Mother Knot:

Mother Reader Moyra Davey, 2011-01-04 The intersection of motherhood and creative life is explored in these writings on mothering that turn the spotlight from the child to the mother herself Here in memoirs testimonials diaries essays and fiction mothers describe first hand the changes brought to their lives by pregnancy childbirth and mothering Many of the writers articulate difficult and socially unsanctioned maternal anger and ambivalence In Mother Reader motherhood is scrutinized for all its painful and illuminating subtleties and addressed with unconventional wisdom and candor What emerges is a sense of a community of writers speaking to and about each other out of a common experience and a compilation of extraordinary literature never before assembled in a single volume

Mad Mothers, Bad Mothers, and What a "Good" Mother Would Do Sarah LaChance Adams, 2014-04-29 When a mother kills her child we call her a bad mother but as this book shows even mothers who intend to do their children harm are not easily categorized as mad or bad Maternal love is a complex emotion rich with contradictory impulses and desires and motherhood is a conflicted state in which women constantly renegotiate the needs mother and child the self and the other Applying care ethics philosophy and the work of Emmanuel Levinas Maurice Merleau Ponty and Simone de Beauvoir to real world experiences of motherhood Sarah LaChance Adams throws the inherent tensions of motherhood into sharp relief drawing a more nuanced portrait of the mother and child relationship than previously conceived The maternal example is particularly instructive for ethical theory highlighting the dynamics of human interdependence while also affirming separate interests LaChance Adams particularly focuses on maternal ambivalence and its morally productive role in reinforcing the divergence between oneself and others helping to recognize the particularities of situation and negotiating the difference between one s own needs and the desires of others She ultimately argues maternal filicide is a social problem requiring a collective solution that ethical philosophy and philosophies of care can inform

Difficult Mothers: Understanding and Overcoming Their Power Terri

Apter,2012-05-07 An essential work for readers seeking compassionate wise guidance about the powerful relationship between mothers and their sons and daughters Mother love is often seen as sacred but for many children the relationship is a painful struggle Using the newest research on human attachment and brain development Terri Apter an internationally acclaimed psychologist and writer unlocks the mysteries of this complicated bond She showcases the five different types of difficult mother the angry mother the controlling mother the narcissistic mother the envious mother and the emotionally neglectful mother and explains the patterns of behavior seen in each type Apter also explores the dilemma at the heart of a difficult relationship why a mother has such a powerful impact on us and why we continue to care about her responses long after we have outgrown our dependence She then shows how we can conduct an emotional audit on ourselves to overcome the power of the complex feelings a difficult mother inflicts In the end this book celebrates the great resilience of sons and daughters of difficult mothers as well as acknowledging their special challenges

Textual Mothers/Maternal Texts

Elizabeth Podnieks,Andrea O'Reilly,2011-04-07 Textual Mothers Maternal Texts focuses on mothers as subjects and as writers who produce auto biography fiction and poetry about maternity International contributors examine the mother without child with child and in her multiple identities as grandmother mother and daughter The collection examines how authors use textual spaces to accept negotiate resist or challenge traditional conceptions of mothering and maternal roles and how these texts offer alternative practices and visions for mothers Further it illuminates how textual representations both reflect and help to define or re shape the realities of women and families by examining how mothering and being a mother are political personal and creative narratives unfolding within both the pages of a book and the spaces of a life The range of chapters maps a shift from the daughter centric stories that have dominated the maternal tradition to the matrilineal and matrifocal perspectives that have emerged over the last few decades as the mother s voice moved from silence to speech Contributors make aesthetic cultural and political claims and critiques about mothering and motherhood illuminating in new and diverse ways how authors and the protagonists of the texts read their own maternal identities as well as the maternal scripts of their families cultures and nations in their quest for self knowledge agency and artistic expression

Mothers on Trial Phyllis Chesler,2011-07-01 Completely updated and revised for the twenty first century *Mothers on Trial* remains the bible for all women facing a custody battle as well as the lawyers psychologists and others who support them This landmark book was the first to break the false stereotype about mothers getting preferential treatment over fathers when it comes to custody In this new edition Chesler shows that with few exceptions the news has only gotten worse when both the father and the mother want custody the father usually gets it The highly praised *Mothers on Trial* is essential reading for anyone concerned personally or professionally with custody rights and the well being of our children

Mothers and Such Maxine L. Margolis, 1985-08-07 **What Do Mothers Want?** Sheila F. Brown, 2013-05-13 What do mothers want and need from their parenting partners their extended families their friends colleagues and communities And what can mental health professionals do to help them meet their daunting responsibilities in the contemporary world The talented contributors to What Do Mothers Want address these questions from perspectives that encompass differences in marital status parental status gender and sexual orientation Traversing the biological psychological cultural and economic dimensions of mothering they provide a compelling brief on the perplexing choices confronting mothers in the contemporary world Of course mothers most basically want their children to be safe and healthy But to this end they want and need many things caring partners intergenerational and community support a responsive workplace public services and opportunities to share their experiences with other mothers And they want their feelings and actions as mothers to be understood and accepted by those around them and by society at large The role of psychotherapy in reaching these latter goals is taken up by many of the contributors They reflect on the special psychological challenges of pregnancy birth and the arrival of a newborn into a couple s whether hetero or homosexual life and they address new venues of therapeutic assistance such as brief low cost therapy for at risk mothers and infants and group interventions to help couples grow into the new role of parental couples

The Voice of the Mother Jo Malin, 2000 Analyzing this narrative practice Malin examines ten texts by women who seem particularly compelled to tell their mothers stories Each author is in fact able to write her own autobiography only by using a narrative form that contains her mother s story at its core These texts raise interesting questions about autobiography as a genre and about a feminist writing practice that resists and subverts the dominant literary tradition

Counterfeit Ladies Janet Todd, Elizabeth Spearing, 1994 Accused of transvestism and trickery indicted for bigamy and hanged for robbery Mary Carleton the German Princess was the most notorious female rogue of her time Mary Frith alias Mal Cutpurse was a similarly spectacular transgressor a resident of London s infamous Alsatia district a criminal sanctuary between Fleet Street and the Thames she was renowned for strolling the streets of seventeenth century London in men s clothes The Case of Mary Carleton and The Life and Death of Mary Frith

are reprinted here for the first time since their original publication in 1663 and 1662 respectively In the tradition of Daniel Defoe s Moll Flanders these are the semi fictional biographies of these two extraordinary criminals They reveal to us a world in which women smoked in taverns drank to excess in alehouses and regaled revelers with anecdotes around a fire all perilous activities for a woman in a society which considered modesty silence and obedience the feminine virtues of the day

Representations of Motherhood Donna Bassin, Margaret Honey, Meryle Mahrer Kaplan, 1994-01-01 Explores the maternal experience from the mother s point of view The book questions a society that has devalued and sentimentalized motherhood and presents images of generative and creative women who are also mothers It also discusses the portrayal of mothers in art film and literature

Mother Knot Introduction

In the digital age, access to information has become easier than ever before. The ability to download Mother Knot has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Mother Knot has opened up a world of possibilities. Downloading Mother Knot provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Mother Knot has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Mother Knot. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Mother Knot. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Mother Knot, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Mother Knot has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
