Mota 4 Integrity:

Singularity and Other Stories Melanie Tem, 2018-02-28 Singularity gathers award winning writer Melanie Tem's most important short fiction highlighting her diversity and mastery of her art. The sixty stories collected here range from *Sitting with the Driver* a western with a dark woman at its center to *Little Shit* a contemporary tale of a woman who uses her deceptive appearance and psychic power to trap those who prey on the helpless. The child in *Corn teeth* longs not only to become a part of an alien family but also to become an alien. And in the title tale a man studies singularities and string theory to both understand and blind himself to the truth about the woman he loves. Although the story is not science fiction its exploration of physics is as rigorous as that found in the best sf. Here you will find no triumphant warriors no powerful and beautiful protagonists no monsters from beyond the dark cold void or madmen bent on conquest. Tem's characters are mothers and siblings orphans and lonely seniors. Her stories are often about family and always about relationships. Even though Kelly is the only character in *Iced* in the bitter truth that lies at the story's heart is that she is doomed by her failure to maintain relationships. Melanie Tem's stories are often haunted by ghosts and monsters ghosts and monsters revealed as all too human. In *Singularity* she explores the love and terror that lie deep within all of us. *Witch-Light* Melanie Tem, Nancy Holder, 2019-03-12 Twenty year old Valerie Kittridge is horrified to learn that her father has had a stroke. As an only child and with her mother dead her father is all she has in the world and she leaves her life as a film student in California to nurse her father back to health. On her wild late night car ride to Duerme the small town in New Mexico where her father lives with his girlfriend she is besieged with a host of strange and terrifying dark omens and flashbacks to her childhood. For there is something waiting for Valerie at Duerme not just her stricken father but an irresistible stranger who had saved her life many years ago the man of her dreams. In *Witch Light* Nancy Holder and Melanie Tem collaborate on the second of their fascinating demon lover stories. The first one *Making Love* was a sensual variation on the Frankenstein theme. *Witch Light* is the mesmerizing story of a dark mysterious devastatingly handsome man named Gabriel a bruja or male witch who draws Valerie into a twisted romance that will take her to the very edge of love and obsession. Full of the magic and mystery of the Southwest *Witch Light* is a bittersweet compelling mix of romance horror and fantasy a dark journey into a strange and wonderful world of folk magic superstition and obsessive love that knows no bounds. *Making Love* Melanie Tem, Nancy Holder, 2019-03-24 *CARESS IN AN EMPTY ROOM* Once Charlotte Tobias was a prim and severe schoolteacher wielding her red pencil writing to imaginary lovers and hiding the letters in a closet. Then on the night of her fortieth birthday Charlotte dreamed of love and her life would never be the same again. He came to her her own creation bold and dark naked and rippling with muscles. She named him Phanes. She gave him poetry and curiosity and let him make love to her in ways and places she could never have imagined. She let him awaken her and change her and take her to the edge of her fantasies. But now Charlotte is losing control of her perfect lover. Her creation is leading her on a voyage through madness and anger and

loss revealing to Charlotte what truths lie just beyond her consciousness what horrors can grow in the absence of a soul
