Gaul, Linck Johnson, Michael Soto**

Moscow Yankee:

Moscow Yankee Myra Page, 1995 The Depression era closing of a Ford plant sends Andy and two companions to Moscow to find work in a Soviet automotive plant where he meets Natasha an exemplar of the new Soviet woman Based on Myra Page's own experiences in Moscow during the first Five Year Plan Natasha is a portrait of women's contradictory social position in the early periods of socialist construction At the core of this novel is a firsthand look at the developing forces and changing relations of production forces that bring about the conversion of Andy into a Moscow Yankee While revealing the political and economic policies that would inevitably lead to the demise of Soviet style socialism *Moscow Yankee* refutes the notion that egalitarian societies cannot succeed because they fail to take into account the individualism and greed of human nature Barbara Foley's introduction analyzes the Soviet Socialist construction in Page's novel and the politics of the novelistic form in relation to *Moscow Yankee* Originally published in 1935 A picture of Americans lured to Moscow by hope in the great experiment and of others driven there by the depression and of still others attracted by the simple desire to get good engineering jobs *Moscow Yankee* has a decided value a sense of life stirring in the chaos of destruction and reconstruction The New York Times Book Review

The Novel and the American Left Janet Galligani Casey, 2004-06 The first collection of critical essays to focus specifically on the fiction produced by American novelists of the Depression era *The Novel and the American Left* contributes substantially to the newly emerging emphasis on twentieth century American literary radicalism Recent studies have recovered this body of work and redefined in historical and theoretical terms its vibrant contribution to American letters Casey consolidates and expands this field of study by providing a more specific consideration of individual novels and novelists many of which are reaching new contemporary audiences through reprints *The Novel and the American Left* focuses exclusively on left leaning fiction of the Depression era lending visibility and increased critical validity to these works and showing the various ways in which they contributed not only to theorizations of the Left but also to debates about the content and form of American fiction In theoretical terms the collection as a whole contributes to the larger reconceptualization of American modernity currently under way More pragmatically individual essays suggest specific authors texts and approaches to teachers and scholars seeking to broaden and or complicate more traditional American modernism syllabi and research agendas The selected essays take up among others such hard core leftist writers as Mike Gold and Myra Page who were associated with the Communist Party the popular novels of James M Cain and Kenneth Fearing whose works were made into successful films and critically acclaimed but nonetheless lost novelists such as Josephine Johnson whose *Now in November* Pulitzer Prize 1936 anticipates and complicates the more popular agrarian mythos of Steinbeck's *The Grapes of Wrath* This volume will be of interest not only to literary specialists but also to historians social scientists and those interested in American cultural studies *Americans Experience Russia* Choi Chatterjee, Beth Holmgren, 2013-05-02 *Americans Experience Russia* analyzes how American scholars journalists and artists

envisioned experienced and interpreted Russia the Soviet Union over the last century While many histories of diplomatic economic and intellectual connections between the United States and the Soviet Union can be found none has yet examined how Americans encounters with Russian Soviet society shaped their representations of a Russian Soviet other and its relationship with an American west The essays in this volume critically engage with postcolonial theories which posit that a self valorizing unmediated west dictated the colonial encounter repressing native voices that must be recovered Unlike western imperialists and their colonial subjects Americans and Russians long co existed in a tense parity regarding each other as other than European equals sometime cultural role models temporary allies and political antagonists In examining the fiction film journalism treatises and histories Americans produced out of their Russian experience the contributors to this volume closely analyze these texts locate them in their sociopolitical context and gauge how their producers profession politics gender class and interaction with native Russian interpreters conditioned their authored responses to Russian Soviet reality The volume also explores the blurred boundaries between national identities and representations of self other after the Soviet Union s fall

American Girls in Red Russia Julia L. Mickenberg, 2017-04-25 If you were an independent adventurous liberated American woman in the 1920s or 1930s where might you have sought escape from the constraints and compromises of bourgeois living Paris and the Left Bank quickly come to mind But would you have ever thought of Russia and the wilds of Siberia This choice was not as unusual as it seems now As Julia L Mickenberg uncovers in *American Girls in Red Russia* there is a forgotten counterpoint to the story of the Lost Generation beginning in the late nineteenth century Russian revolutionary ideology attracted many women including suffragists reformers educators journalists and artists as well as curious travelers Some were famous like Isadora Duncan or Lillian Hellman some were committed radicals though more were just intrigued by the Soviet experiment But all came to Russia in search of social arrangements that would be more equitable just and satisfying And most in the end were disillusioned some by the mundane realities others by horrifying truths Mickenberg reveals the complex motives that drew American women to Russia as they sought models for a revolutionary new era in which women would be not merely independent of men but also equal builders of a new society Soviet women after all earned the right to vote in 1917 and they also had abortion rights property rights the right to divorce maternity benefits and state supported childcare Even women from Soviet national minorities many recently unveiled became public figures as African American and Jewish women noted Yet as Mickenberg s collective biography shows Russia turned out to be as much a grim commune as a utopia of freedom replete with economic social and sexual inequities *American Girls in Red Russia* recounts the experiences of women who saved starving children from the Russian famine worked on rural communes in Siberia wrote for Moscow or New York newspapers or performed on Soviet stages Mickenberg finally tells these forgotten stories full of hope and grave disappointments

The Cambridge History of American Women's Literature Dale M. Bauer, 2012-05-24 The field of American women s writing is one characterized by innovation scholars are

discovering new authors and works as well as new ways of historicizing this literature rethinking contexts categories and juxtapositions Now after three decades of scholarly investigation and innovation the rich complexity and diversity of American literature written by women can be seen with a new coherence and subtlety Dedicated to this expanding heterogeneity The Cambridge History of American Women's Literature develops and challenges historical cultural theoretical even polemical methods all of which will advance the future study of American women writers from Native Americans to postmodern communities from individual careers to communities of writers and readers This volume immerses readers in a new dialogue about the range and depth of women's literature in the United States and allows them to trace the ever evolving shape of the field Hostile Waters Peter A. Huchthausen, Peter Huchthausen, Igor Kurdin, R. Alan

White, 1998-08-15 In 1986 the Cold War was winding down yet under the seas the game of cat and mouse between Soviet and American submarines continued unabated Off the coast of North Carolina an aging Soviet ballistic missile submarine suffered a catastrophe accident and came within moments of melting down Had it exploded the entire East Coast of the U S would have been blanketed in radioactive fallout The death toll would have made Chernobyl seem like a traffic accident This is the gripping true story of 60 young Soviet men who fought and died to save our lives Photo insert Foreward by Tom Clancy

Martin's Press *A Companion to American Literature* Susan Belasco, Theresa Strouth Gaul, Linck Johnson, Michael Soto, 2020-04-03 A comprehensive chronological overview of American literature in three scholarly and authoritative volumes *A Companion to American Literature* traces the history and development of American literature from its early origins in Native American oral tradition to 21st century digital literature This comprehensive three volume set brings together contributions from a diverse international team of accomplished young scholars and established figures in the field Contributors explore a broad range of topics in historical cultural political geographic and technological contexts engaging the work of both well known and non canonical writers of every period Volume One is an inclusive and geographically expansive examination of early American literature applying a range of cultural and historical approaches and theoretical models to a dramatically expanded canon of texts Volume Two covers American literature between 1820 and 1914 focusing on the development of print culture and the literary marketplace the emergence of various literary movements and the impact of social and historical events on writers and writings of the period Spanning the 20th and early 21st centuries Volume Three studies traditional areas of American literature as well as the literature from previously marginalized groups and contemporary writers often overlooked by scholars This inclusive and comprehensive study of American literature Examines the influences of race ethnicity gender class and disability on American literature Discusses the role of technology in book production and circulation the rise of literacy and changing reading practices and literary forms Explores a wide range of writings in multiple genres including novels short stories dramas and a variety of poetic forms as well as autobiographies essays lectures diaries journals letters sermons histories and graphic narratives Provides a thematic index

that groups chapters by contexts and illustrates their links across different traditional chronological boundaries A Companion to American Literature is a valuable resource for students coming to the subject for the first time or preparing for field examinations instructors in American literature courses and scholars with more specialized interests in specific authors genres movements or periods

Radical Representations Barbara Foley,1993 In this revisionary study Barbara Foley challenges prevalent myths about left wing culture in the Depression era U S Focusing on a broad range of proletarian novels and little known archival material the author recaptures an important literature and rewrites a segment of American cultural history long obscured and distorted by the anti Communist bias of contemporaries and critics Josephine Herbst William Attaway Jack Conroy Thomas Bell and Tillie Olsen are among the radical writers whose work Foley reexamines Her fresh approach to the U S radicals debates over experimentalism the relation of art to propaganda and the nature of proletarian literature recasts the relation of writers to the organized left Her grasp of the left s positions on the Negro question and the woman question enables a nuanced analysis of the relation of class to race and gender in the proletarian novel Moreover examining the articulation of political doctrine in different novelistic modes Foley develops a model for discussing the interplay between politics and literary conventions and genres Radical Representations recovers a literature of theoretical and artistic value meriting renewed attention form those interested in American literature American studies the U S left and cultural studies generally

Sisters and Rebels: A Struggle for the Soul of America Jacquelyn Dowd Hall,2019-05-21 Winner of the 2020 PEN America Jacqueline Bograd Weld Award for Biography the 2020 Summersell Prize a 2020 PROSE Award and a Plutarch Award finalist The word befitting this work is masterpiece Paula J Giddings author of *Ida A Sword Among Lions* Ida B Wells and the Campaign Against Lynching Descendants of a prominent slaveholding family Elizabeth Grace and Katharine Lumpkin were raised in a culture of white supremacy While Elizabeth remained a lifelong believer her younger sisters sought their fortunes in the North reinventing themselves as radical thinkers whose literary works and organizing efforts brought the nation s attention to issues of region race and labor National Humanities Award winning historian Jacquelyn Dowd Hall follows the divergent paths of the Lumpkin sisters tracing the wounds and unsung victories of the past Hall revives a buried tradition of Southern expatriation and progressivism explores the lost revolutionary zeal of the early twentieth century and muses on the fraught ties of sisterhood Grounded in decades of research the family s private papers and interviews with Katharine and Grace Sisters and Rebels unfolds an epic narrative of American history through the lives of three Southern women

Iron Curtain Twitchers Jennifer M. Hudson,2018-11-23 The Cold War is often viewed in absolutist terminology the United States and the Soviet Union

characterized one another in oppositional rhetoric and pejorative propaganda State sanctioned communications stressed the inherent dissimilarity between their own citizens and those of their Cold War foe Such rhetoric exacerbated geopolitical tensions and heightened Cold War paranoia most notably during the Red Scare and brinkmanship incidents Government leaders stressed the reactive defensive foreign policies they implemented to retaliate against their counterparts offensive maneuvers Only brief periods of détente gave glimpses into the possibility of concerted peaceful coexistence Yet such characterizations neglect the complexities and rhetorical nuances that created fissures throughout the long standing ideological conflict Grassroots diplomacy rarely coalesced with official governmental rhetoric and often contradicted the discourse emanating from the White House and the Kremlin Organizations such as Women Strike for Peace WSP the Committee for Nonviolent Action CNVA and the Moscow Trust Group MTG defied policy directives and sought to establish genuine peaceful coexistence Traveling citizens posited that U S and Soviet citizens possessed more underlying commonalities than their governmental leaders cared to admit phenomena underscored in events such as the San Francisco to Moscow Walk for Peace Spacebridge programs railed against the Strategic Defense Initiative SDI and proclaimed that figurative and literal links between their country and the Other proved more conducive to public opinion than Star Wars Iron Curtain Twitchers examines such juxtaposing rhetorics through three lexical themes contamination containment and coexistence It analyzes the disparate perspectives of public politicians and private citizens throughout the Cold War s duration and its aftermath to better understand the political cultural and geopolitical nuances of U S Russia relations Vacillating rhetoric among politicians journalists and traveling citizens complicated geopolitical relationships sociopolitical disagreements and cultural characterizations These dialogues are contrasted with the cultural mediums of film and political cartoons to underscore fluctuating Cold War identity dynamics Manifestations of one s own country contrasted with propagations of the Other and indicate that the Cold War lasted much longer and remains more virulent than previously conceived

The Nation ,1921 *Love's Next Meeting* Aaron Lecklider,2023-05-02 How queerness and radical politics intersected earlier than you thought Well before Stonewall a broad cross section of sexual dissidents took advantage of their space on the margins of American society to throw themselves into leftist campaigns Sensitive already to sexual marginalization they also saw how class inequality was exacerbated by the Great Depression witnessing the terrible bread lines and bread riots of the era They participated in radical labor organizing sympathized like many with the early prewar Soviet Union contributed to the Republicans in the Spanish Civil War opposed US police and state harassment fought racial discrimination and aligned themselves with the dispossessed Whether they were themselves straight gay or otherwise queer they brought sexual dissidence and radicalism into conversation at the height of the Left s influence on American culture Combining rich archival research with inventive analysis of art and literature Love s Next Meeting explores the relationship between homosexuality and the Left in American culture between 1920 and 1960 Aaron S Lecklider uncovers a lively cast of

individuals and dynamic expressive works revealing remarkably progressive engagement with homosexuality among radicals workers and the poor Leftists connected sexual dissidence with radical gender politics antiracism and challenges to censorship and obscenity laws through the 1920s and 1930s In the process a wide array of activists organizers artists and writers laid the foundation for a radical movement through which homosexual lives and experiences were given shape and new political identities were forged Love's Next Meeting cuts to the heart of some of the biggest questions in American history questions about socialism about sexuality about the supposed clash still making headlines today between leftist politics and identity politics What emerges is a dramatic sexually vibrant story of the shared struggles for liberation across the twentieth century

In a Generous Spirit Christina Looper Baker, 1996 Dorothy Markey's family and culture prepared her to be a proper southern lady Yet Markey broke free of her cultural bonds and became instead a feminist a communist and under the pen name Myra Page a radical journalist and novelist Her activism on behalf of social justice racial equality and women's rights spanned the 1920s through her death in 1993 Page's work carried her far from her Virginia home to Moscow Mexico the rural South and New York As a journalist she wrote for the Daily Worker the New Masses Working Woman and Southern Worker Her novels captured workers struggles in an authentic voice The Gathering Storm Daughter of the Hills and Moscow Yankee With consummate skill Christina Baker weaves together historical research her own and others conversations with Page and Page's letters and other writings The resulting narrative is a vivid recreation of the life of an uncommon woman and her more than seventy years of striving for the things she believed in Isms American Legion. National Americanism Commission, 1937 Opinion; a Journal of Jewish Life and Letters, 1933 The Radical Novel and the Classless Society Robert Z. Birdwell, 2018-10-15 The Radical Novel and the Classless Society analyzes utopian and proletarian novels as a single socialist tradition in U S literature Utopian novels by such writers as Edward Bellamy William Dean Howells Charlotte Perkins Gilman and Sutton E Griggs and proletarian novels by such writers as Robert Cantwell John Steinbeck Richard Wright Meridel Le Sueur Claude McKay and Ralph Ellison can help us conceive of a unity of utopian and Marxist socialisms We can combine the imagination of the future classless society with present day socialist strategy Utopian and proletarian novels help us to imagine and realize the classless society as achieving the utopian goal of recognizing race and gender and the Marxist goal of overcoming social class

Critics at Work Jeffrey Williams, 2004-03 A collection of sixteen short science fiction and fantasy stories by award winning authors Firebirds is more than simply an anthology it is a celebration of wonderful writing It gathers together sixteen original stories by some of today's finest writers of fantasy and science fiction Together they have won virtually every major prize from the National Book Award to the World Fantasy Award to the Newbery Medal and have made best seller lists worldwide These authors including Lloyd Alexander The Chronicles of Prydain Diana Wynne Jones The Merlin Conspiracy Garth Nix The Abhorsen Trilogy Patricia A McKillip Ombria in Shadow Meredith Ann Pierce The Darkangel Trilogy and Nancy Farmer The House of the Scorpion each with his or her own

Moscow Yankee Introduction

In today's digital age, the availability of Moscow Yankee books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Moscow Yankee books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Moscow Yankee books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Moscow Yankee versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Moscow Yankee books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Moscow Yankee books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Moscow Yankee books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Moscow Yankee books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Moscow Yankee books and manuals for download and embark on your journey of knowledge?

FAQs About Moscow Yankee Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Moscow Yankee is one of the best book in our library for free trial. We provide copy of Moscow Yankee in digital format, so the resources that you find are reliable.
