Our Baby From China An Adoption Story:

Our Baby from China Nancy D'Antonio, 1997 An American couple goes to China to adopt a baby *Racist Love* Leslie Bow, 2021-12-13 In *Racist Love* Leslie Bow traces the ways in which Asian Americans become objects of anxiety and desire Conceptualizing these feelings as racist love she explores how race is abstracted and then projected onto Asianized objects Bow shows how anthropomorphic objects and images such as cartoon animals in children's books home decor and cute tchotchkes contemporary visual art and artificially intelligent robots function as repositories of seemingly positive feelings and attachment to Asianness At the same time Bow demonstrates that these Asianized proxies reveal how fetishistic attraction and pleasure serve as a source of anti Asian bias and violence By outlining how attraction to popular representations of Asianness cloaks racial resentment and fears of globalization Bow provides a new means of understanding the ambivalence surrounding Asians in the United States while offering a theory of the psychological affective and symbolic dynamics of racist love in contemporary America Family Matters Ruth Lyn Meese, 2009-11-19 This volume is designed to give librarians and teachers guidance on the subject of adoption and foster care both as themes in children's literature and as issues affecting many students To help librarians and teachers gain a deeper understanding of this sensitive subject *Family Matters Adoption and Foster Care in Children's Literature* takes a close look at 115 works of children's literature that have themes related to adoption and foster care including many that have received the Newberry Award Caldecott Award or other prestigious honors from the American Library Association *Family Matters* is not just a digest of titles It is an expert resource for addressing adoption and foster care in the classroom both as a literary subject and as a personal issue with students The book opens with an historical overview of adoption and foster care then reviews level appropriate titles by age group K grade 2 grades 3 5 and grades 6 8 Coverage includes discussions of the impact of adoption and foster care on normal development as well as suggestions for safe language to use in the classroom and fun effective activities for each title

Children of Intercountry Adoptions in School Ruth Lyn Meese, 2002-09-30 Children of intercountry adoption have complex histories that place them at high risk for difficulty or failure in school Teachers and other school professionals rarely know how to test them teach them or meet their needs This volume explains those needs and offers guidelines and suggestions for maximizing the educational performance of these children and helping them to meet their potential The volume includes research on children adopted from several countries including Russia and former Soviet states Romania and China Content includes information from adoption literature on English as a Second Language classes as well as special education law and research The volume also presents the stories of real children adopted from Romania Russia and China along with their parents and their interactions with schools in the United States Chinese America Birgit Zinzius, 2005 *Chinese America Stereotype and Reality* is a comprehensive and fascinating textbook about the Chinese in America Covering more than 150 years of history the book documents the increasing importance of the Chinese as a social group from

immigration history to the latest immigration legislation from educational achievements to socio cultural and political accomplishments Employing the author s detailed knowledge of the Chinese Diaspora combined with her meticulous research the book explores the history diversity socio cultural structures networks and achievements of this often overlooked ethnicity It highlights how based on their current position Chinese Americans are well placed to play a major role in future relations between China and the United States the two largest economies of the twenty first century **Books Children**

Understanding Diversity Through Novels and Picture Books Liz Knowles, Martha Smith, 2007-05-30 Understanding Diversity Through Novels and Picture Books goes beyond the usual multicultural lists and looks at the wide expanse of the diversity of cultures and lifestyles impacting children's lives in America today and identifies good books to have in library collections for them to read Included are annotated titles with discussion questions from all of the identified cultures and subcultures and annotated teacher librarian resources print and Web based as well as an excellent list of topical annotated journal articles Grades 4-8 Knowles and Smith examine current research on diversity and multiculturalism They move away from the traditional aspects of multicultural education food fashion folktales festivals and famous people to a focus on novels and picture books and realistic fiction to show children with diversity issues that there are others in similar positions The issue of authenticity whether the author of the book should be of that culture or merely familiar with the culture is discussed Topics include Ethnicities Asian Latino Hispanic African Black Native American White European Bi Multiracial Exceptionalities Ageism Socioeconomic Status Sexual Orientation Gender and Religion The authors provide this valuable resource for libraries schools and communities that wish to utilize literature to help diverse students walk in the shoes of others and to match books to children and young adults to heighten understanding and acceptance Grades 4-8 **A Guide to Russian Adoption** Alisa White Karwowski, 2008-12-30 This practical book explains the process of adopting a child from Russia from first contact with a Russian agency through bonding with the adopted child back at home Karwowski provides a resource that parents can carry along as they navigate the paperwork the home assessment court hearings medical exams and financial components of what can otherwise seem like an overwhelming process Herself the adoptive parent of two sons from Russia the author also details common issues families face as they acclimate their new child to their home family and American culture Aiming to break the process into manageable steps Karwowski incorporates her own experience as a backdrop Degreed in both psychology and sociology she discusses sensitive issues regarding the child which can include issues of abandonment trust and attachment For all of these she presents methods adoptive parents can use to see the signs and cope She also addresses misconceptions commonly held about adoptions from Russia the country to which she traveled four times across two years to adopt her sons Blessings from China Roberta Diggs, 2007-09 In Blessings from China author Roberta Diggs takes you on a journey halfway around the world on her mission to rescue two abandoned girls You will laugh and cry as you follow the moving experience of two first time parents in their forties A poignant memoir about the reality of adoption spiced with humor and the blessings of God Blessings from China is sure to warm your heart and inspire your soul **Bringing the Story Home** Lisa Lipkin, 2001 Over 100 original ideas and activities for children aged three to ten Jacket Children in Foster Care and Adoption John T. Pardeck, Jean Pardeck, 1998-10-28 Bibliotherapy is a new and creative approach for helping children deal with both small problems and major life crises such as placement in substitute care Bibliotherapy literally means treatment through books It is a process of intervention that involves the child as well as

the helping person Bibliotherapy is an approach that helps children through reading to more clearly understand the problems facing them and to develop solutions for solving problems Bibliotherapy is particularly useful for children placed in foster care or adoption because it can be implemented by all helping persons working with the child welfare system These persons include foster and adoptive parents biological parents teachers psychologists social workers clergy and librarians

Unequal Motherhoods and the Adoption of Asian Children Jungyun Gill, 2016-12-13 This book explores a deeply personal aspect of globalization the adoption of Asian children by white Americans It is based on dozens of interviews with adoptive mothers and adoption social workers nearly two hundred letters and essays written by Korean birth mothers who put their children up for adoption and field work at an adoption agency in South Korea It also includes analyses and explanations of U S and South Korean governments social characteristics and policies regarding adoptions and how relations between nations have affected international adoption The book focuses on whether the commonly held notion that adoptions are to serve children s welfare and their best interests has tended to render gendered aspects of international adoptions invisible Factors such as gender inequality social control of women s reproductive power patriarchic family structure and social beliefs concerning womanhood and motherhood that affect international adoptions are revealed in this book The multiple ways in which adoptive birth and foster mothers experience gender oppression from their different social positions of class race and nationality are explored and the interdependencies and inequalities of the motherhoods of these three groups of women are brought to light **The Praeger Handbook of Adoption** Kathy S. Stolley, Vern L. Bullough, 2006

So Much More Todd Hudson, 2014-02-18 The normal Christian life should be anything but normal it should be supernatural one in which the living God expresses His very life in us and through us With *So Much More* Pastor Todd Hudson challenges all believers to embrace the supernatural power of God as a lifestyle Todd is no stranger to his message His own life has been supernaturally wrecked he says by the Holy Spirit When God called him to resign from the 4 000 member evangelical megachurch he led for nine years and plant a Spirit filled church he began a new ministry of calling believers to live in resurrection power today not someday in the future If you know deep inside that there must be so much more to the Christian life then Todd will help you discover how to experience and release the kingdom in your life today and tomorrow

A Village with My Name Scott Tong, 2017-11-17 An immensely readable journey through modern Chinese history told through the experiences of the author s extended family Christian Science Monitor When journalist Scott Tong moved to Shanghai his assignment was to start the first full time China bureau for Marketplace the daily business and economics program on public radio stations across the US But for Tong the move became much more an opportunity to reconnect with members of his extended family who d remained there after his parents fled the communists six decades prior Uncovering their stories gave him a new way to understand modern China s defining moments and its long interrupted quest to go global *A Village with My Name* offers a unique perspective on China s transitions through the eyes of regular people

who witnessed such epochal events as the toppling of the Qing monarchy Japan's occupation during WWII exile of political prisoners to forced labor camps mass death and famine during the Great Leap Forward market reforms under Deng Xiaoping and the dawn of the One Child Policy Tong focuses on five members of his family who each offer a specific window on a changing country a rare American educated girl born in the closing days of the Qing Dynasty a pioneer exchange student a toddler abandoned in wartime who later rides the wave of China's global export boom a young professional climbing the ladder at a multinational company and an orphan the author's daughter adopted in the middle of a baby selling scandal fueled by foreign money Through their stories Tong shows us China anew visiting former prison labor camps on the Tibetan plateau and rural outposts along the Yangtze exploring the Shanghai of the 1930s and touring factories across the mainland providing a compelling and deeply personal take on how China became what it is today Vivid and readable The book's focus on ordinary people makes it refreshingly accessible Financial Times Tong tells his story with humor a little snark and lots of love Highly recommended especially for those interested in Chinese history and family journeys Library Journal starred review
