Michael Ashkenazi, Jeanne Jacob

Naorai Communion Of The Table:

Naorai Tsune Sesoko,Mitsukuni Yoshida, *Naorai: Communion of the Table* Mitsukuni Yoshida,Sesoko Tsune,1989

Traditional Festivals Christian Roy,2005-06-29 This illustrated reference work covers a wide range of festivals that have sacred origins and are or have been part of a folk tradition a world religion or a major civilization Traditional Festivals A Multicultural Encyclopedia travels around the world and across the centuries to uncover an often unexpected richness of meaning in some of the major sacred festivals of the world s religions the hallowed calendars of ancient civilizations and the seasonal celebrations of tribal cultures From Akitu to Yom Kippur its 150 entries look at the content and context of these festivals from a number of perspectives including those relating to theology anthropology folklore and social theory tracing their historical development and variations across cultures Readers will get a vivid sense of what each festival means to the people celebrating it how each captures its culture s beliefs hopes and fears founding myths and redemptive visions and how each expresses the universal need of humans to connect their lives to a timeless spiritual dimension My Japanese Table Debra Samuels,2012-04-16 Bestselling author and food writer Debra Samuels uses her unique skills and deep love of Japan to make the cuisine of her adopted country attainable in My Japanese Table Bringing a wealth of experience and a great passion for Japanese cooking to the table Debra introduces the aesthetics and quality food that are the hallmarks of Japanese cuisine She learned through her years in Japan that true Japanese homestyle dishes are easy to prepare once you master a few basic techniques And now that authentic Japanese ingredients are available in most supermarkets Japanese food has become far more accessible than ever before The recipes in this Japanese cookbook the result of decades spent teaching and preparing homestyle Japanese dishes include familiar favorites like Hand Rolled Sushi and classic Miso Soup and less familiar but equally welcome dishes such as Lobster Rolls with Wasabi Mayonnaise and Fried Pork Cutlets There is also a chapter on the increasingly popular bento lunch boxes along with a wonderful selection of desserts including the delectable Mochi Dumplings with Strawberries All of the recipes come with stories and cooking tips to help bring the sights aromas and tastes of Japan into your kitchen at home This Japanese cookbook includes chapters on Basic recipes Sushi Snacks and appetizers Soups and salads Rice and noodles Meat and poultry Fish and seafood Vegetable and tofu dishes Bento Desserts and drinks

The Bloomsbury Handbook of Japanese Religions Erica Baffelli,Andrea Castiglioni,Fabio Rambelli,2021-03-25

Providing an overview of current cutting edge research in the field of Japanese religions this Handbook is the most up to date guide to contemporary scholarship in the field As well as charting innovative research taking place this book also points to new directions for future research covering both the modern and pre modern periods Edited by Erica Baffelli Andrea Castiglioni and Fabio Rambelli The Bloomsbury Handbook of Japanese Religions includes essays by international scholars from the USA Europe Japan and New Zealand Topics and themes include gender politics the arts economy media globalization and colonialism The Bloomsbury Handbook of Japanese Religions is an essential reference point for upper level

students and scholars of Japanese religions as well as Japanese Studies more broadly

Household Horror Marc Olivier, 2020-02-11 A scholar examines 14 everyday objects featured in horror films and how they manifest their power and speak to society's fears Take a tour of the house where a microwave killed a gremlin a typewriter made Jack a dull boy a sewing machine fashioned Carrie's prom dress and houseplants might kill you while you sleep In *Household Horror* Marc Olivier highlights the wonder fear and terrifying dimension of objects in horror cinema Inspired by object oriented ontology and the nonhuman turn in philosophy Olivier places objects in film on par with humans arguing for example that a sleeper sofa is as much the star of *Sisters* as Margot Kidder that *The Exorcist* is about a possessed bed and that *Rosemary's Baby* is a conflict between herbal shakes and prenatal vitamins *Household Horror* reinvigorates horror film criticism by investigating the unfathomable being of objects as seemingly benign as remotes radiators refrigerators and dining tables Olivier questions what Hitchcock's *Psycho* tells us about shower curtains What can we learn from Freddie Krueger's greatest accomplice the mattress Room by room Olivier considers the dark side of fourteen household objects to demonstrate how the objects in these films manifest their own power and connect with specific cultural fears and concerns Provides a lively and highly original contribution to horror studies As a work on cinema it introduces the reader to films that may be less well known to casual fans and scholars more conspicuously it returns to horror staples gleefully reanimating works that one might otherwise assume had been critically done to death *Psycho* *The Exorcist* *The Shining* Allan Cameron University of Auckland

[The Culture of Copying in Japan](#) Rupert Cox, 2007-09-12 This book challenges the perception of Japan as a copying culture through a series of detailed ethnographic and historical case studies It addresses a question about why the West has had such a fascination for the adeptness with which the Japanese apparently assimilate all things foreign and at the same time such a fear of their skill at artificially remaking and automating the world around them Countering the idea of a Japan that deviously or ingenuously copies others it elucidates the history of creative exchanges with the outside world and the particular myths philosophies and concepts which are emblematic of the origins and originality of copying in Japan The volume demonstrates the diversity and creativity of copying in the Japanese context through the translation of a series of otherwise loosely related ideas and concepts into objects images texts and practices of reproduction which include shamanic theatre puppetry tea utensils Kyoto town houses architectural models genres of painting calligraphy and poetry sample food displays and the fashion and car industries

[Dictionary of Japanese Food](#) Richard Hosking, 2015-02-24 Nominated for the Glenfiddich Food Book of the Year Award this timeless volume is the first and only book of its kind on the subject A *Dictionary of Japanese Food* helps food lovers around the world decipher the intricacies and nuances of Japanese cooking and its ingredients Definitions in ordinary cookbooks and standard dictionaries such as *akebia* for *akebi* sea cucumber for *namako* plum for *ume* can be inadequate misleading or just plain wrong Richard Hosking's eliminates the mystery by ensuring that each entry in the Japanese English section includes the Japanese term in Roman script the term in kana or kanji or both

a Latin name where appropriate an English definition and for most entries a short annotation The English Japanese section defines important English food terms in Japanese and annotates those needing explanation One hundred small line drawings make it easy for readers to identify everything from mitsuba to the okoze fish and seventeen appendices address the most critical elements of Japanese cuisine from the making of miso and the structure of the Japanese meal to the tea ceremony Newly typeset and featuring a fascinating and informative new foreword by Japanese cookbook author Debra Samuel A Dictionary of Japanese Food will continue to help both food lovers and visitors to Japan discover the wonders of one of the world's great cuisines

Ceremony and Ritual in Japan D. P. Martinez, Jan Van Bremen, 2013-02-01 Japan is one of the most urbanised and industrialised countries in the world Yet the Japanese continue to practise a variety of religious rituals and ceremonies despite the high tech highly regimented nature of Japanese society *Ceremony and Ritual in Japan* focuses on the traditional and religious aspects of Japanese society from an anthropological perspective presenting new material and making cross cultural comparisons The chapters in this collection cover topics as diverse as funerals and mourning sweeping women's roles in ritual the division of ceremonial foods into bitter and sweet the history of a shrine the playing of games the exchange of towels and the relationship between ceremony and the workplace The book provides an overview of the meaning of tradition and looks at the way in which new ceremonies have sprung up in changing circumstances while old ones have been preserved or have developed new meanings

Cuisine and Empire Rachel Laudan, 2013-11-21 Rachel Laudan tells the remarkable story of the rise and fall of the world's great cuisines from the mastery of grain cooking some twenty thousand years ago to the present in this superbly researched book Probing beneath the apparent confusion of dozens of cuisines to reveal the underlying simplicity of the culinary family tree she shows how periodic seismic shifts in culinary philosophy beliefs about health the economy politics society and the gods prompted the construction of new cuisines a handful of which chosen as the cuisines of empires came to dominate the globe *Cuisine and Empire* shows how merchants missionaries and the military took cuisines over mountains oceans deserts and across political frontiers Laudan's innovative narrative treats cuisine like language clothing or architecture as something constructed by humans By emphasizing how cooking turns farm products into food and by taking the globe rather than the nation as the stage she challenges the agrarian romantic and nationalistic myths that underlie the contemporary food movement

Contemporary Urban Japan John Clammer, 2011-08-04 This volume demonstrates a fresh approach to urban studies as well as a new way of looking at contemporary Japan which links economy and society in an innovative way

The Essence of Japanese Cuisine Michael Ashkenazi, Jeanne Jacob, 2013-10-11 The past few years have shown a growing interest in cooking and food as a result of international food issues such as BSE world trade and mass foreign travel and at the same time there has been growing interest in Japanese Studies since the 1970s This volume brings together the two interests of Japan and food examining both from a number of perspectives The book reflects on the social and cultural side of Japanese food and at the same time

reflects also on the ways in which Japanese culture has been affected by food a basic human institution Providing the reader with the historical and social bases to understand how Japanese cuisine has been and is being shaped this book assumes minimal familiarity with Japanese society but instead explores the country through the topic of its cuisine At the Japanese Table Richard Hosking,2000 At the Japanese Table is a highly engaging guide to the Japanese way of eating providing both social and historical background for what readers might encounter when visiting Japan or eating at authentic Japanese restaurants Written by a contributor to the renowned Oxford Companion to Food this book describes meals and menus both formal and informal along with the kitchens cooking utensils and techniques and even the many types of restaurants and dining rooms The book reveals the cultural importance of fresh foods raw foods and rice and describes the diverse connections between food and seasonality It also discusses the aesthetics of the presentation of Japanese food which can rival flavor in importance Anyone with a taste for Japanese food Japanese culture or travel will find much to enjoy in this readable and informed guide **Look and Feel** Harlan Walker,1994 Prospect Books 1994 **Business Japan** ,1989-07 Newsletter ,1990 **Cahiers d'Extrême-Asie** ,2005 **El menjar al Japó** Muriel Gómez Pradas,2006 La cuina d'un país és important per conèixer la manera de ser de la seva gent En el cas del Japó especialment així El peculiar paper del menjar en la religió en les festes de cada estació o les normes a la taula ens n'proves magnífiques Aquest llibre descriu amb precisió aquests aspectes i permet entendre millor un país tan lluny culturalment com el Japó *La comida en Japón y La antropología de la alimentación* Muriel Gómez Pradas,Alícia Guidonet,2007 La cocina de un país es importante para conocer la manera de ser de su gente El primer libro describe estos aspectos y permite entender mejor un país como el Japón Comer no es sólo alimentarse El segundo libro analiza la alimentación desde la original mirada de las ciencias sociales **Ethnology** ,1994
