Mornings Gate:

The Gates of Morning Henry De Vere Stacpoole, 1925 *The Perfect Law of Love* L. Lynn Derrick, 2018-11-21 This is not for the faint of heart nor for Christians who want to be entertained This is for hungry Bible students seeking vast deep answers to a vast deep subject the all important subject of Love This book could and should be the standalone text for an 8 credit hour college course mandatory for every accredited Bible student And it is a must for every layman who wants to understand the most important teachings of the Bible on a serious level Jesse Steele Moody Bible Institute Alum This book is offered to help you love the Lord with your whole heart and to better know your Creator It is intended to help clarify some lingering misunderstandings that trace back far into biblical history The book deals with the righteousness and holiness of God as seen in His laws but from a New Covenant perspective love Showing the distinction between the dispensational Law of Moses and the eternal and unchanging Law of God the book focuses on love as love is the focus of both the Law of God and the Law of Moses Rom 13 8 It s all about loving God with all your heart and loving your neighbor as yourself even loving your enemy With man this is impossible but with God all things are possible These matters have the greatest bearing on our future reward in the heavenly kingdom and upon the power of our ministry today With a clearer view of this line in the Bible it is our prayer that we will all stand more confidently as we await and hasten the return of our Lord Seek first his kingdom and its righteousness and all these things will be added unto you The book also covers emerging research regarding the 364 day calendar of the books of 1st Enoch and Jubilees and how to manage it in a 365 day context I think you will enjoy studying this with us Think about it your Creator wants to have dates with you on the dates that his feasts have been observed in the heavens since creation As we journeyed through these things I was humbled to receive seven dreams from the Lord to help shepherd us through which I document in the appendix Several in our extended family have also been warned and encouraged in dreams The arm of Yahweh is not short to also give you dreams and other works of the coming kingdom But it all begins with desperate searching in his Word Keep asking and you will receive Keep seeking and you will find Keep knocking and it will be opened to you

De Vere Stacpoole,2022-04-06 Excerpt from Gates of the Morning Dick standing on a ledge of coral cast his eyes to the South Behind him the breakers of the outer sea thundered and the spindrift scattered on the wind before him stretched an ocean calm as a lake infinite blue and flown about by the fishing gulls the lagoon of Karolin Clipped by its forty mile ring of coral this great pond was a sea in itself a sea of storm in heavy winds a lake of azure in light airs and it was his he who had landed here only yesterday Women children youths all the tribe to be seen busy along the beach in the blazing sun fishing with nets playing their games or working on the paraka patches all were his people His were the canoes drawn up on the sand and his the empty houses where the war canoes had once rested on their rollers Then as he cast his eyes from the lagoon to the canoe houses his brow contracted and turning his back to the lagoon he stood facing the breakers on the outer beach and the northern sea Away there beyond the sea line invisible lay Palm Tree an island beautiful as a dream yet swarming with devils Little Tari the son of Le Taioi the net maker sitting on the coral close by looked up at him Tari knew little of life but he knew that all the men of Karolin swept away by war had left the women and the boys and the children like himself defenceless and without a man or leader Then yesterday from the northern sea in a strange boat and with Katafa the girl who had been blown to sea years ago when out fishing this strange new figure had come sent by the gods so the women said to be their chief and ruler The child knew nothing of whom the gods might be nor did he care alone now with this wonderful new person and out of earshot of his mother he put the question direct with all the simplicity of childhood **The Morning Exercises at Cripplegate, St. Giles in the Fields, and in Southwark** ,1844 **Gatewood** Matthew Strandmark,2023-11-07 When Louis Gatewood Galbraith

passed away in 2012 the flood of tributes honoring him merely scratched the surface of the life of this colorful and controversial figure Throughout his political career regional and national media outlets focused on the policy ideas and public acts that made Galbraith a cultural fixture public demonstrations an affinity for recreational drug use unfiltered language and recurring political campaigns Best known as an advocate for the legalization of cannabis Second Amendment rights and smaller government Galbraith was a perennial candidate whose once quixotic platform might have found traction in contemporary Kentucky politics In Gatewood Kentucky s Uncommon Man Matthew Strandmark weaves together personal stories public records and oral history interviews to provide a comprehensive overview of the life and career of an eccentric and fascinating figure From his ailment plagued childhood in Carlisle Kentucky to his young adulthood spent at the fringes of Lexington society the opening chapters of Galbraith s life were vital in developing the values that later came to define his political career his passion for rural communities and low tolerance for bullies As a college dropout in the 1960s Galbraith explored both conventional and unconventional avenues of self discovery before returning to the University of Kentucky where he graduated from law school and found his calling as an evangelist for cannabis legalization His appetite for the spotlight and his penchant for standing up for the underdog launched Galbraith into a thirty year career of campaigning groundbreaking legal cases public activism throughout the commonwealth and friendships with celebrities including Woody Harrelson Jack Herer and Willie Nelson As an attorney activist author father friend and opponent Galbraith wore many hats and not just his beloved fedora This revealing biography features insightful conversations with Galbraith s family and colleagues as well as commentary from Paul E Patton Ernie Fletcher Andy Barr Ben Chandler and other well known Kentuckians Gatewood provides a richer and nuanced understanding of a generous complicated and flawed public figure who devoted his life to helping others and whose legacy will continue to resonate with Kentuckians for generations to come
