libraries to prison libraries from the ancient to the digital An international team of more than 200 leading scholars in the field have contributed essays to the project

Mormon Americana David J. Whittaker, 1994

Historical Dictionary of Mormonism Davis Bitton, Thomas G. Alexander, 2008-10-23 Clearing up many of the misconceptions held about Mormonism and its members the third edition of the Historical Dictionary of Mormonism expands on the second edition and includes hundreds of cross referenced dictionary entries on crucial persons organizations churches beliefs and events

Excavating Mormon Pasts Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century

The A to Z of Mormonism Davis Bitton, Thomas G. Alexander, 2009-11-25 Mormonism is the unofficial name for The Church of Jesus Christ of Latter Day Saints which originated in the early 1800s Mormonism refers to the doctrines taught by Joseph Smith doctrines that are believed to be original gospel preached by Jesus Christ The Mormons oppose abortion homosexuality unmarried sexual acts pornography gambling tobacco consuming alcohol tea coffee and the use of drugs Despite its relatively young age the Mormon Church continues to grow and today it contains about 13 million members The A to Z of Mormonism relates the history of the Mormon church through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on crucial persons organizations churches beliefs and events Clearing up many of the misconceptions held about Mormonism and its members this is an essential reference

Whispering the Secrets of Language: An Psychological Journey through **Mormon Americana**

In a digitally-driven world where monitors reign supreme and immediate interaction drowns out the subtleties of language, the profound secrets and mental nuances hidden within phrases frequently get unheard.
