## **Morning Joy:**

In the Morning ... Joy Mary Kathryn Clark, 2010-06-17 In her uniquely crafted memoir *In the Morning Joy* Mary Kathryn Clark plays dual roles as she shares her own journey of self discovery in the form of dialogue between a seasoned counselor and Makai a client seeking wisdom and guidance to help her through her own challenging life experiences Just like many other women Clark has experienced many joyful as well as painful times in her life that ultimately afforded opportunities for personal growth Through Makai a prototype representing such real life experiences as perfectionism neediness workaholism divorce and caring for others more than herself Clark illustrates that the pain of the past need not limit the present and affect the future As Makai slowly begins to acknowledge and work through her issues she comes to the realization that God is the only one who can heal all wounds and fill the empty hole inside As Makai with the help of her friend and counselor slowly transforms from a broken woman to a restored woman she discovers an inner strength she never knew she had In the *Morning Joy* inspires women everywhere to peel away the layers of their lives to find serenity peace and hope through God's love

**JOY Comes in the Morning!** Kelly Kainer Billington, 2023-11-23 This story is about a simple well respected dignified but strong and relentless small town woman who as a Mother had 4 children and as a Grandmother MiMi had several grandchildren and great grandchildren as well There was no doubt that her family and God were most important to her She was a secretary for a junior high school for over 20 years and was a classy lady indeed She was a dedicated choir member in her church for over 30 years She was very rarely sick until her 50's and 60's The signs and symptoms became evident that something was going on but what A study campaign was launched to discover what was causing these changes They simply wanted to know more and to understand what was happening to their beautiful Mother The experiences were somewhat overwhelming at times BUT THEN there's GOD Weeping may endure for a night but JOY comes in the Morning Psalm 30:5 NASB Beautiful moments with their Mother are shared in this heartfelt story of the kind of love that never ends Eleven and a half years into this disease and after natural treatments her Mother was able to come back to her daughter's home from a 2 year residence at an assisted living facility off all drugs for the remainder of her life What a blessing it was Her children knew in their hearts that their Mother would want to be at home because she loved being with her family so much Based on these experiences it is easy to believe that this disease is possibly preventable And hopefully sharing this

story will help someone who might be experiencing the same thing So be healed by this beautiful story as it is definitely worth the time it takes to read it Beautiful moments with their Mother are shared in this heartfelt story of the kind of love that never ends There was an earnest determination that her children loved her so much that they wanted her to be at home with family when it was her time to be with the Lord In their hearts they knew that it was what their Mother would have wanted because she loved being with her family so much It simply touched the heart in that moment their Mother realized that she had been moved back to her daughter s home What a blessing it was Through these experiences the author was led to discoveries treatments and God s ever loving Grace that she shares in this story It is quite possible that it was discovered 100 years ago that aluminum gets into the brain and causes havoc But sadly there are many people suffering with this disease today Based on these experiences she believes wholeheartedly that this disease can quite possibly be prevented and desires to honor her Mother and God by simply sharing her story and discoveries And hopefully it will help someone who might be experiencing the same thing So be healed by this beautiful story as it is definitely worth the time it will take to read it
