Moses Unchained Marilyn F. Moriarty, 2012-11 Set in the Blue Ridge Mountains this powerful challenging and unforgettable book tells the true story of a modern outlaw's struggle with faith betrayal and the accidental nature of life when he contracts AIDS *Reconstructing Illness* Anne Hunsaker Hawkins, 1999 Serious illness and mortality those most universal unavoidable and frightening of human experiences are the focus of this pioneering study which has been hailed as a telling and provocative commentary on our times As modern medicine has become more scientific and dispassionate a new literary genre has emerged pathography the personal narrative concerning illness treatment and sometimes death Hawkins's sensitive reading of numerous pathographies highlights the assumptions attitudes and myths that people bring to the medical encounter One factor emerges again and again in these case studies the tendency in contemporary medical practice to focus primarily not on the needs of the individual who is sick but on the condition that we call disease Pathography allows the individual person a voice one that asserts the importance of the experiential side of illness and thus restores the feeling thinking experiencing human being to the center of the medical enterprise Recommended for medical practitioners the clergy caregivers students of popular culture and the general reader *Reconstructing Illness* demonstrates that only when we hear both the doctor's and the patient's voice will we have a medicine that is truly human **International Who's Who of**

Parker,2016-05-04 John Brown Sinner or saint Freedom fighter or terrorist He personified performance acting when no one else sharing his antislavery views did He embodied old fashioned even for that era values of steadfastness fervent religiousness empathy for the less fortunate and aversion to material wealth Brown dedicated his life to abolitionism in deed as well as words since 1837 when in church he raised his hand and before the congregation swore his devotion an oath he never broke Significantly many African Americans considered Brown the only white man worthy of their admiration right up to the 1960s The following play may explain why Browns actions sparked the Civil War some scholars say He and his followers fought border ruffians in Kansas guided escaped slaves toward Canada and at Harpers Ferry lit the Southern powder keg that after Abraham Lincoln s election led to the secession of several states John Brown fanatic murderer liberator Or just a plain determined man He calmly accepted his fated death by hanging hoping his execution would impel lassitudinous Northerners into action And it did epitomized by John Browns body Read how it happened *Book Review Index* Gale Group,Thomson Gale Staff,1999-09 Book

Unknowingly to me the writing of this book commenced decades ago while traveling my thirty five state territories as a tractor trailer driver Listening to volumes of the Bible on cassette tapes I often felt compelled to pull over and write on various issues as they occurred to me Across the years I improved but not until I became a serious reader did I develop my present style through the influence of various prolific authors GK Chesterton C S Lewis John MacArthur and others This book is a collection of theological essays poetry and short stories some of which are true stories of my road trips and life experiences In a backsliding state however some old bad habits revisited landing me in prison As I entered my first jail cell it was vacant except for a beautiful leather bound NKJ version of the Bible and a copy of a Strong s Concise Concordance of the Bible still sealed in cellophane wrap That my friends I needn t say but I will anyway is an unheard of incident in 10 million vacant jail cells So now I had just what I would need to polish my previous work the time pardon the pun and the equipment For my familiarity with the Bible was exhaustive but only on tape so the concordance was what I would need to find my way around This was to me a sign from God clearer than words In addition to reading and writing I lead Bible study in county jail and eventually in state prison I shared my work from the pulpit at our chapel It was then that I felt lead to compose this book however it was the Holy Spirit s help and energy who made it happen I pray that it produces the ends to which it is sent multiplying the faithful among men in Christ Jesus Remember to pray for the men and women who have lost their way **American Book Publishing Record** ,1998 *Understanding Film Theory* Ruth Doughty,Christine Etherington-Wright,2017-08-30
