undiminished who would believe But in *A Marriage Book* James P Lenfestey meets his own challenge with aplomb These poems drop readers into the rich textured world of one couple s enduring intimacy from the warmth of a bedroom occupied by two to squabbles over miscommunications and crumbs in the kitchen As the marriage and the poems transition into parenthood Lenfestey illuminates the equally stalwart wonder of observing one s children as they age and develop Paternal love persists and is even fed by watching his children argue suffer their own mistakes and roar horrible breath at breakfast *A Marriage Book* is a collection that essences the magic from the household quotidian creating a technicolor portrait of a durable long lasting love and a vibrant dynamic family James Lenfestey after a lifetime of attentive writing has lately done poems for family and marriage that put most of us to shame Gary Snyder *The New York Times Book Review* **Greatest Hits, 1980-2006** Gary Metras, 2007 *Forever in Love* June Cotner, 2009-01-01 From eyes first meeting to sweet good byes and every loving moment in between June Cotner tracks a lifetime of love through poetry and prose The poems collected here approach love from every perspective and at every stage from the innocent crush induced longings of a 13 year old girl to the ethereal musings of 13th century poet Rumi Love It has forever inspired poets and those touched by its power and grace still find new words to celebrate it Nothing moves the spirit or the pen of the poet quite like love Author June Cotner has long been fascinated by the course of the lifetime relationship between husbands and wives from the electric sizzle and wild imaginings of love s beginning through the early years of marriage filled with discovery and grand dreams of the future and ultimately till the day we part still in love and grateful for the lifetime companionship In *Forever in Love* Cotner has collected her favorite love poems and arranged them in chapters set as mileposts in love s long journey Beginning entries include *The Search Attraction Longing and Courtship* The middle chapters include *Commitment Early Years and Daily Life* and the book closes with poems gathered under the headings of *Partings and Reflections* Cotner s selections for this compendium are as inspired as the words themselves Classic writers such as Dickinson Shakespeare and Browning lend well loved words but this broad ranging collection draws most of its content from poets writing today assuring that every reader will discover many new gems to share with one s partner *A Chaos of Angels* Lois P. Jones, Alice Pero, 2006-11-01 *There Is No Gene For The Human Spirit* A clever tag from the 1992 film *Gattica* is a statement which each of us knows inherently to be true If you ve read the startling portrayal of a utopian society gone wrong in Aldous Huxley s *Brave New World* 1932 you are acquainted with the author s prophetic predictions of a world addicted to chemically driven happiness In a culture where biochemistry has become its own religion spirituality is being replaced by serotonin manipulation and mood enhancement These works delve into the very nature of what ails us and why a pill for spiritual pain just might not be the answer Friends family ex patients doctors write about the dumbing down of the self and the fight to stay alive The book offers a list of resources for alternative mental health We hope these poems will help raise awareness about the true nature of man and the importance of the spirit as a source of healing The Editors **On Retirement** Robin Chapman, Judith Strasser, 2007-04 In the decade

ahead more than 80 million Americans will reach the age of retirement and face what Robin Chapman and Judith Strasser call the unnerving question What next Indeed according to the Social Security Administration the number of Americans sixty five or older will nearly double between 2000 and 2030 As more people approach retirement they too will wonder what lies ahead This superb collection includes poems by men and women ranging in age from their fifties to their eighties and hailing from different cities regions and countries The entire range of emotions and literary perspectives is represented here whether the specter of death in Doug Anderson s Sixty One or a sly grin in Roger Pfingston s Retired Each poet whether retired or just contemplating retirement greets the prospect of this new chapter of life differently George Bilgere purchases the complete works of Verdi and extravagant silk shirts while Denise Levertov contemplates life alone Alicia Ostriker implores readers to keep on fighting keep up the good work and Alberto R os recalls a lost love However we contemplate retirement this volume will illuminate the careful thoughts of those who have faced these questions before us Contributors Include Werner Aspenstrom Chana Bloch Philip Booth Hayden Carruth Lucille Clifton Ruth Daigon Susan Elbe Sam Hamill Mark Irwin klipschutz Ted Kooser Maxine Kumin Richard Moore Naomi Shihab Nye Grace Paley Robert Pinsky Carol Potter Ishmael Reed Claudette Mork Sigg Ronald Wallace
