introduced to a world so familiar and yet so very different from the one he once knew As he learns and grows under the benevolent care of his new black family he struggles to make sense of the society in which he lives a society that would spit on a man such as Moses simply because his skin is black and make every effort to rip Jory from the family he loves Quickly entrenched in a struggle that is much bigger than himself Jory must learn the difference between what feels necessary and what is right what pity is and what hate is If he wants to fight the racism the injustice and uncertainty that surrounds him he must learn what it really means to stand up for what he believes in Trade Review Synopsis Mississippi the late 1950s After the death of his father eleven year old Jory Sheppard runs away from an unwanted life in foster care Trying to make it on his own he is caught in a violent storm on the Mississippi River but when he is rescued from the raging waters by an old black man named Moses it becomes the event that will change his life Taken into Moses family as one of their own Jory is introduced to a world so familiar and yet so very different from the one he once knew As he learns and grows under the benevolent care of his new family he struggles to make sense of the society in which he lives a racist society that would spit on a man such as Moses simply because his skin is black and make every effort to rip Jory from the family he loves Quickly entrenched in a struggle that is much bigger than himself Jory must learn the difference between what feels necessary and what is right what pity is and what hate is If he wants to fight the injustice and uncertainty that surrounds him he must learn what it really means to stand up for what he believes in Critique With My Water Path author Timothy Joseph has produced an exceptionally well crafted novel that embeds truly memorable characters into a richly embellished story The result is a novel that is very highly recommended and would prove to be a popular addition to any community library s General Fiction collection Midwest Book Review **Balaam's Revenge** Rob Alloway,1999 **A Kiss from Moët** Lorain O'Neil,2023-06-18 She s young Gorgeous Cursed And she s so not going to put up with it Mo t Arkady is a Lecora cursed by an ancient swamp magic so that any man she kisses could end up not only possessing HER but a lifetime of fabulously good luck to boot Not exactly helpful when returning home after years of banishment BAM Mo t s plane crashes right into the swamp that created the curse in the first place So when Mo t must play good Samaritan to a drowning passenger what was that A kiss Better not be because he s Moses Gentry the indomitable Gentry in The Consortium v Gentry Refinery the biggest most dangerous legal war these southern Parishes have ever seen the one that will decide whether the swamp itself lives or dies And she s the new Court Monitor who has to decide the whole blasted thing If Mo t rules for the Consortium Moses Gentry will lose everything like he s gonna let that happen But if she rules for Moses the Consortium s rich and powerful members could be headed to prison and they sure don t intend on going Since Mo t s predecessor resolved the dilemma by ending up alligator bait and her former high school sweetheart is now the Consortium s lead attorney and pretty great at stealing kisses Mo t could sure use some good luck herself And that wily old swamp still has its magic not to mention some truly surprising plans for the intrepid little Lecora and whoever wins and whoever loses The Consortium v Gentry Refinery Because when they least expect it a bit
