Pushcart War:

The Pushcart War Jean Merrill, 2015-09-29 The best book about politics ever written for children The Washington Post 50th Anniversary Edition now in paperback DO YOU KNOW THE HISTORY OF THE PUSHCART WAR THE REAL HISTORY It is a story of how regular people banded together and armed with little more than their brains and good aim defeated a mighty foe Not long ago the streets of New York City were smelly smoggy sooty and loud There were so many trucks making deliveries that it might take an hour for a car to travel a few blocks People blamed the truck owners and the truck owners blamed the little wooden pushcarts that traveled the city selling everything from flowers to hot dogs Behind closed doors the truck owners declared war on the pushcart peddlers Carts were smashed from Chinatown to Chelsea The peddlers didn't have money or the mayor on their side but that didn't stop them from fighting back They used pea shooters to blow tacks into the tires of trucks they outwitted the police and they marched right up to the grilles of those giant trucks and dared them to drive down their streets Today thanks to the ingenuity of the pushcart peddlers the streets belong to the people and to the pushcarts The Pushcart War was first published more than fifty years ago It has inspired generations of children and been adapted for television radio and the stage around the world It was included on School Library Journal's list of One Hundred Books That Shaped the Twentieth Century and its assertion that a committed group of men and women can prevail against a powerful force is as relevant in the twenty-first century as it was in 1964

Reuben's Fall Sheri L. Leafgren, 2016-06-16 This study offers a lens on two kindergarten classrooms examining moments of disobedience as children interacted with children, their teachers and the space and time elements of the classroom environments. Through Eisner's educational criticism, author Sherry Leafgren also examines the elements of school kindergarten and teachers within the spaces of their intersections with the children. While past research has directed our attention to addressing the problem of classroom disobedience, Leafgren provides an opportunity and means to view these familiar actions through fresh lenses of possibilities. Predicated by an event in the researcher's teaching life, she utilizes Deleuze and Guattari's rhizoanalysis to openly seek lateral paths of understanding by linking and folding the findings with texts other than those that would be normally used toward developing new understandings and questions regarding children's disobediences. An earlier version of this book was awarded the distinguished dissertation award from the International Institute for Qualitative Methodology. *Reid's Read-Alouds 2* Rob Reid, 2011 From humor and drama to science fiction and history, Reid makes it easy to find just the right place to begin with unique 10-minute read-aloud suggestions drawn from 200 carefully selected titles.

The Fire Horse: Children's Poems by Vladimir Mayakovsky, Osip Mandelstam and Daniil Kharmis, 2017-03-14 Whimsical and revolutionary poems and art by some of Russia's foremost avant-garde writers and illustrators. A boy wants a toy horse big enough to ride, but where can his father find it? Not in the stores, which means it's got to be built from scratch. How? With the help of expert workers from the carpenter to the painter, working together as one. And now the bold boy is ready to ride off in defense of the future. Two trams, Click and Zam, are cousins. Click goes out for a day on the tracks and before long he's so tired he doesn't know where he is or how to get back. All he knows is he's got to find Zam. Click is looking for Zam and Zam is looking for Click and though for a while it seems like nobody knows where to find Click, good and faithful Zam is not to be deterred. Peter's a car, Vasco's a steamboat and Mikey's a plane. They're all running like mad and going great guns until whoops, there's a big old cow, just a plain old cow standing in the road. What then? The early years of the Soviet Union were a golden age for children's literature. *The Fire Horse* brings together three classics from the era in which some of Russia's most celebrated poets, Vladimir Mayakovsky, Osip Mandelstam and Daniil Kharmis, teamed up with some of its finest artists, Lidia Popova, Boris Ender and Vladimir Konashevich.
