## **Moscow Performances II The 1996/1997 Season:**

**Moscow Performances II** John Freedman, 2005-06-28 This is a collection of John Freedman's reviews and articles most originally written for the Moscow Times in which he focuses his expert critical eye on the directors, writers and actors who held centre stage during the 1996/97 theatre season in Moscow. The book looks at the debut of promising new artists and directors at the Moscow Art Theatre celebrating its 100th anniversary this year and offers a wealth of insight into the latest developments in Russian theatre. Freedman illuminates all of the season's noteworthy trends and events in clear, informed and unapologetically opinionated reports. More than just an overview of the stars and highlights, *Moscow Performances II* observes at close range the playhouses and the people who make up the ever-changing face of contemporary Russian theatre today. This volume is generously illustrated with photographs of featured productions and will be a useful reference for students, professors, writers, directors and actors in the fields of Russian studies, theatre studies, theatre history and contemporary culture.

*Your Murderer* Vassily Aksyonov, 2013-12-19 From Russia comes this ironic, satirical, multi-layered modern pop art parable by Vassily Aksyonov. *Your Murderer* is a richly grotesque hodgepodge of different linguistic levels that defies all rules and mixes a powerful cocktail out of traditional slogans, invented obscenities, foreign words and phrases, terminology from sports and heavy drinking and pure nonsense. Daniel Gerould is Lucille Lortel Distinguished Professor of Theater and Comparative Literature at the City University of New York. He is the Editor of *Slavic and East European Performance* and of *Harwood Academic Publishers's Polish and East European Theater Archive* series. *Your Murderer* comes from Russia and is an ironic, satirical, multi-layered modern pop art parable, richly grotesque and on different linguistic levels that defies all rules, mixing a powerful cocktail out of traditional slogans, invented obscenities, foreign words and phrases, terminology from sports and heavy drinking and pure nonsense.

*The Simpleton* Sergei Kokovkin, 2013-10-31 First Published in 2000, *The Simpleton* which was written in 1968 and could not be performed for political reasons saw the light of day only in 1994. Its complex games of power and identity played out among a group of actors remain entirely contemporary today. Set in a theatre, *The Simpleton* in the age-old tradition of Russian drama tackles the timeless problems of personal freedom and inner independence. It is anything but a simple play with its complicated chameleon-like nature, new levels of reality continually moving in to push their predecessors out of the way. The mystification begins at the outset with the future arsonist, the Fop, prowling through the gall, grumbling about the presence of spectators. *The Simpleton* is unlike anything else that was being written in the Soviet Union at the time and aside from its searing thematic content, it is astonishingly inventive in its theatricality.

*A History of the Theatre Laboratory* Bryan Brown, 2018-10-26 The term theatre laboratory has entered the regular lexicon of theatre artists, producers, scholars and critics alike, yet use of the term is far from unified, often operating as a catch-all for a web of intertwining practices, territories, pedagogies and ideologies. Russian theatre, however, has seen a clear emergence of laboratory practice that can be divided into two distinct organisational structures: the studio

and the masterskaya artisanal guild By assessing these structures Bryan Brown offers two archetypes of group organisation that can be applied across the arts and sciences and reveals a complex history of the laboratory's characteristics and functions that support the term's use in theatre This book's discursive historical approach has been informed substantially by contemporary practice through interviews with and examinations of practitioners including Slava Polunin Anatoli Vassiliev Sergei Zhenovach and Dmitry Krymov

**Russian Theatre in Practice** Amy Skinner, 2019-04-18 Amidst the turmoil of political revolution the stage directors of twentieth century Russia rewrote the rules of theatre making From realism to the avant garde politics to postmodernism and revolution to repression these practitioners shaped perceptions of theatre direction across the world This edited volume introduces students and practitioners alike to the innovations of Russia's directors from Konstantin Stanislavsky and Vsevolod Meyerhold to Anatoly Efros Oleg Efremov and Genrietta Ianovskaia Strongly practical in its approach Russian Theatre in Practice The Director's Guide equips readers with an understanding of the varying approaches of each director as well as the opportunity to participate and explore their ideas in practice The full range of the director's role is covered including work on text rehearsal technique space and proxemics audience theory and characterization Each chapter focuses on one director exploring their historical context and combining an examination of their directing theory and technique with practical exercises for use in classroom or rehearsal settings Through their ground breaking ideas and techniques Russia's directors still demand our attention and in this volume they come to life as a powerful resource for today's theatre makers
