Pete Hautman is an author who likes to tackle big ideas from addiction and psychosis to the nature of belief and what the
world is coming to in his fiction for teen readers In novels like Mr Was Sweetblood Invisible Rash and the National Book
Award winner Godless Hautman leavens his exploration of these big ideas with humor while showing that he understands
how overwhelming such matters can be As Hautman himself says It's complicated In Pete Hautman Speaking the Truth to
Teens Joel Shoemaker looks at the life and work of an author whose young adult fiction represent a wider breadth of subject
matter and interests than is typically found in any single author's young adult novels Chapters in this book explicate
individual novels such as Godless and Eden West which focus on religious issues and teens while time travel conundrums are
explored in Mr Was and the Klaatu Diskos trilogy and three books look at teens who play poker for very high stakes Other
works discussed in this study are examples of realistic contemporary fiction How to Steal a Car Blank Confession and two
books that take very different approaches to the matter of teens and falling in love The Big Crunch and What Boys Really
Want Shoemaker's interviews with the author and several family members provide opportunities for unique insights into
Hautman's work drawing clear connections between his life and his writings Pete Hautman Speaking the Truth to Teens will
be of interest to librarians scholars and the author's many fans Championship Omaha , 2013-09-16 table td padding top
