

# Motel In America

**John Margolies**

## **Motel In America:**

The Motel in America John A. Jakle, Keith A. Sculle, Jefferson S. Rogers, 1996 In the second volume of the acclaimed Gas Food Lodging trilogy authors John Jakle Keith Sculle and Jefferson Rogers take an informative entertaining and comprehensive look at the history of the motel From the introduction of roadside tent camps and motor cabins in the 1910s to the wonderfully kitschy motels of the 1950s that line older roads and today s comfortable but anonymous chains that lure drivers off the interstate Americans and their cars have found places to stay on their travels Motels were more than just places to sleep however They were the places where many Americans saw their first color television used their first coffee maker and walked on their first shag carpet Illustrated with more than 230 photographs postcards maps and drawings *The Motel in America* details the development of the motel as a commercial enterprise its imaginative architectural expressions and its evolution within the place product packaging concept along America s highways As an integral part of America s landscape and culture the motel finally receives the in depth attention it deserves **Motel America** Andrew Wood, Jenny L. Wood, 2004 A guide to funky retro and off the beaten path motels around the United States from the author of ROAD TRIP AMERICA Featured motels include one where the windows face a working drive in theater making your bed the best seat in the house and another where each room is an individual teepee Learn the inspiring stories of owners maintaining impossible to duplicate motels in the face of cookie cutter chains **Home Away from Home** John Margolies, 1995 In lively text and more than 200 photos most in color the bestselling author of Pump and Circumstance brings to life the weird and wonderful world of American roadside lodging Packed with fascinating trivia and rare motel ephemera 225 photos 175 in color **The American Motel** Michael Karl Witzel, 2000 Renowned pop culture historian Witzel examines the evolution architecture and decor of the American motel in all its forms from the traditional motor court to gimmicks such as miniature log cabins cement teepees and more 200 photos 150 in color *Sleeping Around in America* Andrew Beattie, 2020-03-16 Explore 50 of America s remaining iconic roadside motels Admire the magical allure of their neon signs unique architecture and their beautiful design that beckon you off the highway through a collection of astonishing photographs Meet the moteliers creating the experience for a new generation to enjoy The stories and photographs in *Sleeping Around in America* give readers an opportunity to rekindle fond memories of family vacations road trips and childhood experiences while providing a roadmap of motels where they can travel to today A book to satisfy armchair travellers American pop culture enthusiasts and nostalgia seeking adventure romantic explorers *Exiled in America* Christopher P. Dum, 2016-10-04 Residential motels have long been places of last resort for many vulnerable Americans released prisoners people with disabilities or mental illness struggling addicts the recently homeless and the working poor Cast aside by their families and mainstream society they survive in squalid unsafe and demeaning circumstances that few of us can imagine For a year the sociologist Christopher P. Dum lived in the Boardwalk Motel to better understand its residents and the varied paths that brought them there He

witnessed moments of violence and conflict as well as those of care and compassion As told through the voices and experiences of motel residents Exiled in America paints a portrait of a vibrant community whose members forged identities in response to overwhelming stigma and created meaningful lives despite crushing economic instability In addition to chronicling daily life at the Boardwalk Dum follows local neighborhood efforts to shut the establishment down leading to a wider analysis of legislative attempts to sanitize shared social space He also suggests meaningful policy changes to address the societal failures that lead to the need for motels such as the Boardwalk The story of the Boardwalk and the many motels like it will concern anyone who cares about the lives of America s most vulnerable citizens *Sleeping Around in America* Andrew Beattie,2020 Explore 50 of America s remaining iconic roadside motels Admire the magical allure of their neon signs unique architecture and their beautiful design that beckon you off the highway through a collection of astonishing photographs Meet the moteliers creating the experience for a new generation to enjoy The stories and photographs in *Sleeping Around in America* give readers an opportunity to rekindle fond memories of family vacations road trips and childhood experiences while providing a roadmap of motels where they can travel to today Publisher s description **Hotel America** Lewis Lapham,1995-10-17 Winner of the 1995 National Magazine Award for Essays and Criticism this work observes the spectacle of democratic life and values in our time and asks who is signing in and who is checking out of the American experiment at the fin de si cle Culled from Lewis Lapham s monthly Notebook column for Harper s magazine these essays describe the period between the winter of 1989 and the spring of 1995 in which the American explaining classes were casting around for a national folktale to take the place of the communist conspiracy In this book Lewis Lapham draws a portrait of a society at a loss to know what to think or make of itself at the end of a century once defined as America s own His observations speak to the moral and intellectual confusions visited upon the American ruling elites in the media and the universities as well as in business and government during the years 1989 1995 The spectacle is both comic and sad a march of folly that calls forth Lapham s range as an essayist Lapham s sketches take as their occasions events as different from one another as the wars in Panama and the Persian Gulf the apotheosis of Richard Nixon and the transfiguration of O J Simpson the grim inspections of the American soul conducted by the agents of both the pious left no smoking cigarettes no dirty water in the swimming pools condoms in the schools and the zealous right no serial murders in the movies no lesbians in the army prayer in the schools the media s use of history as wallpaper and elevator music the dwindling significance of President Clinton vanishing as mysteriously as the Cheshire cat and the bombastic arrival of Newt Gingrich a man for all grievances the practice of swindling the stockholders and the art of changing gossip into news *Motels in America: A Visual Journey* Pasquale De Marco,2025-07-10 From the early days of the automobile to the present day motels have been a ubiquitous part of the American landscape They have provided a place to rest for weary travelers a place to conduct business and a place to create memories In this book Pasquale De Marco takes readers on a journey through the history of the American motel We

will explore the different types of motels that have been built over the years from the simple roadside cabins of the early 20th century to the luxurious resorts of today We will also learn about the people who have owned and operated motels from the immigrant families who started out with nothing to the corporate giants who now dominate the industry Along the way we will discover the many ways that motels have played a role in American culture They have been the setting for countless movies TV shows and songs They have also been a place where people from all walks of life have come together to share stories make new friends and experience the American dream Whether you re a lifelong fan of motels or you re just curious to learn more about this fascinating part of American history this book is for you Join us on a journey through the history of the American motel and discover the many ways that these roadside havens have shaped our culture About the Author Pasquale De Marco is a lifelong fan of motels He has traveled extensively throughout the United States staying in motels of all shapes and sizes He has written numerous articles about motels and he is the author of several books on the subject If you like this book write a review

Remembering Roadside America John A. Jakle, Keith A. Sculle, 2011-09-30 The use of cars and trucks over the past century has remade American geography pushing big cities ever outward toward suburbanization spurring the growth of some small towns while hastening the decline of others and spawning a new kind of commercial landscape marked by gas stations drive in restaurants motels tourist attractions and countless other retail entities that express our national love affair with the open road By its very nature this landscape is ever changing indeed ephemeral What is new quickly becomes old and is soon forgotten In this absorbing book John Jakle and Keith Sculle ponder how Roadside America might be remembered especially since so little physical evidence of its earliest years survives In straightforward and lively prose supplemented by copious illustrations historic and modern photographs advertising postcards cartoons roadmaps they survey the ways in which automobility has transformed life in the United States Asking how we might best commemorate and preserve this part of our past which has been so vital economically and politically so significant to the cultural aspirations of ordinary Americans yet so often ignored by scholars who dismiss it as kitsch they propose the development of an actual outdoor museum that would treat seriously the themes of our roadside history Certainly museums have been created for frontier pioneering the rise of commercial agriculture and the coming of water and steam powered industrialization and transportation especially the railroad Is now not the time the authors ask for a museum forcefully exploring the automobile s emergence and the changes it has brought to place and landscape Such a museum need not deny the nostalgic appeal of roadsides past but if done properly it could also tell us much about what the authors describe as the most important kind of place yet devised in the American experience John A Jakle is Emeritus Professor of Geography at the University of Illinois Urbana Champaign Keith A Sculle is the former head of research and education at the Illinois Historic Preservation Agency They have coauthored such books as America s Main Street Hotels Transiency and Community in the Early Automobile Age Motoring The Highway Experience in America Fast Food Roadside Restaurants in the Automobile Age
