everyday lives They guide readers to a better understanding of their relationships on a personal level even as they describe the evolving nature of contemporary mother daughter dynamics By providing women with a book that candidly explores the myriad paths and depths to which the mother daughter relationship might wind the authors help readers smooth over the difficulties and power struggles they may be experiencing with their mothers or their daughters or both **News of Female Missions in Connexion with the Church of Scotland** ,1890 India's Women ,1885 *Lutheran Woman's Work* ,1913
