Night Of Music:

Schoenberg: 'Night Music' - Verklärte Nacht and Erwartung Arnold Whittall, 2023-11-30 Synthesises and refocuses the wealth of recent research into two of Arnold Schoenberg's major compositions from the years 1899-1909 **A Little Night Music** Sera Cassell, 2022-02-05 When Elise Wolf leaves her failing indie rock band for home she discovers famous rock star Tristan Morgan has purchased her family's violin shop But Elise has secretly hooked her family's heirloom violin needs a job pronto and violins are all she knows Sidelined at home with a vocal cord issue and not knowing if he'll ever sing again Tristan bought the local music shop complete with upstairs apartment as a backup plan He just never imagined the previous owner's daughter would keep popping up begging for job While Tristan finds Elise persistent and annoying he admits he knows very little about the music shop business He hires her to help him sell off the inventory and prove he is the antithesis of the rock star she believes he is When she leaves her laptop open on a dating app he uses an anonymous name and befriends her His plan is to set her straight on a few things and never meet face to face Surprisingly through their messages he discovers they have a connection and working side by side he feels a spark Elise's perception of Tristan is that he's just another reckless egotistical rock star But when they have to work together on a daily basis she discovers the rocker has a real talent for classical music and his kindness and sincerity begins to knock down the hardened walls around her heart Maybe even enough to meet the person she's been talking to on a dating app While Elise is blissfully unaware that he is the one on the other side of the screen Tristan knows he's screwed He needs to come clean with his real identity but he's afraid there's a good chance someone's heart will be broken And it will probably be his Workplace romantic comedy with a You've Got Mail vibe Slow burn to high heat No cliffhanger A Hard Day's Night - Music on Film Series Ray Morton, 2011-08-01 **Limelight** A Hard Day's Night Music on Film Series is the story of the making of the greatest rock and roll movie of all time Beginning with introductions to the film's stars chronicling their rise from a raggedy teenage skiffle band to the biggest pop act in the world the book goes on to tell how the American film company United Artists wanted to make a quick low budget movie starring the Fab Four so its record division could put out a motion picture soundtrack album full of new Beatles songs in order to allow the studio to cash in on the incredible wave of Beatlemania then sweeping the planet Director Richard Lester producer Walter Shenson and screenwriter Alun Owen were hired to churn out just another cheap exploitation film but instead used the opportunity to create a startlingly fresh and original movie that broke new ground both in subject matter instead of simply following genre tradition and sticking the band in some corny made up plot they had the Beatles play themselves in a narrative based on their own incredible real life experiences and in form Lester's inspired surrealist approach to the film's musical numbers kicked off the entire music video revolution Covered is the film's frantic six week shoot the lively recording sessions that resulted in seven great new Beatles songs and how both the film and the album met with great critical and popular success **Night Music** Jenn Marie Thorne, 2019-03-19 A dreamy summer rom com that'll

Copyright Office,1971 **How Sondheim Can Change Your Life** Richard Schoch,2024-11-19 Discover the powerful and universal lessons from the music and lyrics of Stephen Sondheim the genius behind such musical theater masterworks as Company West Side Story and Into the Woods Stephen Sondheim died on November 26 2021 but for countless fans around the world he is still here to quote one of his lyrics With acclaimed revivals of his landmark shows occurring around the world and introducing new generations to the man who transformed American musical theater Sondheim s legacy has only grown What is it about such classic songs as Rose s Turn from Gypsy Send in the Clowns from A Little Night Music and Children Will Listen from Into the Woods that speaks to us so intimately and profoundly How Sondheim Can Change Your Life makes the case that Sondheim s greatness beyond the clever lyrics and adventurous music rests in his ability to tell stories that relate to us all From Louise s desire for freedom as

Gypsy Rose Lee to Sweeney Todd's thirst for revenge we as an audience relate easily to Sondheim's characters. His works understand us as much as we understand them. Following the arc of Sondheim's career *How Sondheim Can Change Your Life* is rich with stories about productions and iconic performers, deep readings of his music and lyrics and insights into his creative process. But more than that it reveals how Sondheim's works can enrich our own lives. *The Musical* William Everett, 2011-06-02. The musical, whether on stage or screen, is undoubtedly one of the most recognizable musical genres yet one of the most perplexing. What are its defining features? How does it negotiate multiple socio-cultural-economic spaces? Is it a popular tradition? Is it a commercial enterprise? Is it a sophisticated cultural product and signifier? This research guide includes more than 1,400 annotated entries related to the genre as it appears on stage and screen. It includes reference works, monographs, articles, anthologies, and websites related to the musical. Separate sections are devoted to sub-genres such as operetta and megamusical, non-English language musical genres in the U.S., traditions outside the U.S., individual shows, creators, performers, and performance. The second edition reflects the notable increase in musical theater scholarship since 2000. In addition to printed materials, it includes multimedia and electronic resources.
