settled on 66 canonical books of the Bible while there are 73 for Roman Catholics and 78 for Eastern Orthodox adherents. Why are there these differences of opinion? We are often taught that the Bible is in the words of many religious catechisms, the infallible word of faith and practice. In reality, the Bible can also be seen as a political document as much as a spiritual one. Ordained minister and theologian Jim Willis examines the historical, political, and social climates that influenced the redactors and editors of the Bible and other sacred texts in *Censoring God: The History of the Lost Books and Other Excluded Scriptures*. In analyzing why texts were censored, he uncovers sometimes surprising biases. He investigates enigmatic hints of Bible codes and ancient wisdom that implies a greater spiritual force might have been at work. Willis explores the importance of the Book of Enoch, its disappearance, and how it was rediscovered in Ethiopia. He analyzes over two dozen excluded texts, such as Jubilees and the Gospel of Thomas, along with the many references to books that we know about from fragments but remain lost. Thought provoking and provocative, *Censoring God* scrutinizes how sacred texts might have been used to justify the power of the powerful, including the destruction of sacred writings of conquered indigenous cultures because they did not agree with the finished version of the Bible accepted by the Church establishment. This important book looks at the human failings in interpreting God's words, and through a compassionate examination, it brings a deeper understanding of the power and importance of the lost words. With more than 120 photos and graphics, this tome is richly illustrated. Its helpful

bibliography provides sources for further exploration, and an extensive index adds to its usefulness. **The Scriptures and Archaeology** Edwin M. Yamauchi, 2013-06-01      **Meditations for the Grieving** Richard L. Morgan, 2013-05-08

Endorsements: Richard Morgan equally blends Scripture, poetry, and prayer in ways that resonate with the souls of those who grieve. Pastors will find *Meditations for the Grieving* to be a valuable gift for those who are walking through the shadows of death. Additionally, Morgan provides a welcome resource for anyone who seeks to better understand the depths of our journey and welcome hope of a Word that provides light unto our path. Dr. Donovan Drake, Senior Pastor, Westminster Presbyterian Church, Nashville, TN: "I lost my grandfather and then my father within nine days of each other. People said many things to try to help ease the pain, and the pain of those around me. In spite of good intentions, words so often miss the mark. *Meditations for the Grieving* offered a kind of quiet solace available when I sought it but never imposing. Reflecting on how other people felt and acted in their times of loss helped me feel less isolated as I worked through my own loss." Brenda M. Sobata, MSW, Volunteer Coordinator, Redstone Highlands, Greenburg, PA: "Dr. Morgan can be trusted to offer honest, wise support to those experiencing loss. It is evident that he has listened well and offers *Meditations for the Grieving* as a healing touch. Grief is heavy, but the reality of the pain is faced with the hope of future peace. Along with the daily meditations are poignant readings that bring moments of new recognition and sage advice. I have shared this book with a multitude of persons through my ministry as a local pastor and professional chaplain in hospice, retirement living communities, and nursing homes. It can be used for bereavement support groups or other group settings. Those who meditate upon the words of this book will come to

understand that nothing can separate them from the love of God Rev Jim Ludwick retired United Methodist clergyman and chaplain About the Contributor s Richard L Morgan is a volunteer in pastoral care for persons with Alzheimer s disease and other forms of dementia He facilitates an Alzheimer s Support Group in North Huntingdon Pennsylvania At present he is a writer and has written fifteen books in the field of Spirituality Aging Spiritual Care and Grief and Loss His most recent books are *Meditations for the Grieving Settling In* and *No Act of Love Is Ever Wasted The Spirituality of Caring for Persons with Dementia* His Web site is <http://richardmorganauthor.com> where his blog View from 80 can be viewed

**Freud and the Legacy of Moses** Richard J. Bernstein, 1998-10-08 Freud s last book *Moses and Monotheism* was published in 1939 during one of the darkest periods in Jewish history This difficult book has frequently been vilified and dismissed because Freud claims that Moses was not a Hebrew but an Egyptian and that the Jews murdered Moses in the wilderness Richard Bernstein argues that a close reading of *Moses and Monotheism* reveals an underlying powerful coherence in which Freud seeks to specify the distinctive character and contribution of the Jewish people It is this character that has enabled the Jewish people to survive despite persecution and virulent anti-Semitism and Freud proudly identifies himself with it In his analysis of Freud s often misunderstood last work Bernstein goes on to show how Freud expands and deepens our understanding of a religious tradition by revealing its unconscious dynamics

*Abraham in the Old Testament and Early Judaism* John Eifion Morgan-Wynne, 2020-04-23 In this book John Morgan Wynne carefully examines the pivotal figure of Abraham in the Old Testament and Early Judaism Our earliest literary evidence concerning Abraham is the stream of tradition known as J the so called Yahwist source ca tenth century BCE and also the Elohist stream of tradition ninth to eighth century or perhaps earlier The subsequent eclipse of the Abrahamic tradition in the south is probably accounted for by the stress on the Davidic monarchy However Abraham s profile begins to rise again during and after the Babylonian exile when Jewish theologians had to come to terms with the traumatic events of the fall of the northern and southern kingdoms He is frequently discussed in many non canonical early Jewish writings as he became a figure of identification a pre eminently righteous man and an example to imitate as Jews came to terms with being a subject people and with persecution
