Pushkin On Literature:

Pushkin on Literature Aleksandr Sergeevich Pushkin, 1986 Pushkin on Literature approaches Pushkin's literary accomplishment from a unique perspective it focuses on Pushkin the critic and on his fascination with the literary world that surrounded him This is the only English language edition of the complete set of Pushkin's critical writing both on his own work and on the wide range of European literature Byron Shakespeare Voltaire Milton which he read and studied and Which so profoundly influenced his own writing These extracts from Pushkin's letters articles and working notes provide a complete chronological record of the artist's literary evolution and provide a fascinating glimpse into the poet's intellectual passions

Eugene Onegin - Pushkin Alexander Pushkin, 2025-02-27 Eugene Onegin is a seminal work that blends poetic elegance with a deep exploration of societal norms unfulfilled aspirations and the complexities of human emotion Alexander Pushkin presents a sharp critique of the aristocratic world of early 19th century Russia illustrating the tension between personal desires and social conventions Through the story of Eugene Onegin a disillusioned and aloof nobleman and Tatyana Larina a sincere and introspective young woman the novel in verse examines themes of love regret and the consequences of missed opportunities Since its publication Eugene Onegin has been celebrated for its lyrical beauty psychological depth and masterful use of language Its exploration of fate free will and the constraints imposed by society has cemented its status as a cornerstone of Russian literature The richly developed characters and their intricate relationships continue to captivate readers offering a poignant reflection on human nature and the passage of time The novel's enduring relevance lies in its ability to convey the universal struggles of love identity and self awareness By intertwining personal emotions with broader societal themes Eugene Onegin invites readers to contemplate the delicate balance between passion and restraint choice and destiny and the inexorable passage of life's defining moments *Eugene Onegin* Alexander Pushkin, 2022-08-19 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1937 *Novels, Tales, Journeys* Alexander Pushkin, 2016-11-22 From the award winning translators the complete prose narratives of the most acclaimed Russian writer of the Romantic era and one of the world's greatest storytellers The father of Russian literature Pushkin is beloved not only for his poetry but also for his brilliant stories which range from dramatic tales of love obsession and betrayal to dark fables and sparkling comic masterpieces from satirical epistolary tales and romantic adventures in the manner of Sir Walter Scott to imaginative historical fiction and the haunting dreamworld of *The Queen of Spades* The five short stories of *The Late Tales* of Ivan Petrovich Belkin are lightly humorous and yet reveal astonishing human depths and his short novel *The Captain's Daughter* has been called the most perfect book in Russian literature *Social Functions of Literature* Paul Debreczeny, 1997 This study of the effect of literature on readers

both as individuals and as members of social groups focuses on Russia's national poet Alexander Pushkin as a model for investigating the aesthetic and social functions of literature. The individual reader's response to the literary text is demonstrated in Part One through a broad range of memoirs, diaries, and correspondences in which Russian readers recorded their reactions to Pushkin. Among the reactions are testimonies that Pushkin's works helped readers form their personalities, provided cathartic relief in times of stress, and aided them in releasing their suppressed emotions. In his analysis, the author draws on various psychological approaches from studies of perception through developmental psychology to psychoanalysis. Part Two exposes the extent to which individuals' aesthetic responses are conditioned by their social environment. Against the backdrop of Russian social history in the early nineteenth century, the author describes the dissemination of new aesthetic norms, notably the relations of the Russian literary elite to lowbrow and middlebrow groups. In this context, he analyzes a number of Pushkin imitations with Pushkin's responses to them and links Nikolai Gogol's development as a writer to the social groups surrounding Pushkin. Among the other topics discussed are the popularization of Pushkin on the stage and his inclusion in school textbooks and anthologies. The aura surrounding the personality of an author is the subject of Part Three, in which the author shows how Pushkin's death in a duel with a foreigner contributed to his emergence as a symbol of the Russian nation and how deep-seated anxiety about national identity gave rise to the Pushkin myth and to the canonization of the poet as martyr. The author also describes how the combined effect of the widespread reading of Pushkin's work and his legend as martyr allowed him to remain Russia's main mythic figure despite the Soviet Union's attempts to supplant him with Lenin. Throughout the book, theoretical arguments are buttressed by close readings of Pushkin's works, especially *The Prisoner of the Caucasus*, *Eugene Onegin*, *Poltava*, *Egyptian Nights*, and several lyric poems.

Eugene Onegin Alexander Pushkin, 1998-09-10 *Eugene Onegin* is the master work of the poet whom Russians regard as the fountainhead of their literature. Set in 1820s imperial Russia, Pushkin's novel in verse follows the emotions and destiny of three men: Onegin, the bored fop; Lensky, the minor elegiacist; and a stylized Pushkin himself, and the fates and affections of three women: Tatyana, the provincial beauty; her sister Olga; and Pushkin's mercurial Muse. Engaging, full of suspense, and varied in tone, it also portrays a large cast of other characters and offers the reader many literary, philosophical, and autobiographical digressions, often in a highly satirical vein. *Eugene Onegin* was Pushkin's own favourite work, and it shows him attempting to transform himself from a romantic poet into a realistic novelist. This new translation seeks to retain both the literal sense and the poetic music of the original and capture the poem's spontaneity and wit. The introduction examines several ways of reading the novel, and the text is richly annotated.

ABOUT THE SERIES For over 100 years, Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
