power and eroded the checks and balances essential to a healthy democracy The book also examines the growing economic inequality and the erosion of the middle class demonstrating how the current system benefits the wealthy and powerful at the expense of ordinary Americans Gross exposes the loopholes and tax breaks that allow corporations and the wealthy to avoid paying their fair share while the burden falls disproportionately on working families With a keen eye for detail and a passion for justice Gross paints a vivid picture of a nation in crisis a nation desperately in need of reform The Roots of Our Discontent is a must read for anyone concerned about the future of American democracy a clarion call for action that demands we confront the challenges facing our nation and work together to build a better future for all If you like this book write a review on google books

ISRAEL It was Thanksgiving when we got the news and although we went through the motions of Thanksgiving dinner it was hard to get into the spirit of it As Carrie said I have nothing to be thankful for Our friend Israel was dead It was so hard to believe How could someone so full of life be dead And yet there were things to be thankful for We could be thankful that we knew him and that for six years he enriched our lives Israel was outrageous crazy and exasperating but he was also friendly loving and generous He had more chutzpah than anyone I ve ever known but he also had more charisma
