Mother Deer:

The Mother Deer Edith Thacher Hurd, 1972-01-01 Describes a year in the life of a mother deer from the birth of her fawns to her mating again and the birth of another set of fawns [In the Hands of a Child: Deer](#), **Little Dramas for Primary Grades** Lillian Nixon Lawrence, Ada M. Skinner, 2022-06-02 In *Little Dramas for Primary Grades* Lillian Nixon Lawrence exhibits a keen understanding of childhood wonder and pedagogy through more than thirty plays designed for children's performance. With an emphasis on the cultivation of moral principles and the appreciation of nature and community, each piece in this anthology is crafted with succinct dialogue and simple yet substantive storytelling. The book is a testament to Lawrence's literary acumen, weaving together the enchanting rhythms of children's literature with the educational value of performative role play. The themes of friendship and festivity are particularly notable, as seen in works like *The Little Christmas Tree* and *A Friendship Declined*, providing young readers with digestible and entertaining conduits for learning life's lessons. Lawrence, an expert in primary education and children's literature, brings to this collection a wealth of experience that informs the depth and accessibility of her writing. Her background evidently shapes her approach to stories that are pedagogically sound and creatively engaging. This is reflected in her deft use of anthropomorphism, drawing upon characters from the animal kingdom to relay experiences aligned with the developmental stages and psychological interests of young children. From *Bunny Rabbit* to *The Fox's Plan*, Lawrence's adroit narratives speak to children on their own terms, fostering an environment of learning wrapped in the delight of storytelling. This anthology is a must-read for educators, parents, and anyone dedicated to the intellectual and moral development of children. Lawrence's plays facilitate not only performance arts literacy but also collaborative teamwork and empathy among young learners. For those seeking to cultivate a learning atmosphere that values creativity alongside character education, *Little Dramas for Primary Grades* offers an exemplary model of how literature can engage the imagination and impart enduring values. It stands as a sterling example of how the arts can be seamlessly integrated into early childhood education to enrich the lives and ethics of its participants.

Little Dramas for Primary Grades Ada Maria Skinner, Lillian Nixon Lawrence, 1913 *The History and Environmental Impacts of Hunting Deities* Richard J. Chacon, 2023-10-31 This edited volume analyzes the belief in supernatural gamekeepers and/or animal masters of wildlife from a cross-cultural perspective. It documents the antiquity and widespread occurrence of the belief in supernatural gamekeepers at the global level. This interdisciplinary volume documents both the antiquity and the widespread geographical distribution of this belief, along with surveying the various manifestations of this cosmology by way of studies from Europe, Asia, Africa, and North and South America. Some chapters explore the manifestations of this belief as they appear in petroglyphs, pictographs, and other forms of material culture. Others focus on the environmental impacts of these beliefs, rituals, and prescribed foraging restrictions by analyzing how they affect game harvests. The internationally recognized scholars in this volume assess the efficacy of this particular form of traditional
