**For Self-Examination / Judge For Yourself!** Søren Kierkegaard, 2015-06-29 For Self Examination and its companion piece Judge for Yourself are the culmination of Søren Kierkegaard s second authorship which followed his Concluding Unscientific Postscript Among the simplest and most readily comprehended of

Kierkegaard's books the two works are part of the signed direct communications as distinguished from his earlier pseudonymous writings. The lucidity and pithiness and the earnestness and power of *For Self Examination* and *Judge for Yourself* are enhanced when as Kierkegaard requested they are read aloud. They contain the well known passages on Socrates' defense speech, how to read the lover's letter, the royal coachman and the carriage team and the painter's relation to his painting. The aim of awakening and inward deepening is signaled by the opening section on Socrates in *For Self Examination* and is pursued in the context of the relations of Christian ideality, grace and response. The secondary aim, a critique of the established order, links the works to the final polemical writings that appear later after a four year period of silence.

**Shatter the Silence** L. D. Smith, 2017-09-23 I lie in bed fearing the sound of footsteps on the stairs. Footsteps now in the hall. The door opens. The door closes quietly. Then the sound I fear the most, the click of the lock as the signal my nightmare is about to begin again. Adult survivors of abuse and molestation and those with mental illness are often told to remain silent, to discuss their lives in dark corners and in hushed tones. *Shatter the Silence* seeks to break that cycle as LD Smith candidly and eloquently tells the story of her own journey and it is not pretty. It is not a fairy tale and unfortunately it is reality for so many. She invites you to join her and learn what being strong really entails. Know that it is possible to stand proud and speak loudly the story of survival.
