Angelica,2018-01-18 How can I experience God What are His angels like What will I know feel and sense in Heaven In these insightful pages Mother Angelica answers these and countless more otherworldly questions not Mother Angelica the teacher but Mother Angelica the mystic These pages are the fruit of her intense lifelong Eucharistic contemplation and were written in the hundreds of hours she spent in adoration of our Lord in the Blessed Sacrament Out of Her communion with Jesus have come these mystical insights into the nature of God the experience of Heaven and the active work of His holy angels Mother Angelica s meditations on God His home and His angels will open vistas of God s creation that few have ever experienced Mother Angelica on God His Home and His Angels is a unique experience an irreplaceable vision and an unparalleled lesson in what the human spirit is capable of when it is totally open to God Strangers and Friends at the Welcome Table James Hudnut-Beumler,2018-03-19 In this fresh and fascinating chronicle of Christianity in the contemporary South historian and minister James Hudnut Beumler draws on extensive interviews and his own personal journeys throughout the region over the past decade to present a comprehensive portrait of the South s long dominant religion Hudnut Beumler traveled to both rural and urban communities listening to the faithful talk about their lives and beliefs What he heard pushes hard against prevailing notions of southern Christianity as an evangelical Protestant monolith so predominant as to be unremarkable True outside of a few spots no non Christian group forms more than six tenths of one percent of a state s population in what Hudnut Beumler calls the Now South Drilling deeper however he discovers an unexpected blossoming diversity in theology practice and outlook among southern Christians He finds alongside traditional Baptists black and white growing numbers of Christians exemplifying changes that no one could have predicted even just forty years ago from congregations of LGBT supportive evangelicals and Spanish language church services to a Christian homeschooling movement so robust in some places that it may rival public education in terms of acceptance He also finds sharp struggles and political divisions among those trying to reconcile such Christian values as morality and forgiveness the aftermath of the mass shooting at Charleston s Emanuel A M E Church in 2015 forming just one example This book makes clear that understanding the twenty first century South means recognizing many kinds of southern Christianities What Is Heaven?
