Hussey, 1916 **The English Woman's Journal**, 1860 *The Making of "Mammy Pleasant"* Lynn Maria Hudson, 2003 Pleasant's legacy is steeped in scandal and lore Was she a voodoo queen who traded in sexual secrets A madam A murderer In *The Making of Mammy Pleasant* Lynn M Hudson examines the folklore of this remarkable woman's real and imagined powers **Proceedings of the Nantucket Historical Association** Nantucket Historical Association, 1908 **The Civically Engaged Woman** Jill K. Burk, Christina L. McDowell Marinchak, 2024-12-15 *The Civically Engaged Woman Rhetoric and Activism of the Silenced Voice* introduces readers to lesser known women living in the United States between 1820 and 1920 The contributors address why their rhetoric communicative participation and civic actions were noteworthy and impactful and offer implications for the relevance of their work today Through examining these women's communicative engagement the contributors argue for recognition of their civic contributions and celebration of their lives and legacy therefore enlarging our understanding of civic engagement and the heroines and narratives that guide us Scholars of rhetoric communication and women's studies will find this book particularly useful The Subordinated Sex Vern L. Bullough, Brenda Shelton, Sarah Slavin, 1988-10-01 *The Subordinated Sex* traces the enduring powerful legacy of male attitudes toward women their sexuality and their roles as wives and mothers Traditionally the creators and chroniclers of opinion men have until recently written a history that reflects only their own convictions and impressions a history rarely punctuated by a female voice and founded on an almost universal belief in women's inferiority Acclaimed as a pioneering study when first published in 1973 Vern Bullough's work has since established itself as a standard in historical literature on women Updated and revised with Sarah Slavin and Brenda Shelton *The Subordinated Sex* is a vast survey ranging from prehistoric to contemporary times examining a diversity of cultures and taking into account writings from a great variety of sources From a consideration of Babylonian legal codes to Victorian prescriptive medical pamphlets medieval clerical treatises to Islamic erotic poetry Bullough and his coauthors recount not only how men have portrayed women but also how they have justified their subordination of the opposite sex In recent years women have successfully challenged males' self-designated role as gatekeepers of written records and have

found within the past a more complete view of how women lived what they thought and what they achieved By focusing however not on women s history but on the history of men s attitudes toward their female companions The Subordinated Sex reveals more than any other single work the conditions that sparked the feminist movement and the reasons it must inspire a change in the lives of men as well as women

ideals and the reality of maritime life and documents the power of gender to shape both economic development and individual experience Sometimes Think of Me Betsy Tyler, Susan Boardman, Jack Weinhold, Nantucket Historical Association, 2010 Susan Boardman's unique embroideries tell the story of life on Nantucket while Betsy Tyler's biographies tell of the remarkable women who have made Nantucket their home Nantucket James Everett Grieder, Georgan Charnes, 2012 This volume details Nantucket's long history from European settlement in 1659 to whaling culture and Quaker influence to tourist destination Nantucket a Wampanoag word meaning far away island was first settled by Europeans in 1659 The earliest settlers known as the Proprietors envisioned a community of farmers and shepherds but the island found its fortune as a preeminent whaling port in the late 18th and early 19th centuries During its time under Quaker influence Nantucket was a cosmopolitan and dynamic place radical new ideas like abolitionism and women's rights found fertile ground in the Quakers' firm belief in equality As the entrance to the harbor became impassable Nantucket lost its whaling focus and experienced a general economic decline Ironically this downturn and the resulting absence of new building along with modern cultural change became the springboard for its later revival Nantucket was transformed into a tourist destination an artist colony and a summer home to the wealthy and famous with a rich maritime heritage and a proud tradition of historic preservation Ahab's Bride Louise M. Gouge, 2004 Before Captain Ahab encountered Moby Dick he met the woman who would capture his heart Hannah Oldweiler This voyage back to 19th Century Nantucket completes the portrait of the man who ruled the sea with an iron will and introduces to the woman who had a spirit and determination to match When Ahab becomes obsessed with settling a score with the great whale Hannah is left alone to raise their son and to oversee her husband's estate Waiting and praying for his safe return Hannah is faced with loneliness a deep longing in her soul that not even her husband can meet Will Hannah become as independent as Ahab Will she take her future into her own hands Who will fill the emptiness in her heart Click Here to Meet the Author Download the Readers Guide **A History of New England** R.
