Mother London:

Mother London Michael Moorcock, 2025-05-20 Shortlisted for the Whitbread Award award winning author of the Elric series Michael Moorcock offers a captivating and immersive portrait of London from World War II through the 1980s through the eyes of three outpatients from a mental hospital In this masterful exploration of the human condition three outpatients from a mental hospital a music hall artist reclusive writer and a woman just awoken from a long coma experience the history of London from the Blitz to the late 1980s through a chaotic experience of sensory delusions Believing themselves to hear voices from London's past their fragmented and poignant stories create a tapestry of episodes snippets and sidelines that capture the essence of those living on society's fringes What The Guardian calls a great humane document Mother London is a literary work that transcends time and place and is a must read for literary and historical fiction fans alike **London**

Made Us Robert Elms, 2019-03-07 London is a giant kaleidoscope which is forever turning Take your eye off it for more than a moment and you're lost Robert Elms has seen his beloved city change beyond all imagining London in his lifetime has morphed from a piratical bomb scarred playground to a swish cosmopolitan metropolis Motorways driven through lost communities accents changing skyscrapers appearing Yet still it remains to him the greatest place on earth Elms takes us back through time and place to myriad Londons He is our guide through a place that has seen scientific experiments conducted in subterranean lairs and a small community declare itself an independent nation a place his great great grandfather made the Elms home over a century ago and a city that has borne witness to world changing events

Mothers Jacqueline Rose, 2018-05 An essay about culture and feminism argues that human culture simultaneously romanticizes and vilifies mothers making them into a scapegoat for all failings *The Victorian Girl and the Feminine Ideal* Deborah Gorham, 2012-10-09 In Victorian England the perception of girlhood arose not in isolation but as one manifestation of the prevailing conception of femininity Examining the assumptions that underlay the education and upbringing of middle class girls this book is also a study of the learning of gender roles in theory and reality It was originally published in 1982 The first two sections examine the image of women in the Victorian family and the advice offered in printed sources on the rearing of daughters during the Victorian period To illustrate the effect and evolution of feminine ideals over the Victorian period the book's final section presents the actual experiences of several middle class Victorian women who represent three generations and range socioeconomically from lower middle class through upper middle class *The Mother's Legacy in Early Modern England* Ms Jennifer Heller, 2013-05-28 Using printed and manuscript texts composed between 1575 and 1672 Jennifer Heller defines the genre of the mother's legacy as a distinct branch of the advice tradition in early modern England that takes the form of a dying mother's pious counsel to her children Reading these texts in light of specific cultural contexts social trends and historical events Heller explores how legacy writers used the genre to secure personal and family status to shape their children's beliefs and behaviors and to intervene in the period's tumultuous religious and political debates The

author's attention to the fine details of the period's religious and political swings drawn from sources such as royal proclamations sermons and first hand accounts of book burnings creates a fuller context for her analysis of the legacies. Similarly Heller explains the appeal of the genre by connecting it to social factors including mortality rates and inheritance practices. Analyses of related genres such as conduct books and fathers' legacies highlight the unique features and functions of mothers' legacies. Heller also attends to the personal side of the genre demonstrating that a writer's education marriages children and turns of fortune affect her work within the genre.

Contemporary Caribbean Women's Poetry Denise DeCaires Narain, 2002 *Contemporary Caribbean Women's Poetry* provides detailed readings of individual poems by women poets whose work has not yet received the sustained critical attention it deserves. These readings are contextualized both within Caribbean cultural debates and postcolonial and feminist critical discourses in a lively and engaged way revisiting nationalist debates as well as topical issues about the performance of gendered and raced identities within poetic discourse. Newly available in paperback this book is groundbreaking reading for all those interested in postcolonialism Gender Studies Caribbean Studies and contemporary poetry.

Consuming Books Stephen Brown, 2006-04-18 The buying selling and writing of books is a colossal industry in which marketing looms large yet there are very few books which deal with book marketing how to texts excepted and fewer still on book consumption. This innovative text not only rectifies this but also argues that far from being detached the book business in fact epitomises today's Entertainment Economy fast moving hit driven intense competition rapid technological change etc. Written by an impressive roster of renowned marketing authorities many with experience of the book trade and all gifted writers in their own right *Consuming Books* steps back from the practicalities of book marketing and takes a look at the industry from a broader consumer research perspective. Consisting of sixteen chapters divided into four loose sections this key text covers a historical overview the often acrimonious marketing literature interface the consumers of books from book groups to bookcrossing a consideration of the tensions that both literary types and marketers feel. With something for everyone *Consuming Books* not only complements the how to genre but provides the depth that previous studies of book consumption conspicuously lack.

Disjointed Perspectives on Motherhood Catalina Florina Florescu, 2013-10-29 *Disjointed Perspectives on Motherhood* presents the accounts of mothers who have suffered a major physical and/or psychically traumatic accident and as a consequence their minds and bodies have been drastically changed. They live under the pressure of having discovered the alter ego of their traumatized personality and now distressed cannot embrace their unconditional maternal love. Instead they enter into a phase where they face the challenge of revealing who they are as persons before accepting or motivating themselves as mothers. The mothers presented in this volume also seem to have another thing in common their transnational fluid female identity as they enter into an imaginary dialog that transcends geographical and temporal perspectives on womanhood and motherhood. This collection introduces and analyzes recurrent words that define a woman's body and mind today fear competition motherhood and career rights.

selfishness ambition destruction distance and identity By using unprecedented comparative critical approaches such as phenomenological medical feminist and re enchantinent theories and by analyzing works from literature cinema and visual arts this collection attempts to reestablish and redefine a canonical concept with the intention to revitalize an otherwise taken for granted image and role

Medieval and Renaissance Lactations Jutta Gisela Sperling, 2016-04-22 The premise of this volume is that the ubiquity of lactation imagery in early modern visual culture and the discourse on breastfeeding in humanist religious medical and literary writings is a distinct cultural phenomenon that deserves systematic study Chapters by art historians social and legal historians historians of science and literary scholars explore some of the ambiguities and contradictions surrounding the issue and point to the need for further study in particular in the realm of lactation imagery in the visual arts This volume builds on existing scholarship on representations of the breast the iconography of the Madonna Lactans allegories of abundance nature and charity women mystics food centered practices of devotion the ubiquitous practice of wet nursing and medical theories of conception It is informed by studies on queer kinship in early modern Europe notions of sacred eroticism in pre tridentine Catholicism feminist investigations of breastfeeding as a sexual practice and by anthropological and historical scholarship on milk exchange and ritual kinship in ancient Mediterranean and medieval Islamic societies Proposing a variety of different methods and analytical frameworks within which to consider instances of lactation imagery breastfeeding practices and their textual references this volume also offers tools to support further research on the topic

Motherhoods, Markets and Consumption Stephanie O'Donohoe, Margaret Hogg, Pauline Maclaran, Lydia Martens, Lorna Stevens, 2013-10-30 It takes more than a baby to make a mother and mothers make more than babies Bringing together a range of international studies Motherhoods Markets and Consumption examines how marketing and consumer culture constructs particular images of what mothers are what they should care about and how they should behave exploring how women s use of consumer goods and services shapes how they mother as well as how they are seen and judged by others Combining personal accounts from many mothers with different theoretical perspectives this book explores How advertising media and consumer culture contribute to myths and stereotypes concerning good and bad mothers How particular consumer choices are bound up with women s identities as mothers The role of consumption for women entering different phases of their mothering lives such as pregnancy early motherhood and the empty nest

Approaches to Communication through Music Margaret Corke, 2014-06-03 One of the ways forward when working with those who have little or no speech or limited comprehension of language is to use music In this book tried and tested approaches and activities devised to promote the development of communication and social interaction at a fundamental level are clearly set out The ethos behind this manual is a person centered approach within a structured framework and allowing for differentiation and improvisation according to the learner s individual needs and developmental levels This is a practical guide that contains lots of ideas and original activities for the specialist and non specialist alike It provides original

songs and music scores activities and games and suggestions for group work for learners at a variety of levels This book will be helpful to teachers carers therapists and parents who work or live with people with severe or profound and multiple learning difficulties Music teachers and coordinators working in mainstream early years and primary education will also find the songs and activities useful **Irish Writing London: Volume 2** Tom Herron,2012-12-06 The presence of Irish writers is almost invisible in literary studies of London The Irish Writing London redresses the critical deficit A range of experts on particular Irish writers reflect on the diverse experiences and impact this immigrant group has had on the city Such sustained attention to a location and concern of Irish writing long passed over opens up new terrain to not only reveal but create a history of Irish London writing Alongside discussions of MacNeice Boland and McGahern the autobiography of Brendan Behan and identity of Irish language writers in London is considered Written by an internal array of scholars these new essays on key figures challenge the deep seated stereotype of what constitutes the proper domain of Irish writing producing a study that is both culturally and critically alert and a dynamic contribution to literary criticism of the city

London Fiction at the Millennium Claire Allen,2020-09-28 This book analyses London fiction at the millennium reading it in relation to an exploration of a theoretical positioning beyond the postmodern It explores how a selection of novels can be considered as second wave or post postmodern in light of their borrowing more from mainstream and classical genres as opposed to formally experimental avant garde techniques It considers how writers utilise the cultural capital of London in a process of relocating marginalized subjugated or under represented voices The millennium provides an apt symbolic opportunity to reflect on British fiction and to consider the direction in which contemporary authors are moving As such key novels by Martin Amis Bella Bathurst Bernardine Evaristo Mark Haddon Nick Hornby Hanif Kureishi Andrea Levy Gautam Malkani Timothy Mo Will Self Ali Smith Zadie Smith Rupert Thomson and Sarah Waters are used to explore writing beyond the postmodern In this significant and welcome contribution to the field Allen provides us with a sophisticated detailed and rigorous study of the move in contemporary fiction beyond postmodernism as exemplified by London fiction Nick Hubble Brunel University London UK [Imagining Home](#) Wendy Webster,1998 Imagining Home offers a unique examination of ideas and images of home in Britain during a period of national decline and loss of imperial power In exploring the relationship between gender race and national identity it highlights the continuing importance of empire in imaginings of the nation during a period of decolonization Analyzing the significance of colonialism and racism in shaping ideas of motherhood employment and domesticity it traces the process by which Englishness was increasingly associated with domestic order and the home and family constructed as white Drawing extensively on oral history and life writing Imagining Home examines the multiple meanings of home to women in narratives of belonging and unbelonging Its focus on the complex interrelationships of white and black women s lives and identities offers a new perspective on this period *The King Who Had To Go* Adrian Phillips,2016-10-13 The previously untold story of the hidden politics that went on behind the scenes during the handling of

the Royal abdication crisis of 1936 *The King Who Had to Go* describes the harsh realities of how the machinery of government responds when even the King steps out of line It reveals the pitiless and insidious battles in Westminster and Whitehall that settled the fate of the King and Mrs Simpson Prime Minister Stanley Baldwin had to fight against ministers and civil servants who were determined to pressure the King into giving up Mrs Simpson and when that failed into abdicating Dubious police reports on Mrs Simpson's sex life poisoned the government's view of her and were used to blacken her reputation Threats to sabotage her divorce were deployed to edge the King towards abdication Covert intelligence operations convinced the hardliners that the badly coordinated and hopeless attempts of the King's allies particularly Winston Churchill to keep him on the throne amounted to a sinister anti constitutional conspiracy The book also shows how the King doomed his chances of keeping the throne by wildly unrealistic goals and ill thought out schemes As each side was overwhelmed by desperation and distrust Baldwin somehow held the balance and steered the crisis to as smooth a conclusion as possible

The Nation's Cause Elizabeth A. Marsland, 2012-11-12 As we approach the centenary of the outbreak of the First World War this timely reissue first published in 1991 evaluates the function of poetry in wartime Europe arguing that war poetry must be understood as a social as well as a literary phenomenon As well as locating the work of well known French English and German war poets in a European context Elizabeth Marsland discusses lesser known poetry of the war years including poems by women and the neglected tradition of civilian protest through poetry Identifying shared characteristics as well as the unique features of each nation's poetry *The Nation's Cause* affords new insight into the relationship between nationalism and the social attitudes that determined the conduct of war

Drug Misuse and Motherhood Marcia Jackson, Hilary Klee, Suzan Lewis, 2003-09-02 The growing use of illicit drugs among women has become a major concern for health professionals and social services The reluctance of drug using women to seek help from drug agencies and to disclose their use of drugs to ante natal midwifery and social services is now officially recognised by government agencies However devising an appropriate strategy that will overcome these fears will not be easy without a better understanding of their causes and effects *Drug Misuse and Motherhood* gives drug using mothers a voice Based on longitudinal research and in depth interviews it provides new insights and much needed information in five key areas family life pregnancy motherhood service delivery and development implications for policy The user perspective of this book is balanced by the professional viewpoint on the same issues It offers a unique source of data for researchers and fresh inspiration for practitioners working in the field

London in the Twentieth Century Jerry White, 2009-11-10 Jerry White's *London in the Twentieth Century* Winner of the Wolfson Prize is a masterful account of the city's most tumultuous century by its leading expert In 1901 no other city matched London in size wealth and grandeur Yet it was also a city where poverty and disease were rife For its inhabitants such contradictions and diversity were the defining experience of the next century of dazzling change In the worlds of work and popular culture politics and crime through war immigration and sexual revolution Jerry White's richly

detailed and captivating history shows how the city shaped their lives and how it in turn was shaped by them Autism and Personality Anne Alvarez, Susan Reid, 2013-04-15 Taking a psychoanalytic and developmental approach Autism and Personality outlines in considerable detail the new developments in therapeutic techniques used by the Tavistock Autism Team and Workshop to treat autistic children It also underlines the importance of support for parents and siblings who are all too often ignored under considerable stress The book presents fresh ideas about the importance of personality for the developmental course of the condition and the implications for psychotherapeutic technique Using case vignettes to illustrate the theoretical ideas emerging from the Workshop coupled with case studies which highlight the patient's changing contact with the therapist it gives a fascinating picture of the individuality of each child and of the sensitivity and skill required for each treatment Accessible to professionals and also to parents Autism and Personality is a valuable insight into the nature and course of this condition and its treatment Women's Fiction Deborah Philips, 2014-06-19 Now in its second edition and with new chapters covering such texts as Elizabeth Gilbert's *Eat Pray Love* and yummy mummy novels such as Allison Pearson's *I Don't Know How She Does It* this is a wide ranging survey of popular women's fiction from 1945 to the present Examining key trends in popular writing for women in each decade Women's Fiction offers case study readings of major British and American writers Through these readings the book explores how popular texts often neglected by feminist literary criticism have charted the shifting demands aspirations and expectations of women in the 20th and 21st centuries
