Instead, he gives you a jaw-dropping, uncensored insider's look into the world of music, movies, and television and its biggest stars, starting in the sixties and continuing through to the new century. Richard takes you on a journey that few have experienced, from his early days as a student at Oxford to the wild, lascivious nights of being a disco DJ, touring the clubs of Europe to coming to America and working with Michael Jackson, Barbra Streisand, and Sarah Jessica Parker, and finally breaking through into the L.A. radio scene and becoming the number one morning drive personality in California. From his TV and radio shows to his feature films and live gigs, Richard shares stories that have until now remained secret. His unique perspective will take you on the road with Depeche Mode to Australia, with Spandau Ballet into the recording studio with Morrissey, and onto the main stage at Live Aid with Duran Duran. He opens up about his friendships with Michael Hutchence and George Michael, as well as his passionate love affair with Terri Nunn of Berlin. This is a no-holds-barred look at life, sex, and death, set to a pulsing backbeat of music. For the first time, Richard Blade shares his extraordinary story, allowing us to see the world through his eyes.

The Face James Stanley, 2017-09-28 It was a beautiful late April day in 1968. She had decided to take her baby for a stroll. The Loving and The

Dead: Tales of the Supernatural Catherine Lim, 2019-08-15 Catherine Lim's free wheeling imagination cheerfully dispenses with all constraints to tell stories of that other world. Written with an exaggerated sense of earnestness and caution, the eighteen tales in this collection elicit in the reader the very goosebumps of terror she had herself experienced as a child listening to such tales. As an adult, these goosebumps persist for her. However, they no longer arise from fear but from a sense of awe and mystery that she feels when she considers this large existential question: Despite our extensive scientific knowledge today, what do we know of the supernatural? What can we know of the supernatural? Catherine's deep and abiding sense of mystery is reflected in the pronouncement by one of her characters in the last story in this collection: "I don't know. I don't know. I wish I did."

Two Hearts Forever Debra Clopton, 2023-01-21 FOREVER AND FOR ALWAYS Book Four Life as he knows it has just been altered for charter boat captain Brandon B.J. McCall. He's just learned he has a brother and he's inherited millions, complicated just a little, and he's not exactly sure how he feels about either. But rescuing a beautiful Pink Kitty shorty pajama-clad female from the roof of her house is a complication he can enjoy. Being rescued by a stranger who could rival any of her Hollywood clients isn't exactly what Olivia had planned when she came home to hide out. Falling for the guy who she learns is perfect tabloid material in his own right is not a smart PR move. She's trying to get off the cover of the gossip magazines, not hold her spot for eternity. But it's complicated. Especially on the beaches of Windswept Bay where romance is in the air and love is a complication that just might be undeniable.

The last thing she needs is the only man she's loved and lost coming back to town. Undercover cop Ryan Locke is back in Windswept Bay, but for how long? He broke her heart once when he chose his career over her. Can he be the answer to her prayers, or will his dedication to justice take him away from her once more?

But unknown to her, Kevin has a plan and has decided that if God and Santa won't give him what he wants, then maybe the police can. When the very handsome Chief of Police Levi Sinclair shows up as Kevin's Show and Tell, he believes as does Jessica that her son has asked him there to show him off as the police chief. It's a little awkward when Kevin introduces Levi as his next daddy.
