Pushing the Envelope Marthe Le Van, 2009. So often we focus on what's in the envelope, we forget the envelope itself. But this collection embraces the envelope as a creative form. Devised by a group of talented designers, these unique handmade envelopes come in all shapes and sizes. Some involve embellishing commercial envelopes with surface treatments such as stamping. Others require folding techniques, and a few use unconventional and recycled materials. There are projects for packaging CDs, photographs, gift cards, and more. The Rotarian, 1999-05. Pushing the Envelope is packed with triumphs, wit, and wisdom gleaned from Harvey Mackay and the super successful people he's learned from over the years as a marketing whiz and bestselling author. The man who taught us how to swim with the sharks is back with a boatload of tips and techniques for becoming more savvy and successful in everything you do. To Harvey Mackay, pushing the envelope means pushing the boundaries and pushing yourself to maximize your advantage to be better, faster, and smarter, and to get the results you want in business and in life. In his new book *Pushing the Envelope: All the Way to the Top*, you'll learn how to get the order, the art of negotiating the best deals for you, the essential qualities all leaders possess, fail-safe ways to move up the corporate ladder, business titans' secrets to achievement, the keys to balancing work and family, how to use laughter as a productivity tool, and much more. Humor, honesty, fairness, the ability to get others to see your vision, judgment, guts, respect for the bottom line, and all the lines that lead to it. These are the values that have made Harvey Mackay the business and civic leader he is today. A born communicator, Mackay distills the lessons of his forty years in business into pithy, punchy chapters that cut to the heart of everyday problems and situations. As usual, Mackay has his trademark no-nonsense lists, including 5 ways to ruin a good sales force, 11 questions to ask a job prospect, 10 New Year's resolutions, 7 things not to do with a friend, 12 ways to ruin your next speech. Both practical and entertaining, charged throughout with Harvey Mackay's inimitable style, humor, and entrepreneurial wisdom, *Pushing the Envelope* puts the fun, the creativity, and the challenge back in business. Whether you're at the top of your company or determined to get there, this is one business book that will earn your stamp of approval. Praise for *Pushing the Envelope*.
