## **Most Of Us Are Here Against Our Will:**

Beat of my Heart Sheri-Lynn Marean, 2022-09-06 His destiny is to free the Raizarch wolves from the vampire king but to do so he has to mate someone he doesn't love All his life Toren knew he was different but could never understand why Until a lone wolf Zeveride temporarily joins their pack A handsome male with vivid green eyes he takes Toren's breath away and makes him want things he shouldn't For the Okami wolves life is about the survival of their species As the heir of the Okami king Toren's life is already laid out before him the Okami king's youngest son of mating age must mate the Raizarch king's youngest daughter in order to free the wolves How can Toren refuse And if he did how would he ever live with himself Yet as disaster strikes and he and Zeveride grow closer the harder it becomes for Toren to accept his fate But when the lone wolf who's captured his heart suddenly leaves Toren tries to forget the male Except he can't What's worse Toren can feel that Zeveride is in trouble Get it now and feel the beat of your heart as these two wolves navigate an impossible love Warning Contains a sweet MM relationship For fans of Laurell K Hamilton JR Ward Sherrilyn Kenyon The Demon's Gate P. A. Murad, 2003-05-29 Through their Middle Kingdom mindset and great patience the Chinese used the French and surrogate terrorists to marginalize America and the West They quickly advanced in technology and essentially own the World's resources in space from the Space Station surveillance satellites to fleets of Space Shuttle craft With the goal of completing its colonization of the Moon something unusual happens at an obscure station It involves a discovery where the Chinese feel they can correctly deal with its implications and do so as the primary intercessor for mankind Although their intentions may be of the highest moral quality they are deadly wrong and it leads to a situation where all dreams for mankind may disastrously end *The Undiscovered Country* William Dean Howells, 2020 In *The Undiscovered Country* Mr Howells appears in a new phase and adds somewhat of the definite moral purpose of the teacher to the grace and finish of the literary artist From the opening of the first chapter it is evident that the author has this time a further object in mind than the mere portrayal of character Half page monologues and whole page conversations on matters of speculative inquiry are not altogether in the line of Mr Howell's genius which has always disclosed more of the artist than of the moralist the lesson of his literary work being in its perfection and its correspondence to truth rather than in any serious intent or design which serves as an appendage to the artistic motive Happily in *The Undiscovered Country* the author does not pursue his object in that dead in earnest style which so commonly tends to overthrow the mental equipoise of a writer and dull his finer perceptions happily that is so far as the artistic results of his works are concerned though otherwise one cannot help thinking as regards the actual gain accomplished in the elucidation of a very difficult subject The title of Mr Howells's book is both ingenious and suggestive *The Undiscovered Country* remains undiscovered to the last and the fact that no way of its discovery is found but that of the solitary exploration of death proves of valuable service to the author supplying the element of mystery which throws a poetic glamour over the subject he is treating while it compels no self betrayal to any opinion or

theory and at the end leads him to revert to the homelier scenes and occupations of practical life for the solution not of his problem but of his heroine's happiness and well being      **Red Sea Peril** Shirley Billing, 2002 In 1996 the author and her husband sailed from Phuket Thailand to Cyprus as part of a multi year circumnavigation of the globe While traveling through the Red Sea they were arrested and detained for questioning by Eritrean soldiers for 23 days She offers a memoir of the entire trip with a day      **Lisa Kane** Richard A. **The Two Widows and the Death Butterflies** Tarsicio Álvarez, 2016-12-09 When I was writing this story I gave myself the assignment to ask 50 people whether or not they believed that black butterflies were messengers of death Out of those 50 39 responded yes and some affirmed having had personal experiences with black butterflies Some would say that few minutes after having seen them they had received news that a family member or somebody they knew had passed away Others assured that it was the spirit of a family member that had come to visit them Only 11 said that they did not believe and had never heard anything regarding that Since ancient times many cultures have had that belief that black butterflies are messengers of death However there are also some countries where they believe they bring good luck What do you believe Are black butterflies messengers of death or not Or are you one of the people who believe that when they see one it announces good fortune Surely if a black butterfly has ever entered your home and shortly after you received news that close one had passed away you probably believe it But if more than once they ve entered in your home and nobody has ever passed away then you probably don t believe in it In this story strange things happened to two women who widowed and they were convinced that black butterflies were behind everything that happened to them One of them almost ends up killed by stones thrown by a whole town the other after becoming a widow decided to mourn for her whole life until she died In the end one of them survived being buried by a bunch of stones The other one changed her mind and decided to take off her mourning dress and both ended up getting married again If you want to know what they went through how is it that in the end they changed their minds and got married again I invite you to read this exciting story full of mystery suspense and action and why not a bit of humor as well
