Quotes from over 60 different books by Rabbis and Jewish authors reviewed and commented on May very well be the first time that all these opinions and views have been put together in one volume A must have resource for any student of comparative religion and truth seekers The Millenarian World of Early Mormonism Grant Underwood,1999-01-15 The most detailed study yet of early Mormon thought about the end times The Millenarian World of Early Mormonism shows how Mormon views of Christ's imminent second coming exerted a profound influence on Mormonism between 1830 and 1846 By exploring how early LDS interpretation of the Bible and the Book of Mormon affected and was affected by Mormon millennial doctrines Grant Underwood provides the first comprehensive linkage of the history of early Mormonism and millennial thought He also probes LDS perceptions of the institutions and values prevalent before the Civil War reassessing Mormonism's relationship to the dominant culture and placing Mormon millennial thought in the broader context of Judeo Christian ideas about the end of the world **Method Infinite: Freemasonry and the Mormon Restoration** Cheryl L. While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry's rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith's firsthand knowledge of and experience with both Masonry and anti Masonic currents contributed to the theology structure culture tradition history literature and ritual of the religion he founded Mormonism 2010 Handbook

on Mormonism , **Good News for Latter-Day Saints (Mormons)** Robert James,2021-01-14 It is no exaggeration to say that the Mormons the Latter day Saints are a fascinating people Since 1830 they have been a part of the great mosaic of America Persecuted by mobs driven from place to place their incredible courage in the face of unrelenting hostility has wielded them into a formidable presence especially in the State of Utah Founded in New York State by the charismatic Joseph Smith Jr he said he was personally commissioned by God to restore pure Christianity to the world The Book of Mormon this most perfect book was his initial written binding revelation to his church Joseph Smith was a controversial figure in his day accused of being a fraud a racist a womanizer a disrupter of good morals and a dictator One thing he did do well was to gather people into his church make them believe in themselves and strengthen them into being a formidable force for Mormonism Smith led them through armed conflict against hostile neighbors even against government militias Gun battles and extreme violence were commonplace Eventually Joseph Smith was captured and assassinated all this by age forty Nobody was convicted of his murder Smith is perhaps the most understudied under estimated and misunderstood character in American history He was no ordinary man When his successor Brigham Young led the Latter day Saints to a place of sanctuary today s Salt Lake City Utah it was one of the most epic unifying journeys in American history In the past some of their unusual practices were total obedience to the leadership blood atonement and especially polygamy Some of these were discarded 1890 so today most Mormons are good neighbors However there are Mormon outlaws who still practice such unsavory things hoping to resume them all One goal of the early saints was to conquer Missouri next the entire country then the world Today the Mormon Church is one of the wealthiest and most powerful organizations on the planet Its influence and missionary outreach is worldwide As possibly the fastest growing faith in the world maybe someday they will succeed Then what will be next **Christianity and the Secret Teachings of the Masonic Lodge** John Ankerberg,John

Weldon,2011-09-30 Is there anything wrong with a Christian being a member of the Lodge Are you a Christian pastor who has studied Masonry found nothing wrong with it and so you have not warned your members and possibly even joined the Lodge yourself Does your church allow Masons to serve on your boards to teach the Bible in Sunday School and serve in other positions of influence and leadership In this book we will document from the Masonic Ritual the authoritative book given to a person who enters and becomes a member of the Lodge how Masonry conflicts and denies foundational Christian truths Masons are promised that nothing in Masonry s teachings will ever conflict with their own Christian belief Has Masonry lied to or deceived Christians In this book you will find answers to all these questions from the Masonic ritual and the Bible itself *Proceedings of the M.W. Grand Lodge of Ancient Free and Accepted Masons of Utah* Freemasons. Grand Lodge of Utah,1881 **Mormon Studies** Ronald Helfrich, Jr.,2021-12-30 Mormonism arose in early 19th century New York and has fired the imaginations of its devotees critics and students ever since Some intellectuals and academics read Mormonism as the product of economic change wrought by the Erie Canal in the Burned over District of western New York

State and upper north eastern Ohio Others read Mormonism as an authoritarian reaction to Jacksonian democracy Finally some including most of those who became Mormons in the early 19th century and most of those who are believing Mormons today read Mormonism as the intervention of God in human history This book engages with Mormon Studies from its beginnings in the early nineteenth century to the end of the 20th century It covers those who fought over Mormonism s truth or falsity on those who tried to understand Mormonism as a religious and sociological phenomenon and on those who explored the history of Mormonism from a more dispassionate perspective It concludes with an exploration of the culture war that erupted as Mormon Studies professionalized particularly after the 1960s **Born Again Truths** Kay Wiley

Brown,2011-02-23 BORN AGAIN TRUTHS Born into the bondage of the LDS Religion Born again of the Spirit through God s Mercy and Grace When I studied LDS history and doctrines against the Bible seeking truth to help my questioning child I found deceits and occult origins that would lead me out as well I took my petitions to God pouring out my heart to Him and pleading for direction I could see that I had caused God sorrow I told Him that I was sorry for following man and promised Him that from this day forward it will be me Jesus Christ and You God speaking to the Father Miraculously God allowed me to witness my rebirth as He instantly peeled the bondage I had been under off of me before my eyes A grayish matter fell away from me heavy toward the ground then dissipated I heard my lungs fill up with a gasp as God breathed into me A brightness then immersed me as God filled me with the Holy Spirit Such joy peace and a feeling of freedom I had never known enveloped me The scenery about me became vivid the outlines of the mountainous terrain were instantly crisp and clear I knew that my eyes had been opened I was forever changed and there would be no going back God heard my feeble prayer has saved me from spiritual blindness given me new birth and sealed me His by the Holy Spirit forever Author Kay is a wife mother and grandmother who enjoys family activities reading painting photography hunting fishing and camping

Where Were You Before The Tree of Life? Volume 6 Peter R. Farley,2011-04-04 Volume 6 of 9 These books are the first to fully map out the history of alien interaction with the Earth past present and into the near future Extending the work of noted researchers such as Erich Von Daniken and Zecharia Sitchin the book series goal is to show its readers the extensive repercussions this interaction has had on life on this planet especially its formative role in the global conspiracy known as the New World Order Equal Rites Clyde R. Forsberg,2004 Both the Prophet Joseph Smith and his Book of Mormon have been characterized as ardently indeed evangelically anti Masonic Yet in this sweeping social cultural and religious history of nineteenth century Mormonism and its milieu Clyde Forsberg argues that masonry like evangelical Christianity was an essential component of Smith s vision Smith s ability to imaginatively conjoin the two into a powerful and evocative defense of Christian or Primitive Freemasonry was Forsberg shows more than anything else responsible for the meteoric rise of Mormonism in the nineteenth century This was to have significant repercussions for the development of Mormonism particularly in the articulation of specifically Mormon gender roles Mormonism s unique contribution to the Masonic

tradition was its inclusion of women as active and equal participants in Masonic rituals Early Mormon dreams of empire in the Book of Mormon were motivated by a strong desire to end social and racial discord lest the country fall into the grips of civil war Forsberg demonstrates that by seeking to bring women into previously male exclusive ceremonies Mormonism offered an alternative to the male dominated sphere of the Master Mason By taking a median and mediating position between Masonry and Evangelicism Mormonism positioned itself as a religion of the people going on to become a world religion But the original intent of the Book of Mormon gave way as Mormonism moved west and the temple and polygamy indeed the quest for empire became more prevalent The murder of Smith by Masonic vigilantes and the move to Utah coincided with a new imperialism and a new polygamy Forsberg argues that Masonic artifacts from Smith s life reveal important clues to the precise nature of his early Masonic thought that include no less than a vision of redemption and racial concord

which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions There is in Mackey s Encyclopaedia of Masonry well digested well arranged and confined within reasonable limits all that a Mason can desire to find in a book exclusively devoted to the history the arts science and literature of Masonry This is volume one out of four and covering the letters A to C

The Mormon Delusion. Volume 3. Discarded Doctrines and Nonsense Revelations. Jim Whitefield, 2012-10-01 This is the third in a series of books exposing the truth behind Mormonism In this volume we review doctrines that have been discarded To early Mormons Adam was God and blood atonement was a stark reality These were accepted doctrines which survived for several decades throughout the leadership of several successive prophets Today the Church denies they even existed The origin of the Mormon temple ceremony is established and explained An analysis of changes over the years shows that the rites now enacted bear no resemblance to the original ceremonies Joseph Smith lifted from late eighteenth century Masonic ritual claiming they were restored from the time of Solomon The psychology of a Mormon testimony is explored and explained Sections of the Doctrine and Covenants are exposed as completely unfulfilled nonsense that Mormons simply cannot see through as long as blind faith precludes rational thinking Visit www.themormondelusion.com for further information on this and other volumes
