## Morning Of The Gods:

Good Morning, God! Ginger Hurta, 2015-10-28 Do you have a friend in your life with whom you just love to spend times someone with whom you can pour out your heart and who will understand because he or she loves you After your visit you feel as if all your problems are solved and the weight of the world has been lifted off your shoulders You have such a friend He is your Father in heaven and He wants to spend time with you and hear the desires of your heart He wants to comfort and guide you Good Morning God is a wonderful way to begin your day By spending just a few minutes each morning you'll embark on your day filled with the Word of God and prayer You will feel a closeness to the Lord that will linger throughout the day As trials and temptation appear you will have the strength of the Lord to overcome whatever the world throws at you Instead of letting the daily grind and craziness get you down your day will be overflowing with the Holy Spirit and the joy of the Lord Your heart will be lifted and you will experience a feeling of exuberance like never before The Lord wants a close personal relationship with you He wants to shower you with His blessings He wants to be there for you in every circumstance Spend time alone with Him today and see what blessings He has in store for you God bless you on your journey in His Word and prayer Good Morning... God Pamela Steinke, 1990 *Morning and Evening Meditations from the Word of God* Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God **Good Morning God** Rick Coram, 2016-07-01 How do you begin your morning The way you begin your day has a significant impact on how the rest of your day goes That is one reason why it is of utmost importance for a child of God to begin their day with God In Psalm 5:3 David declared My voice shall you hear in the morning Oh Lord David understood the importance of meeting the Lord in the morning In Psalm 63:1 he said Oh God early will I seek you We are living in a volatile and vicious generation Our enemy is attacking on every front No Christian should ever consider leaving home until they have spent ample time with the Lord and armed themselves for spiritual battle This daily devotional has been written to be a help for believers who want to spend time with their Father Wake up each day and say Good Morning God **The Twin Horse Gods** Henry John Walker, 2015-06-15 The twin deities known by the ancient Greeks as the Dioskouroi and by the Romans as the Gemini were popular figures in the classical world They were especially connected with youth low status and service and were embraced by the common people in a way that eluded those gods associated with regal magnificence or the ruling classes Despite their popularity no dedicated study has been published on

the horse gods for over a hundred years Henry John Walker here addresses this neglect His comparative study traces the origins meanings and applications of the twin divinities to social and ritual settings in Greece Vedic India where the brothers named Castor and Pollux were revered as Indo European gods called the Asvins Etruria and classical Rome He demonstrates for example that since the Dioskouroi were regarded as being halfway between gods and men so young Spartans undergoing a fierce and rigorous military training saw themselves as standing midway between animal and human Such creative interpretations of the myth thus played a central role in the culture and society of antiquity
