**Morning Comes Softly LP** Debbie Macomber, 2008-04-08 A shy Louisiana librarian Mary Warner fears she'll always be alone so she answers a personal ad from a rancher in Montana. Marrying a man she's never met is reckless but something about him calls to her. Tragedy made Travis Thompson the guardian of three orphaned children. Determined to keep the kids out of foster care, he places the ad and is surprised to marry a mysterious southern woman sight unseen. It could be the mistake of a lifetime but Mary might be what this broken family needs. With a little faith, a little trust, and a lot of love, two lonely hearts might just discover the true meaning of miracles. **Morning comes softly , Morning Comes Softly 18**

**Cpy Disp** Macomber, Love Comes Softly (Love Comes Softly Book #1) Janette Oke, 2003-04-01 Love Comes Softly introduced the characters of Marty and Clark Davis whose tragic circumstances brought them to a marriage of convenience on the frontier prairies during the mid 1800s. The story of how Clark's patient, caring love mirrored that of the heavenly Father, drawing Marty to faith and to love, has captured the hearts and imaginations of over one million readers. On Book One alone. *Angel Sightings* Michael Skinner, 2009-01-26 *Angel Sightings* is a book in four parts containing poems that celebrate the wonder of nature and spirituality. *When Morning Comes* Francis Ray, 2012-06-05 In her unforgettable new novel *When Morning Comes*, Francis Ray delivers an emotionally powerful tale about the families we build, the choices we make, and how we find love and family along the way. Dr. Cade Mathis learned early that he was not the son of the man who raised him. His adoptive father, a cruel, bitter man, had always been quick to tell him that he was a bastard and an embarrassment to the rich, society family whose daughter got pregnant with him. So when Cade received a full scholarship to college, he was only too happy to leave the only home he had ever known behind and never looked back. Now a successful doctor and one of the best neurosurgeons in the state, the only thing he still wants are answers about where he came from. What he doesn't expect to find is Sabrina Thomas, the new patient advocate at his hospital, or how this woman will lead him to the family he has been searching for and a love he never expected to find. **Someday Soon** Debbie Macomber, 2009-10-13 Fall in love with the first book in Debbie Macomber's Deliverance Company series featuring a romance between a mercenary and a widow inexplicably drawn together. Cain McClellan had chosen his lifestyle. He thrived on the challenge, the rush that came with putting his life in incredible danger. No woman, he told himself, could make him feel the way he did after a successful mission, no matter how beautiful she was. So why was he standing on a cold pier like a lovesick teenager, hoping for a glimpse of Linette Collins? But then he saw her and the sight of her took his breath away. The wind whipped her lustrous dark hair about her face, and she lifted a finger to wrap a thick strand behind her ear. The smart thing to do was turn around and walk away as fast as his feet would carry him. He'd gotten what he wanted. One last look at her. His curiosity should be satisfied. But even as his mind formulated the thought, Cain knew that just seeing Linette again could never be enough.
