Mormonism 101 Examining The Religion Of The Latter Day Saints:

Mormonism 101 Bill McKeever, Eric Johnson, 2000-05 Is Mormonism a Protestant denomination This handbook details Mormon belief and reveals how it diverges significantly from Christian orthodoxy **Mormonism 101 for Teens**

, 2016-05-01 Taking a look at the religion of The Church of Jesus Christ of Latter day Saints from an Evangelical Christian position Meant to simplify the religion that would allow those with little to no understanding to comprehend the basics

Field Guide to the Wild World of Religion Pamela Dewey, 2013-02 The American religious scene in 1955 was a very tame and predictable world It matched the tame predictable world of women s clothing where most women going out shopping wore a dress with coordinating gloves hat and shoes And it matched the tame predictable world of children s toys where almost every young girl yearned for a baby doll that said Ma Ma and almost every boy needed a coonskin cap Choices of fashions toys preachers and churches were limited and domesticated Fifty years later the tame predictable world of 1950s fashions and toys is long gone Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts And both boys and girls want the latest Sponge Bob Square Pants video game The same kind of transformation has gone on in the world of religion It is no longer tame and predictable either Welcome to the Wild World of Religion of the 21st Century Explore its habitats identify some of the inhabitants and learn about their characteristics and customs in this Field Guide

Introducing Christianity to Mormons Eric Johnson, 2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they ve already found it When witnessing to current or former members of The Church of Jesus Christ of Latter day Saints it s essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ For every believer who prays for loved ones in the LDS Church or loved ones who gave up on religion after leaving Mormonism *Introducing Christianity to Mormons* is the guidebook you need to witness to them Inside you ll find real life conversations that give you helpful ideas for what to say in your discussions contrast points between Mormonism and Christianity that illuminate God s truth biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church Get ready to present the case for Christianity with confidence and grace This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community Answering Mormons' Questions Bill McKeever, Eric Johnson, 1983 The Church of Jesus Christ of Latter Day Saints currently boasts millions of members thousands of missionaries and congregations on every continent as well as in the vast majority of the world s countries It s clear that their influence is still growing in our communities places of business and in the political arena It s also clear that Christians need to be prepared to answer questions from Mormon friends neighbors co workers and from fellow believers as well In this updated and expanded edition of McKeever s popular and practical book authors Bill McKeever and Eric Johnson provide ready responses to the common questions Mormons ask With more than six decades of combined experience the authors tackle

such tough questions as Why don't you accept Mormons as Christians? Do you believe Mormonism is a cult? If the LDS church is not true, which church is? How can you explain the many contradictions found throughout the Bible? After offering analysis and responses to these and other questions, McKeever and Johnson provide helpful appendices that summarize Mormon beliefs, provide 101 Bible references to use in conversation, and expose common logical fallacies. Originally published in the 1980s, this volume has been and will continue to be a classic resource to help Christians become more successful in sharing their faith with Mormons.

The Evangelical Dictionary of World Religions H. Wayne House, 2019-02-19 With all of the different religions, sects, denominations, and belief systems out there, it can be difficult to separate the facts from mere opinion, especially if one is relying solely on online sources which may or may not be vetted and which often have an ideological or political slant to them. How can we truly understand if we cannot even be sure we are getting the facts straight? In this comprehensive resource, more than 75 evangelical scholars offer a thoroughly researched guide to Christianity, other world religions, and alternative religious views, including entries on movements, theological terms, and major historical figures. Perfect for pastors, students, and anyone who wants ready access to information on today's religious landscape.

Taking Religious Pluralism Seriously Barbara A. McGraw, Jo Renee Formicola, 2005 The clash between the religious right and the secular left undermines any serious debate about the role of religion in American public life. Such strident cultural rhetoric often ignores the positive contributions of America's many religions. By contrast, this volume celebrates America's religious diversity, demonstrating that religious pluralism is actually one of democracy's basic building blocks. *Taking Religious Pluralism Seriously* expands on Barbara A. McGraw's framework for understanding religious participation in public life: a two-tiered public forum consisting of the civic public forum and the conscientious public forum. The chapters explore how diverse religious communities and traditions, including newer and marginalized religions, can make a meaningful contribution to American society and politics.

Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp, 2011-12-13 It's the Christmas season, the most wonderful time of the year for most people in River City, California. But for Jehovah's Witnesses, Lawrence and Brad, it's a time for them to try to explain the truth about this holiday season to the people of the community. Their earnest efforts may earn them ridicule, disagreement, or a door slammed rudely in their faces, but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovah's coming Kingdom. Whereas for Elders Skousen and Marshall, two Latter-day Saint Mormon missionaries, the season is another opportunity to share their Church's distinctive interpretation of the Christian gospel, but their efforts are often rebuffed as well. In the course of their work, these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ, the Community of Christ, RLDS, Seventh-day Adventists, and Oneness Pentecostals, not to mention skeptics, atheists, and the increasing numbers of people who lack any particular religious beliefs. But when a local church brings in a researcher to give a series of lectures on cults, and specifically targeting the Jehovah's Witnesses and Mormons, a confrontation is ensured where

theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel A Multicultural Christmas will be pleased to see a brief reappearance of two characters from that book

Engaging with Mormons Corey Miller,2020-11-01 Many people see Mormons as just another branch of the Christian church and to be admired perhaps for their family life morality and upright culture But the theology and spirituality of this cult are very far from an orthodox biblical understanding of true saving faith And yet Christians are often fearful of engaging in conversations about the gospel with Mormons knowing that there are suspicions and complex issues that lie beneath the surface This short book is designed to help both Christians and whole churches to understand more about the beliefs mindset and motivations of those who are members of the Church of Jesus Christ of the Latter Day Saints Mormons and to reach out to them with the good news of the gospel Written at a level that everyone can understand this book emphasizes the importance of forming loving honest and open relationships as part of the way we engage with our Mormon friends and neighbors and with those who may come knocking at our doors

Confident Faith Mark Mittelberg,2013 In Confident Faith Mark Mittelberg assures Christians that we can be confident in our beliefs There s no reason to be timid about what we believe because our beliefs can stand up to the test Truth isn t dependent on how a person feels or one s own point of view as so many assert On the contrary we can determine truth through our five senses and that truth reliably points to a deeper and unseen reality Mark walks readers through twenty arrows that point towards Christian beliefs from the intricate design of the universe to archaeological proofs from the consistent testimony of changed lives to the reliability of the ancient documents of the Bible After studying these arrows you ll put this book down with a renewed confidence in what you believe and why it matters for eternity

Reaping the Whirlwind John R. Pottenger, 2007-07-05 As early as the sixteenth century the liberal democratic state has been forced to confront the question of religion in politics The result has been a tense and uncomfortable balancing act Today in the public square of liberal democracy a number of religious confessions and beliefs compete for attention In the American experience some sense of religious pluralism and relative social harmony has been maintained However for this relationship to prevail a tension must continue to exist one that balances the political and social pursuits of self interest with meeting the objectives of the common good In Reaping the Whirlwind John R Pottenger shows how this process began in the modern world and how societies attempt to manage this ongoing conflict The first part of the book lays the groundwork of his analysis by using examples from history to demonstrate the genesis of political and religious whirlwinds It goes on to explore contemporary case studies such as conflicts between Mormons and Evangelicals in the United States liberation theology in Latin America Islam and the state in Uzbekistan and radical Christian reconstructionism Pottenger believes that the formal institutions of liberal democracy should maintain this turbulence even as religious activism threatens to upset the balance He

concludes by advocating religious liberty and recognizing the individual and social need for expression At the same time he maintains that the survival of liberal democracy requires that these religious traditions not dominate the public sphere
