McKenna,2008-06-20 The author would take his readers on a ride from the Self Revelation of the I AM that the Lord God is with Moses through King David to the I AM of the Messiah of Israel and of the Incarnation and to the I AM of the Dogma of the Church as the People of God It is argued that the Grace and Truth of the Lord God cannot rightly be grasped in all of their depth in the world without becoming able to integrate both the continuity and the discontinuities of this Revelation with us even in our own times     **Moses** ,2000-07 In this book you will receive the stages of a great journey from slavery to freedom Cover P 4     *An Introduction to the Old Testament* Tremper Longman III,2009-05-26 An upper level introduction to the Old Testament that offers students a thorough understanding of three key issues historical background literary analysis and theological message This second edition of An Introduction to the Old Testament integrates recent developments in Old Testament scholarship It has many distinctive features that set it apart from other introductions to the Old Testament It s committed to a theologically evangelical perspective Emphasizes special introduction the study of individual books Interacts in an irenic spirit with the historical critical method Features points of research history and representative scholars rather than an exhaustive treatment of past scholarship Deals with the meaning of each book not in isolation but in a canonical context Probes the meaning of each book in the setting of its culture Including callouts charts and graphs An Introduction to the Old Testament is written with an eye to understanding the nature of Old Testament historiography Perfect for seminary students professors and Bible teachers and ministry leaders as well as anyone looking for an in depth and balanced approach to Old Testament study     Training the Teacher Adolphus Frederick

Schauffler,Antoinette Abernethy Lamoreaux,Martin Grove Brumbaugh,Marion Lawrance,1908     **The Nine Commandments** David Noel Freedman,2002-05-14 In a book certain to be as controversial as Harold Bloom s The Book of J

and Elaine Pagels's *The Gnostic Gospels* David Noel Freedman delves into the Old Testament and reveals a pattern of defiance of the Covenant with God that inexorably led to the downfall of the nation of Israel the destruction of the Temple and the banishment of survivors from the Promised Land Book by book from Exodus to Kings Freedman charts the violation of the first nine Commandments one by one from the sin of apostasy the worship of the golden calf Exodus 32 to murder the death of a concubine Judges 19 25 26 to false testimony Jezebel's charges against her neighbor Naboth I Kings 21 Because covetousness Freedman shows lies behind all the crimes committed each act implicitly breaks the Tenth Commandment as well In a powerful and persuasive argument Freedman asserts that this hidden trail of sins betrays the hand of a master editor who skillfully wove into Israel's history a message to a community in their Babylonian exile that their fate is not the result of God's abandoning them but a consequence of their abandonment of God With wit and insight *The Nine Commandments* boldly challenges previous scholarship and conventional beliefs David Noel Freedman has been General Editor and a contributing coauthor of the Anchor Bible series since its inception in 1956 He is a professor in Hebrew Bible at the University of California San Diego and lives in La Jolla California **Bible Story** Theodore Emanuel Schmauk, 1908

Byrne,2003 From the Preface In commenting on the journey of the children of Israel from Egypt to Canaan the Apostle Paul said in I Cor 10 11 All these things happened unto them by way of example and are written for our admonition Here Paul teaches us that we can learn from this account of the history of Israel in two basic ways 1 by looking at the example they set and 2 by examining the fundamental principles and admonitions derived from their experiences In these studies we hope to accomplish two things see their example and discover the Gospel of the Canaan journey It has often been said that there is no gospel in the Old Testament The writer does not agree with this position and believes that there is just as much gospel in the Old Testament as in the New It is there in type and symbol in object lessons The people looked forward to the cross in Old Testament times but today people look back to the cross The Old Testament is the New Testament concealed the New Testament is the Old Testament revealed Beautifully pictured in the Pentateuch is the Gospel of the Canaan Journey These lessons have been prepared to make available practical material suitable for the pulpit devotionals Sunday school lessons and prayer meeting discussions The method of chronological development reveals the way the gospel is seen today By making application the reader is enabled to apply gospel truth and the saving power of Jesus Christ to his own soul and to those to whom he might minister Herbert W Byrne
