## **Moscow Memoirs:**

**Moscow Memoirs** Emma Gershtein, 2004 In the early 1960s Anna Akhmatova encouraged Emma Gerstein to record her own memories of the renowned Russian poet Osip Mandelstam But Gerstein's vivid and uncompromising account was not at all what she had expected When first published in Moscow in 1998 Gerstein's memoirs provoked responses from condemnation to rapturous praise amongst Russian readers A shrewd observer a close member of the Mandelstam and Akhmatova family circles and a serious literary specialist in her own right Gerstein is uniquely qualified to remove both poets from their pedestals without diminishing them or their work and to bring back to life the Soviet 1930s Part biography part autobiography this book radically alters our view of Russia's two greatest 20th century poets providing memorable glimpses of numerous other figures from that partly forgotten and misunderstood world and offers several unforgettable vignettes of Boris Pasternak Gerstein's integrity and perceptive comment make her account compulsively readable and enables us to re-examine that extraordinary epoch *Moscow Memoirs* Emma Gerstein, Memoirs New York State Museum, 1923

Memories of Chekhov, 2011-10-14 This revelatory documentary biography of Anton Chekhov 1860-1904 one of the world's best playwrights collects more than 100 written recollections of Chekhov's close friends family and colleague writers and artists such as Ivan Bunin Konstantin Stanislavsky and Maxim Gorky Drawn from rare periodicals and obscure archival sources from the 1880s to the 1930s these accounts few of which have ever before been translated to English address his affairs with female admirers his passions and hobbies his visits to shelters for the homeless his support of aspiring writers as well as his advice to theater directors actors and writers A complement to the wealth of scholarly material on Chekhov this work offers new discoveries for both specialists and general enthusiasts **Memoir**, 1923 **An Ambassador's Memoirs** Maurice Paléologue, 1925 Stories of the Soviet Experience Irina Paperno, 2011-01-15 Beginning with glasnost in the late 1980s and continuing into the present scores of personal accounts of life under Soviet rule written throughout its history have been published in Russia marking the end of an epoch In a major new work on private life and personal writings Irina Paperno explores this massive outpouring of human documents to uncover common themes cultural trends and literary forms The book argues that diverse as they are these narratives memoirs diaries notes blogs assert the historical significance of intimate lives shaped by catastrophic political forces especially the Terror under Stalin and World War II Moreover these published personal documents create a community where those who lived through the Soviet era can gain access to the inner recesses of one another's lives This community strives to forge a link to the tradition of Russia's nineteenth century intelligentsia thus the Russian intelligentsia emerges as an additional implicit subject of this book The book surveys hundreds of personal accounts and focuses on two in particular chosen for their exceptional quality scope and emotional power Notes about Anna Akhmatova is the diary Lidiia Chukovskaia a professional editor kept to document the day to day life of her friend the great Russian poet Anna Akhmatova Evgeniia Kiseleva a barely literate former peasant kept records in notebooks with

the thought of crafting a movie script from the story of her life The striking parallels and contrasts between these two documents demonstrate how the Soviet state and the idea of history shaped very different lives and very different life stories The book also analyzes dreams most of them terror dreams recounted in the diaries and memoirs of authors ranging from a peasant to well known writers a Party leader and Stalin himself History Paperno shows invaded their dreams too With a sure grasp of Russian cultural history great sensitivity to the men and women who wrote and a command of European and American scholarship on life writing Paperno places diaries and memoirs of the Soviet experience in a rich historical and conceptual frame An important and lasting contribution to the history of Russian culture at the end of an epoch Stories of the Soviet Experience also illuminates the general logic and specific uses of personal narratives

**A Researcher's Guide to Sources on Soviet Social History in the 1930s** Sheila Fitzpatrick, Lynne Viola, 2016-07-22 The Stalin era has been less accessible to researchers than either the preceding decade or the postwar era The basic problem is that during the Stalin years censorship restricted the collection and dissemination of information and introduced bias and distortion into the statistics that were published while in the post Stalin years access to archives and libraries remained tightly controlled Thus it is not surprising that one of the main manifestations of glasnost has been the effort to open up records of the 1930s In this volume Western and Soviet specialists detail the untapped potential of sources on this period of Soviet social history and also the hidden traps that abound The full range of sources is covered from memoirs to official documents from city directories to computerized data bases

**Love and Russian Literature** Ira Nadel, 2023-11-30 Russia haunted the British cultural imagination throughout the 20th century whether as a romantic source of literary and political inspiration or as a warning of creeping totalitarianism In this new book Ira Nadel charts the story of that influence through the work of some of the key figures in British literature across the century including Joseph Conrad Somerset Maugham Jane Harrison Virginia Woolf and H G Wells Framed by the story of two romantic encounters between Walter Benjamin and the actress Asja Lacis in Moscow in 1926 and between Isaiah Berlin and Anna Akhmatova in 1945 Love and Russian Literature casts a vivid new light on the ways in which responses to Russia shaped the history of British modernism

**Economic Thought and Policy in Less Developed Europe** Maria Eugenia Mata, Michalis Psalidopoulos, 2001-12-06 The essays in this volume explore and discuss the process of dissemination of

economic ideas among Europe's less developed countries and regions as well as the interaction between economic thought and economic policy in different times and places during the nineteenth century. The comparative approach adopted sheds new light on the course of economic development in Europe's less developed countries in the nineteenth century and the role played by political economy. Amongst a host of others, the topics covered include economic policy in Denmark, monetary and trade policy in Norway, the influence of the German Historical School in Finland, land reform and the abolition of serfdom in Russia and in Poland. With contributions that disclose important insights into national traditions in economic thought and policy and the diffusion of ideas in Europe, this work will be essential reading for all scholars of the history of economic thought.

Nikolay Myaskovsky Gregor Tassie, 2014-05-05 Gregor Tassie describes Nikolay Myaskovsky as one of the great enigmas of 20th century Russian music. Between the two world wars the symphonies of Myaskovsky enjoyed great popularity and were performed by all major American and European orchestras; they were some of the most inspiring symphonic works of the last hundred years and prolonged the symphonic genre. But accusations of formalism at the 1948 USSR Composers Congress resulted in the purposeful neglect of his music until the collapse of the Soviet Union. Myaskovsky wrote some of the most inspiring symphonic works of the last hundred years and prolonged and extended the symphonic genre. In *Nikolay Myaskovsky: The Conscience of Russian Music* Tassie gives readers the first modern English language biography of this Russian composer since his death in 1950. Tassie draws together information from the composer's diaries and letters as well as the memoirs of friends and colleagues, even his secret police files, to chronicle Myaskovsky's early life, subsequent far-reaching influence as a composer, teacher, and journalist, and his final persecution by the Soviet government. This biography will surely rekindle interest in Myaskovsky's remarkable body of work and will interest aficionados, students, and scholars of the modern classical music tradition and history of the arts in Russia.

Anton Chekhov's Life and Thought Anton Pavlovich Chekhov, 1997 First published in 1973, this collection of Chekhov's correspondence is widely regarded as the best introduction to this great Russian writer. Weighed heavily toward the correspondence dealing with literary and intellectual matters, this extremely informative collection provides fascinating insight into Chekhov's development as a writer. Michael Henry Heim's excellent translation and Simon Karlinsky's masterly headnotes make this volume an essential text for anyone interested in Chekhov.

Zhirinovsky Vladimir Kartsev, with Todd Bludeau, 1995-06-14

Zhirinovsky *Anna of All the Russias* Elaine Feinstein, 2007-12-18 In this definitive biography of the legendary Russian poet Elaine Feinstein draws on a wealth of newly available material, including memoirs, letters, journals, and interviews with surviving friends and family, to produce a revelatory portrait of both the artist and the woman. Anna Akhmatova rose to fame in the years before World War I, but she would pay a heavy price for the political and personal passions that informed her brilliant poetry. In *Anna of All the Russias* we see Akhmatova's work banned from 1925 until 1940.

and again after World War II We see her steadfast opposition to Stalin even while her son was held in the Gulag We see her abiding loyalty to such friends as Mandelstam Shostakovich and Pasternak as they faced Stalinist oppression And we see how through everything Akhmatova continued to write her poetry giving voice to the Russian people by whom she was and still is deeply loved

Hollander, 2008-10-27 A collection of original case studies of different types of political violence in the 20th and 21st century inspired by the pioneering work of Robert Conquest It focuses on the origins manifestations and legitimation of such violence and includes the former Soviet Union Mao's China Castro's Cuba and radical militant Islam

*Moscow Calling* Angus Roxburgh, 2017-09-14 A British journalist offers an intimate view of Russia from the Cold War to the rise of Putin through his personal experiences as a correspondent In the course of the past 45 years Angus Roxburgh has translated Tolstoy met four successive Russian presidents and been jinxed by a Siberian shaman He has come under fire in war zones and been arrested by Chechen thugs During the Cold War he was wooed by the KGB who then decided he would make a lousy spy and expelled him from the country In *Moscow Calling* Roxburgh presents his Russia not the Russia of news reports but a quirky exasperating beautiful tumultuous world that in four decades has changed completely and not at all Roxburgh narrates an incredible journey from the dark fearful days of communism and his adventures as a correspondent covering the Soviet Union's collapse to his frustrating work as a media consultant to Putin's Kremlin His memoir offers a unique fascinating and at times hilarious insight into a country that today more than ever is of global political significance

**Cold War Liberation** Natalia Telepneva, 2023-04-04 *Cold War Liberation* examines the African revolutionaries who led armed struggles in three Portuguese colonies Angola Mozambique and Guinea Bissau and their liaisons in Moscow Prague East Berlin and Sofia By reconstructing a multidimensional story that focuses on both the impact of the Soviet Union on the end of the Portuguese Empire in Africa and the effect of the anticolonial struggles on the Soviet Union Natalia Telepneva bridges the gap between the narratives of individual anticolonial movements and those of superpower rivalry in sub Saharan Africa during the Cold War Drawing on newly available archival sources from Russia and Eastern Europe and interviews with key participants Telepneva emphasizes the agency of African liberation leaders who enlisted the superpower into their movements via their relationships with middle ranking members of the Soviet bureaucracy These administrators had considerable scope to shape policies in the Portuguese colonies which in turn increased the Soviet commitment to decolonization in the wider region An innovative reinterpretation of the relationships forged between African revolutionaries and the countries of the Warsaw Pact *Cold War Liberation* is a bold addition to debates about policy making in the Global South during the Cold War We are proud to offer this book in our usual print and ebook formats plus as an open access edition available through the Sustainable History Monograph Project
