Cole Porter: Selected Lyrics Cole Porter, 2024-11-12

Cole Porter possessed to a singular degree the art of expressing depth through apparent frivolity The effervescent wit and technical bravura of his songs are matched by their unguarded revelations of feeling In the words of editor Robert Kimball Porter wrote tellingly of the pain and evanescence of emotional relationships He gently mocked propriety and said that few things were simple or lasting or free from ambiguity Of the masters of twentieth century American songwriting Porter was one of the few who wrote both music and lyrics and even in the absence of his melodies his words distill an unmistakable mixture of poignancy and wit that marks him as a genius of light verse Selected from over eight hundred songs here are Porter's finest flights of invention lyrics that are an indelible part of 20th century culture Let's Do It Love for Sale I Get a Kick Out of You Anything Goes In the Still of the Night I Concentrate on You and dozens more About the American Poets Project Elegantly designed in compact editions printed on acid free paper and textually authoritative the American Poets Project makes available the full range of the American poetic accomplishment selected and introduced by today's most discerning poets and critics
